Billy —

Well, best of luck with your life —
channel your energy, focus, and you'll
be a success at anything you do —
Enjoy things, and never forget how
beautiful the world is — you are a beautiful
person, Billy, never believe anything else.
Take care, and be serene —

James

Billy,
I have really enjoyed getting to know you over our Senior year. You are a great looking, very talented "young man!" And I'm sure you will be a great performer as well. Hang in there + don't quit - which ever route you take. I wish you lots of luck for the years to come + hope you find some good memories of your time here at DB. I've enjoyed working with you. God bless you!

Love, Tiffany Hughes

BILLY

WHERE HAS OUR YEAR GONE?
NOW THAT WE'RE GRADUATING SENIORS WE'LL HAVE TO BECOME REAL PEOPLE. PLEASE NEVER FORGET ALL OUR PAST EXPERIENCES. NOT JUST IN DRAMA BUT SINCE ELEMENTARY SCHOOL! PUGMORE! PUGMORE! RAH ROO RAH! "BEAT BILLY BLACK AND BLUE @!%-☆*?!" NOW — I'VE KNOWN YOU MOST OF MY LIFE!!!

IF YOU WANT IT
GET IT
DO IT

Best Wishes
Jane

# Work Together!

Dobyns-Bennett . . . a world in itself. It's not the buildings that make D.B.; it's the people. D.B. is not just a place where people learn, it's a place where they live.

D.B. is a life built on moments. Those moments at lockers with friends . . . socializing in the morning before school . . . sitting on the radiators in the pods . . . that brief moment with a special friend between classes . . . getting last words in before the bell . . . pep rallies and football games.

D.B. provides an opportunity to learn about people. Friendships are formed that will last for many years. We learn to find the good in others and hope they will do the same for us. As we study and work together and interact, we discover love and hate and compromise.

We are in a mad rush — hurrying to class with so much to do. We fall behind two weeks in homework and never catch up. We skip lunch. We struggle with book reports, papers, exams, SAT's and ACT's. But somehow we find the time to get to know each other.

Together we build Homecoming floats, decorate f dances, raise money for worthwhile causes, hold elections, participate in plays, support athletics, and still find time to miss class with every conceivable excuse. No matter what endeavor — leadership, sportsmanship, consideration, and cooperation are qualities we develop as we work together.

Through our four years at Dobyns-Bennett, we are drawn together for different reasons . . . looks, interests, hobbies, talents, grades, and personalities. But no matter how different each of us is, Indian Pride unites us all. The spirit of Dobyns-Bennett is a composit of each and every one of its students. We work, we play, and we learn — together.

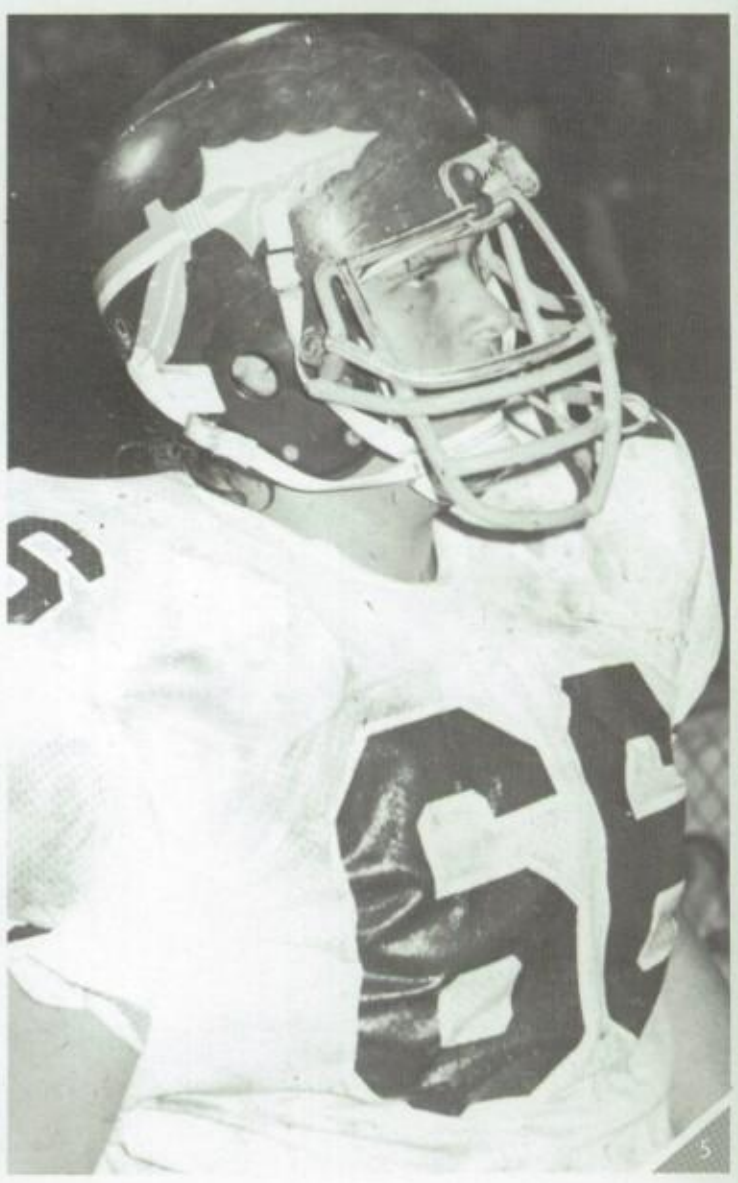
# Something To Cheer About

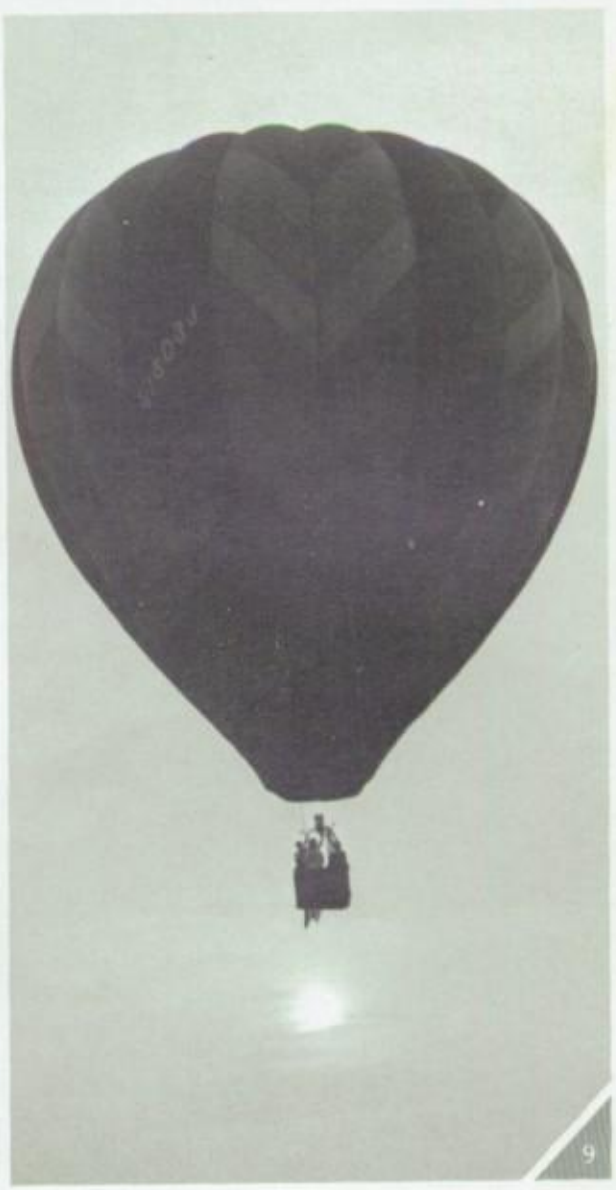
It is through participation in sports and academic achievement that Dobyns-Bennett has something to cheer about. Whether we play on the team, support the team, or compete on a scholastic level, it is through competition that the true meaning of spirit and unity becomes known.

For the athlete there is the chance of developing the body, learning the importance of team play, and just plain "doing what is fun." For the spectator there is the chance to display school loyalty, and to spend many exciting evenings "cheering for the Indians." For the scholar it is the opportunity to represent his school in an academic setting and perhaps be rewarded personally for his achievement.

Our city provides the perfect ingredients necessary for accomplishing these goals. The spirit of fun and fellowship exhibited in its annual Fun Fest celebration encourages cooperation and enthusiasm, while our geographic location furnishes ample mild weather in which sports competition can flourish. With community involvement and school spirit, Dobyns-Bennett will always have something to cheer about.



1) Dr. Etienne is interviewed after Dobyns-Bennett is named one of the top ten schools in Tennessee. 2) Back in the classrooms to begin the '87-'88 school year. 3) Sarah Slaughter and Hope Gilliam lead the cheers at a pep rally. 4) The Fourth of July — celebrating our nation's birthday. 5) Dee Riner scans the scoreboard during another Indian victory. 6) Dobyns-Bennett High School — Home of the Indians. 7) Student Spirit is one of the reasons D.B. Athletics continues its winning tradition. 8) Due to the mild weather, brilliant flower blossoms covered the ground earlier than usual. 9) The excitement of Funfest '87 filled the air as it got off to the best start since its creation.



PLUNGE INTO

# SPORTS

Plunge Into . . .

Diverse sports action at Dobyns-Bennett. Athletically as well as academically, D.B. reaches for the stars. But how about some behind-the-scenes sports facts?

— Winning doesn't just come naturally to the football team — the Indians practice four days a week for three straight hours!

— George Taylor is the official 1987 War Hooper for kick-offs.

— A football uniform costs an average of $290.00!

— Basketball players dedicate part of their Summer to practice with the team.

— Under the direction of fourth year head coach Chuck Lane, this year's golf team has risen from a minor threat to a dominating force after completing a near perfect season with highest honors!

In reaching for the top, the Dobyns-Bennett Indians mold their dedication and determination into a reality. For the first time in years, the football, baseball, basketball, golf, and cross-country, and soccer teams all had strong footholds on top honors in conference competition.

This excellent sports program is something to be admired. "I am very proud to be a part of athletics at D.B.," states Joey Pugh. Sports action at Dobyns-Bennett is something everyone should consider being part of. Those who take the plunge are sure to rise to the top.

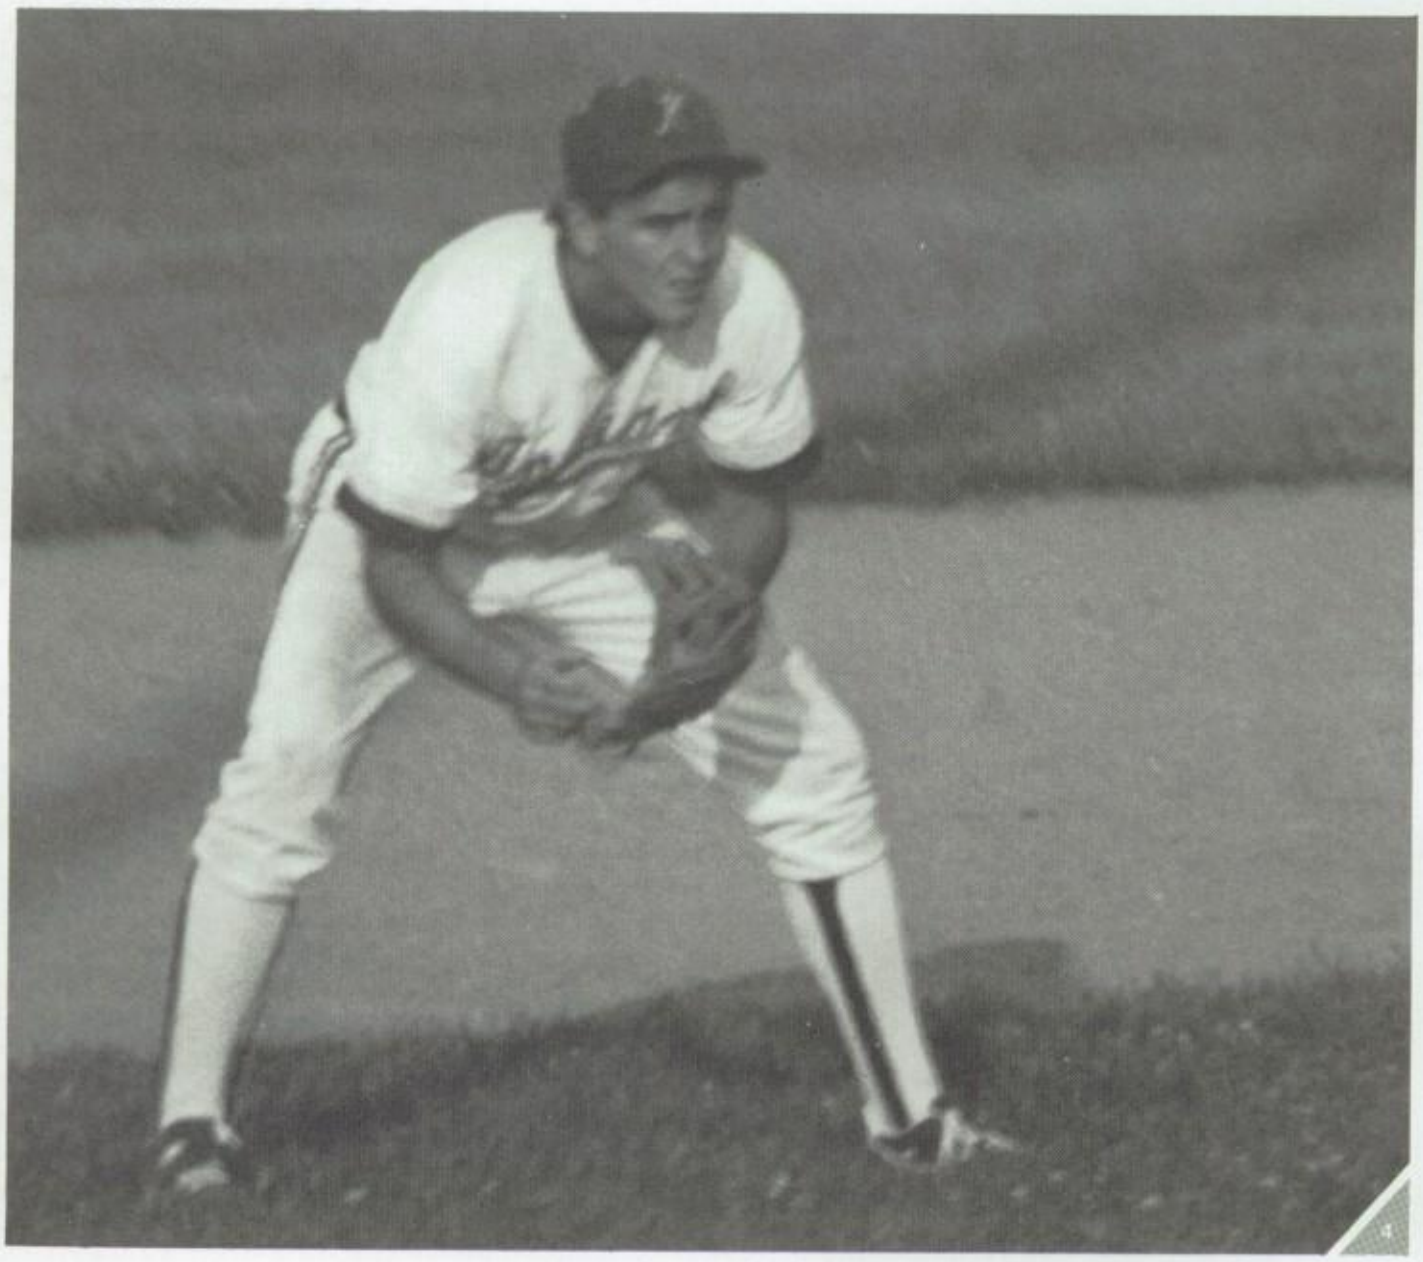
# JV Baseball

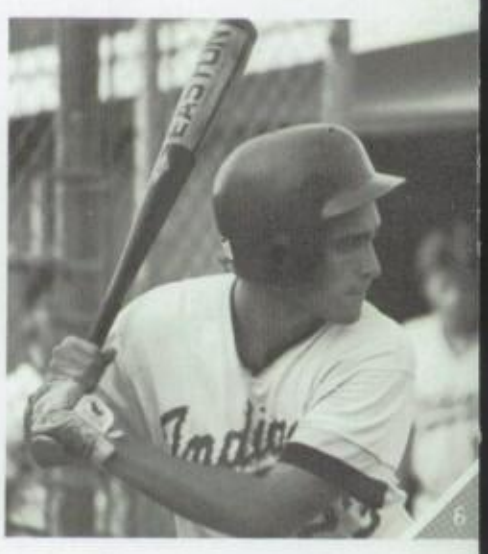
## Strong batting and aggressive base running give JV many wins.

Junior Varsity baseball continued to be an excellent part of the baseball program at Dobyns-Bennett. The young Indians gained experience and increased their skills by being challenged in games that would prepare them for Varsity level competition. This year's team was characterized by strong defense and aggressive base running. Strong batting was another factor that aided the Indians in achieving an impressive 9-1 record.

Pitching was performed by sophomore, Bryan Page, who won 6 games and lost only 1. Bryan had an impressive E.R.A. of 1.68. The team's batting was lead by David Sallings, B.J. Welch, and Chris Maupin, all who had achieved averages above .500.

With these talented players advancing to the Varsity level next year, the Indians should enjoy another very successful season.





# Freshmen Baseball

## Freshmen team adjusts well to high school level competition.

Playing their first year of high school baseball, freshman baseball became a challenge for the young players. The team consisted of players from various middle schools who were not accustomed to playing together, but by working collectively the team won 10 out of 14 games.

The team achieved a batting average of .353. The effort was led in batting by Jimmy Alder with .486, Jason Walton with .480 and Bo Ford with .455. The leading pitcher was Jimmy Alder with 6 wins, 1 loss and 3 saves. His E.R.A. was an impressive 1.67.

These young players who are looking forward to playing at the more competitive Junior Varsity level next year should do very well.

# VARSITY BASEBALL

## Varsity Indians beat odds by winning big nine conference.

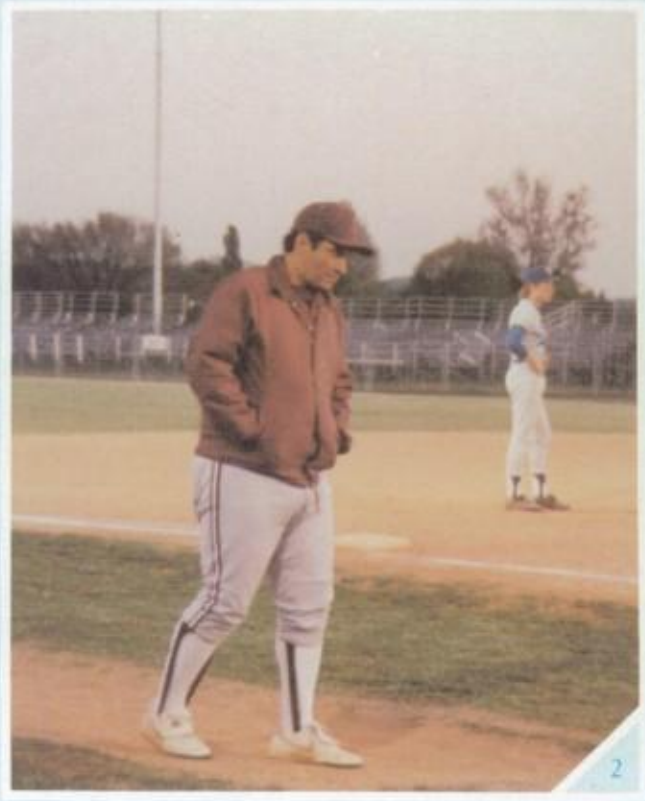
Football did it first, then basketball, and last but not least, it was done by baseball. All three teams won the conference. Dobyns-Bennett had earned its first triple crown win in several years.

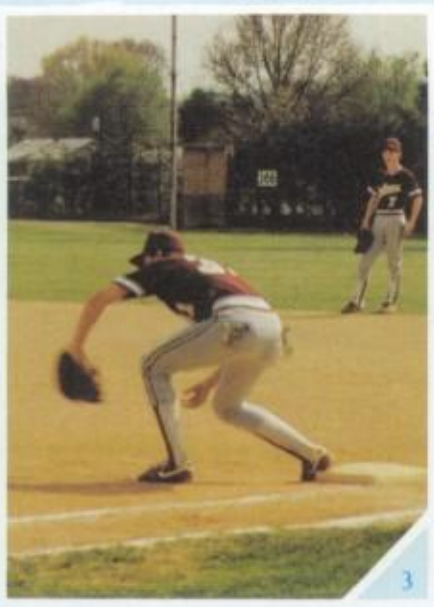
The baseball team was picked to finish no better than sixth by area coaches, but the previous year's rebuilding season proved profitable for the Indians. Although the team was young with only three starting seniors, experience was not lacking. Several juniors who had played previously provided great effort. Sophomore Chris Maupin played extremely well at the varsity level with his limited experience.

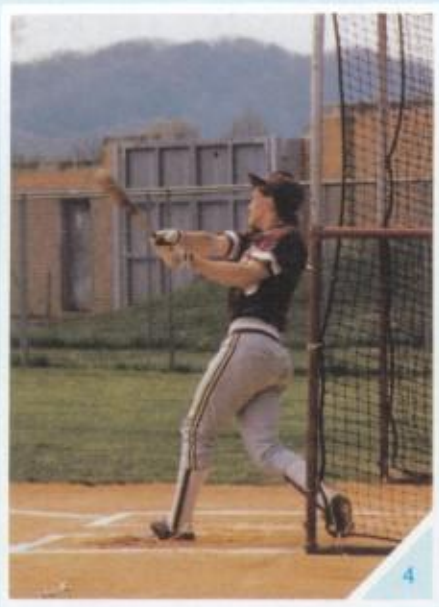
Team starters were Mickey Seavers on the mound who threw strike after strike to the catcher, Charlie Ratliff. Junior Maness in right field along with David Kelly in center and Andy Hubbard in left took care of the field wor. . They became excellent catchers that allowed the opposing team very few hits. Ken Bonifay at first, Bryan Dean at second, Chris Maupin at short, and Tony Hubbard at third controlled the infield, causing out after out and sending the opposing team to the field.

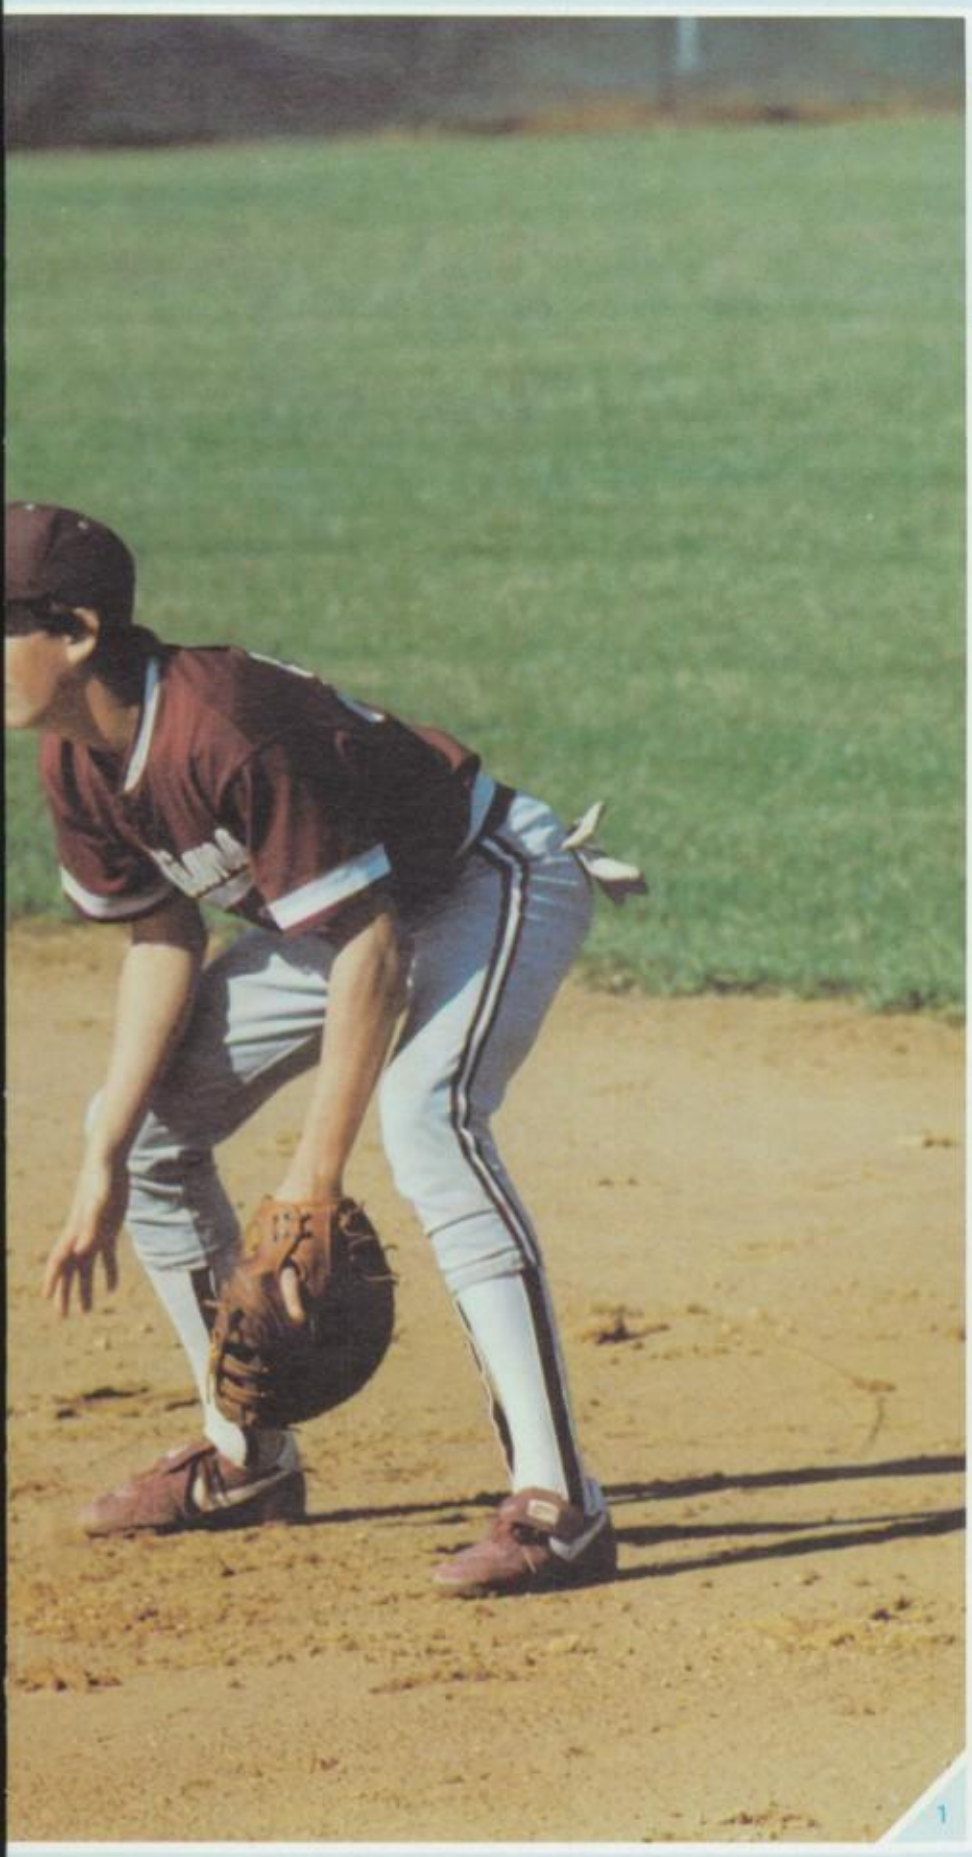
The team was led in hits by consistent Andy Hubbard who always managed to get a hit when the team needed one. Ken Bonifay, the power slugger who led the team in RBI's and homeruns also led the Indians with a batting average of .434.

The Indians played with great emotion, enthusiasm, and team encouragement. They saw that winning was possible if they played as a team, worked hard, and practiced long hours. Their dedication became a reality as the Indians achieved a 24 and 9 record and the conference title.









Although the Indians and Coach Ritz were well pleased with their record and with winning the conference, they felt they deserved a spot in the state tournament. "We had a great season, but we should have gone to state," said Andy Hubbard.

Most of next year's starting players will be seniors who will be looking forward to a great season. Because the Indians won the conference this year the only thing lacking for this baseball team is the state championship. "Hard work, dedication, and determination are the keys to reaching the state championship, and this team has shown all of these," said Coach Ritz.

Although the state tournament was only a dream for this year's team, things may be different next year with most of the starters returning.

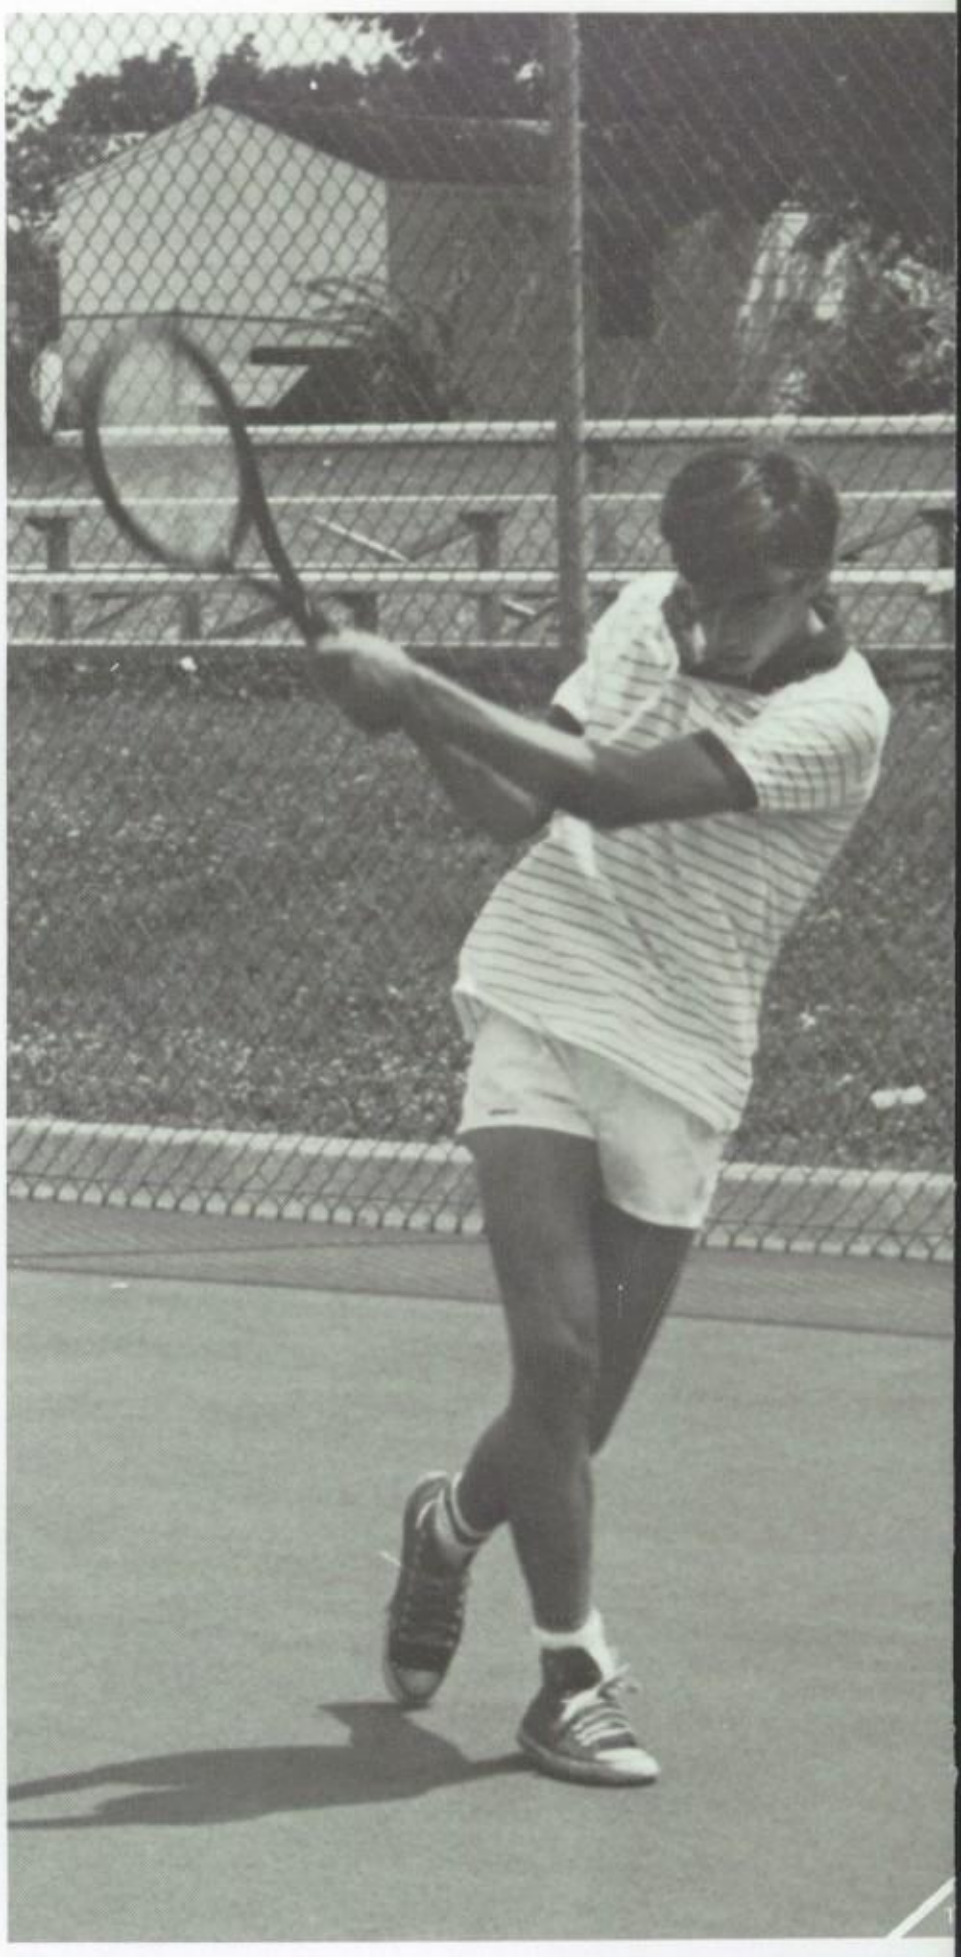
**OPPOSITE PAGE:** 1) Coach Ritz discusses his strategy with the team. 2) Coach Ritz concentrates on the game. 3) Ken Bonifay makes the play at first. 4) Chris Maupin takes some batting practice. 5) Tony Hubbard prepares to swing. 6) Junior Maness goes through his windup. **THIS PAGE:** 1) Ken Bonifay readies himself to make the play. 2) **THE 1987 VARSITY BASEBALL TEAM — FRONT ROW:** Coach Earles, Darin Baird, Eric Jones, Tony Hubbard, Eddie Cole, Kelley Dean. **SECOND ROW:** Coach Burton, Robbie Cradic, Bryan Dean, Chris Maupin, Doug Jackson, Bryan Paige, Andy Piazza, Andy Hubbard, Charlie Ratliff, Travis Baker (mgr), David Guy (mgr). **BACK ROW:** Coach Ritz, Scottie Crawford, Sean Light, David Kelly, Junior Maness, Damon Hunley, David Sallings, Jason White, Mickey Seavers, Ken Bonifay, B.J. Welch, Jason Westmoreland. 3) The team celebrates after a big win over Sullivan South. 4) Junior Maness picks up the ball. 5) Tony Hubbard follows through on his swing.

# Boys' Tennis

## Jean Paul Danko leads tennis team to a 10 and 4 record.

The Boy's Tennis Team ended the year with seven wins and three losses. The team placed third in the District where John Paul Danko became runner up in singles play. They earned second place in the Regional Tournament in which all players performed very well. Due to graduation, the team's number one player, John Paul Danko will be missing from next year's team. However, there are several skilled juniors returning to take his place. The team's experience should help them be prepared for next season.

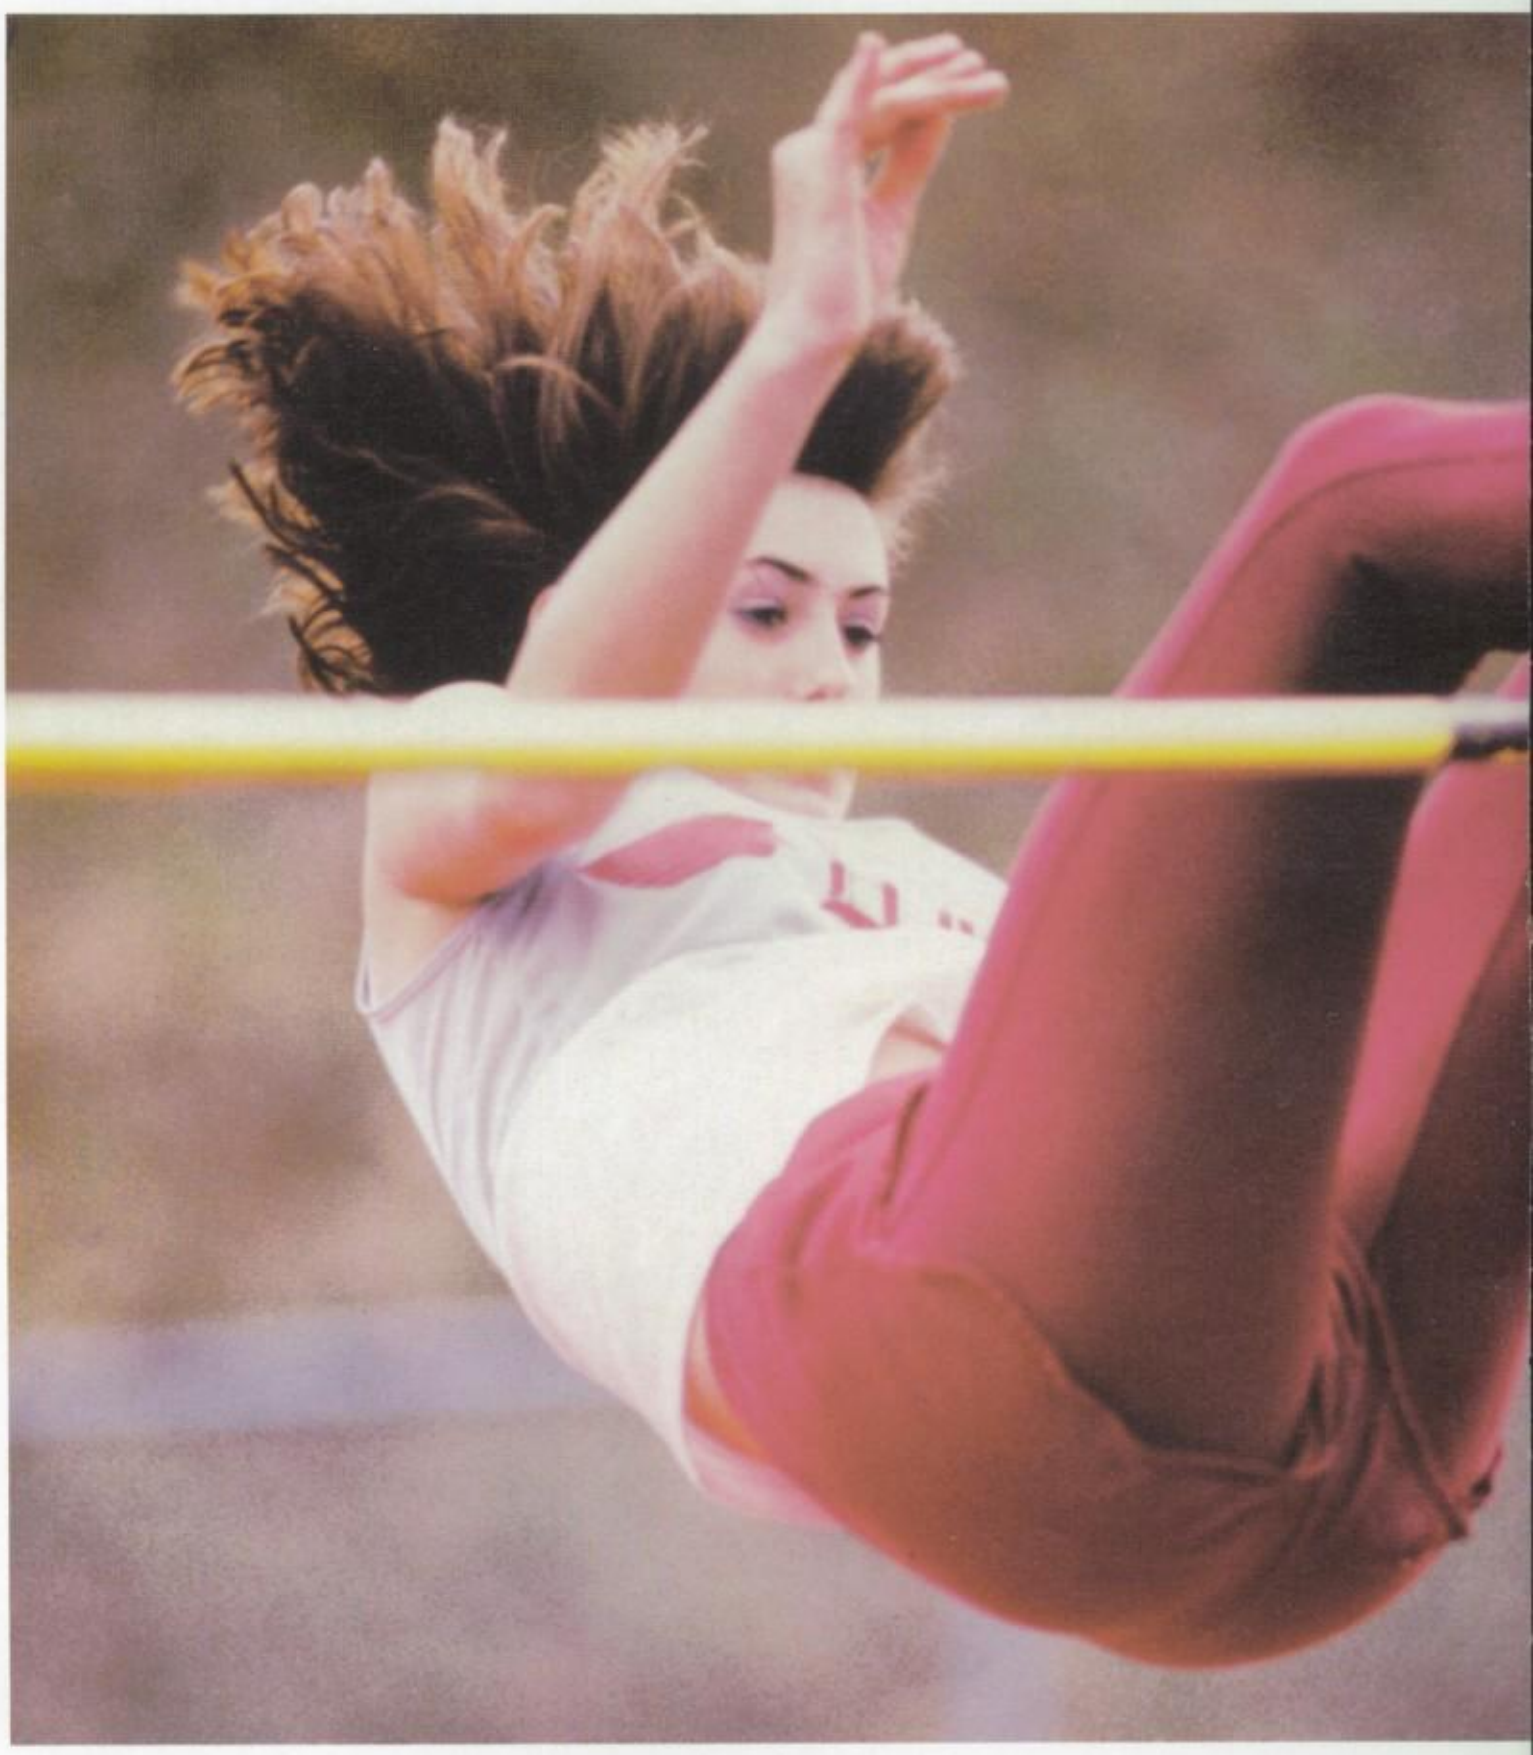
**THIS PAGE:** 1) John Paul Danko follows through on his return. 2) **1987 BOYS' TENNIS TEAM — FRONT ROW:** Bob Anderson, Chip Kisabeth, Michael Manley, David Poe. **BACK ROW:** Jerry Weber, Owen Hardcastle, Joe Schrader, Robbie Hadden, John Paul Danko, Wade Farrow. 3) Joe Schrader keeps his eye on the ball. 4) Wade Farrow concentrates on his return. **OPPOSITE PAGE:** 1) Holly Gray applies power in returning the ball. 2) **1987 GIRLS' TENNIS TEAM —** Coach Danko, Sherri Parker, Precia Parker, Holly Gray, Tonya Burchette, Susan Byrd, Tricia Kelly, Debbie Moore. 3) Tricia Kelly stretches to return the ball.



# Girls' Tennis

## Holly Gray and Debbie Moore lead girls in District and Region.

The Girl's Tennis team had a successful season including nine wins and one loss. Holly Gray and Debbie Moore led the team to it's third consecutive District Championship and it's second Regional Championship. Holly won the District singles title and then teamed with Debbie to win the doubles title. Holly, who finished third in the Region and Debbie, who finished second combined to win the Regional doubles title. Both girls qualified for the State Tournament for the third straight year.



# GIRLS' TRACK

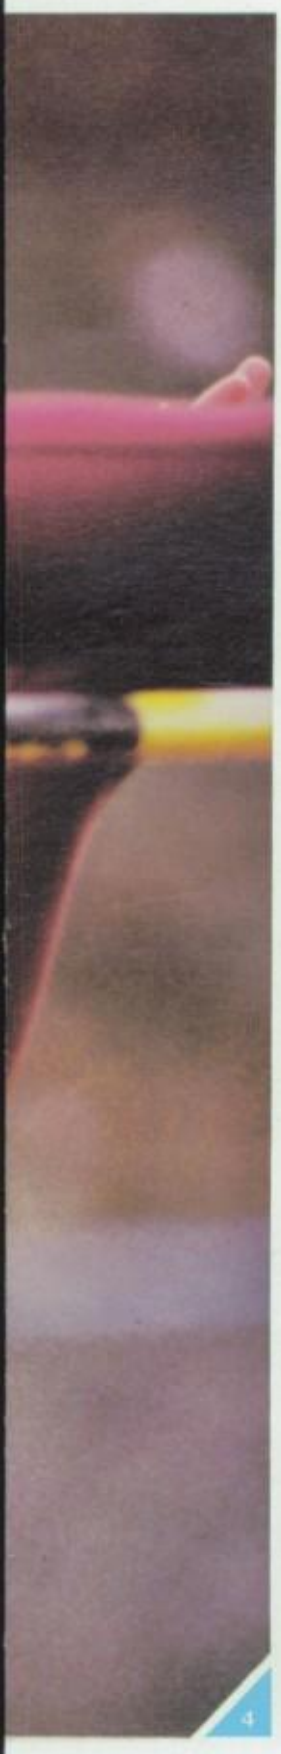
## The Girls' Track Team gained experience and worked together to have an impressive season

The 1987 track season was a time for the Dobyns-Bennett Girls' Track Team to rebuild. Although very few girls were out for track, the members of the girls' team worked hard together and improved as the season progressed.

Kelly Smelser had another successful season. She won the high jump at Florida Relays, setting a meet record of 5'5". She also broke the school record at another meet when she cleared 5'6". She competed in the 300 meter and 100 meter hurdles and was the third leg on the 1600 meter relay team that went to state. Kelly placed third overall in the TSSAA Pentathalon.

Whitney Ritter won the 1600 meter and 800 meter events in the big nine meet. At the Region Meet she placed second in both the 1600 meter run and 3200 meter run. She placed fifth at State in the 1600 meter and sixth in the 3200 meter.

The girls' 1600 meter relay team worked very hard to achieve state level. Theyy placed seventh with two rookies on the team. The team consisted of Crystal Huff, Rachel Jordan, Kelly Smelser, and Laura Wells. Others who performed well were: Crystal Huff in the 400 meter run; Meleka Sensabaugh in the shot put and discus; Melissa Garrett in distance. Crystal Huff also won the Most Outstanding Sprinter Award. In 1987 the girls gained valuable experience and should be more competitive next year.



This Page: 1) The 1986-87 Dobyns-Bennett Girls' Track Team. # Boys' Track

## Bryant Clevenger and Freddie Robinson lead the Boys' Team to a third place finish at state.

The Dobyns-Bennett Boy's Track Team lacked depth, but contained many outstanding performers. Although the boys did not capture the conference title, they ended the season with tremendous efforts at the TSSAA State Track Meet which placed them third overall. Senior Bryant Clevenger, was a big asset to the team this year. He claimed the conference, district, and region titles in both the shot-put and discus. After four years of performing competitively in these two events, he ended his senior year with a double win at state in the shot-put and discus.

Freddie Robinson, a new comer to track, had an excellent season. Dominating the area's distance races, he won the 1600 meter and 3200 meter events in the Region Meet. In the State Meet he won the 3200 meter run and placed third in the 1600 meter run. At the track banquet, Freddie received the Most Outstanding Distance Runner Award.

T.W. Peguese struggled through his senior year of track with injuries, yet managed to perform well in sprints and in the long jump. He received the Most Outstanding Sprinter Award at the banquet.

Bill Cave ran another strong season finishing second at Region in the 3200 meter run, and fifth at State in the same event.

Others who ran well were Mike Faulkerson in the 110 meter hurdles and 300 meter hurdles and the two-mile relay team which consisted of David Lively, Sean Gillenwater, Chris Morgan, and Matt Nealy. Azeez Nabih had a good year in the 800 meter run. The Boy's Team contained several competitive freshmen and sophomore runners enabling the team to be stronger in the conference year.

**THIS PAGE:** 1) Mike Faulkerson breathes heavily after his race. 2) Eric Salaita takes a nose dive onto the pole vault pit. 3) T.W. Peguese reveals his painful face as he experiences an injury. 4) Michael Adams prepares himself for the shot put. **OPPOSITE PAGE:** 2) The **1987 DOBYNS-BENNETT BOYS' TRACK TEAM — FRONT ROW:** Coach Coughenour, Chris Morgan, Eric Lyons, Sean Gillenwater, David Wilkerson, Todd Grills, and Coach McQueen. **BACK ROW:** Bill Cave, Stephen LaVarne, Michael Adams, Bryant Clevenger, David Lively, David Patton, and Matt Nealy. 3) The Boys' Relay team plans its strategy to win.

# Boys' Soccer

## Talented players lead Indians to conference title.

The 1987 Boy's Soccer Team won the conference title in a show-down with Central. All-State Chet Guest scored twice and another All-Stater, Chris Olney scored once to tie a physical Central team 3-3. Due to the tie game, Central had a record of 12-1-1 and D.B. had a record of 11-0-3.

The state wanted the conference champ to be decided by the flip of a coin. Coach Piercy knew who the better team was and asked the state to play a mini-game to decide the winner. The game consisted of two ten minute halves and a shootout if the game was tied.

The game turned out to be one of the most exciting in D-B history. Both sets of ten minutes passed by and the game was tied resulting in a shootout. The Indians missed their first shot, but scored the next four. Central missed one of their shots which tied the game again. Central's sixth shooter, Greg Stonecipher, nailed a shot which deflected off the lower left pole. That set up D-B's sixth shooter, freshman goalie Ryan Riggins, who placed his shot nicely in the back of the net to win the conference. D-B was therefore seeded number one going into the regional tournament.

1

2

3

The Indians gained a victory in the first game, but struggled to win in the second game. The tribe rolled past North on an 10-0 victory to advance on to play Johnson City. D-B struggled in the first half but came out strong to beat Johnson City, 2-0.

Tribe's next game was against, who else, second seed Central. The outcome of the first half was even. D-B was giving it all it had but took a rest on a Central corner kick, which was what Central was waiting for, and scored. The game ended with a Central victory but the Indians walked away with a lot of pride. "It's very hard to beat a team as good as Central three times in one season," said Coach Piercy. The Tribe ended an impressive season with a record of 13-1-3.

**OPPOSITE PAGE:** 1) **1987 BOYS SOCCER TEAM — FRONT ROW:** Jon Baker, Daniel Baker, Ricky Tharp, Rusty Easter, Ryan Riggins, Glenn Ward, Chet Guest, Chris Olney. **SECOND ROW:** Toby Shelton, Michael Smelser, Brian Stayton, Jeff McGee, Chad Riggins. **BACK ROW:** Russell Jackson, Jon Koontz, Chris Carmack, Greg Hernandez, Mark Smelser, Tom Florian, Wesley Lewis, Jon Harmon, David Gendron, Coach Piercy. 2) Glenn Ward attempts to score. 3) Chet Guest puts pressure on the Johnson City goalkeeper. **THIS PAGE:** 1) Glenn Ward puts a move on a Johnson City fullback. 2) Toby Shelton, Wesley Lewis, and Rusty Easter wait for the flip of the coin. 3) Jon Harmon shoots and scores. 4) Ryan Riggins prepares to punt. 5) The Indians go over their pregame strategy.

# Softball

## Girls' softball improves very much over the year.

Girls' Softball was a much improved team this year. The team was looking forward to achieving a winning record this season, but the loss of top pitcher, Misty Watson, during the last five games put an end to their hopes. The team finished the season with a 6-16 record. Carla Rhoton led the team in hitting along with Nikki Conner, an All-Conference honorable mention winner. The outlook for next season is good because of the loss of only 3 seniors and the addition of some capable upcoming new players.

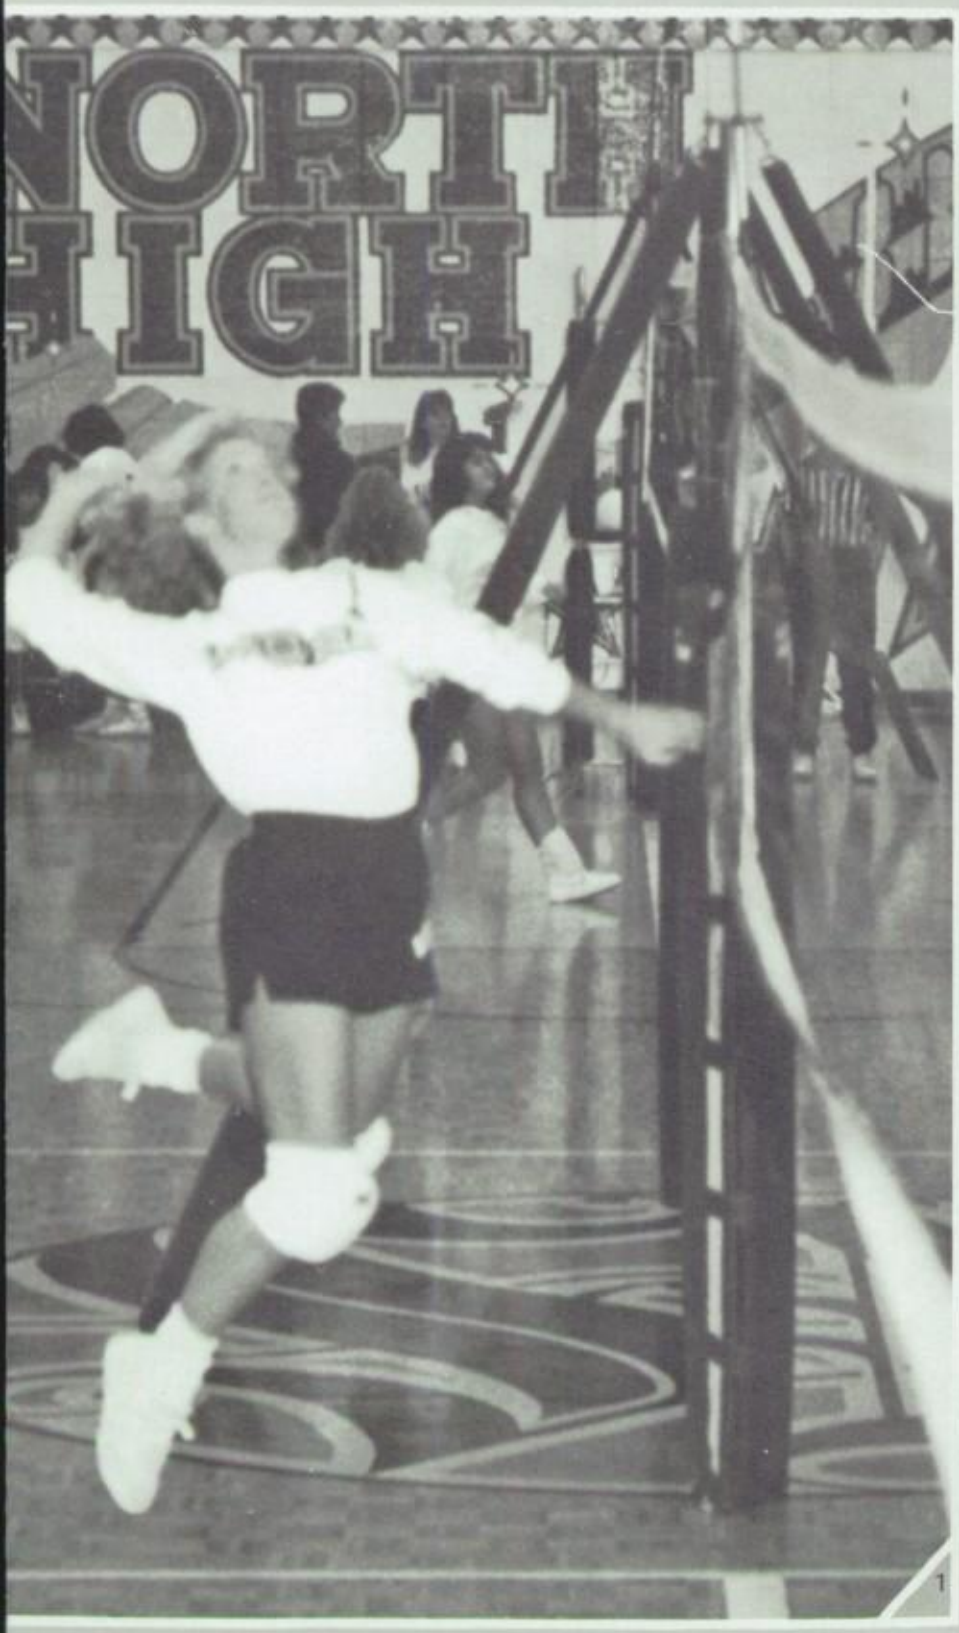
# Volley-ball



1

## With returning players, Lady Indians will be tough next year.

The Lady Indians Volleyball Team had a season record of 7 and 19. Although they were a very young team, starting with one junior, three sophomores and two freshmen, they returned three starters from last year's team. They were a hard-working team with a good attitude which helped them to continue to improve as the season progressed. Most of their losses were very close games, with six of them going three games. Tracy Faison was First Team All-Conference and Tessa Cox was an Honorable Mention. Several players played Junior Varsity as well as Varsity trying to gain experience for the upcoming year. With many players returning plus several new prospects and a good group of incoming ninth graders, the Lady Indians look toward another successful season.

2

3

# Varsity Football

## Hardwork, spirit, and dedication lead the Indians to another undefeated conference title.

FOOTBALL

Dobyns-Bennett Football once again lived up to its fans expectations. The 1987 Indians followed in the footsteps of last year's undefeated conference championship team. The tribe racked up nine victories with no losses at mid season. The State Championship-minded Indians clinched the Conference title by winning exciting games against Sullivan South, Science Hill, and Elizabethton. With the conference title behind them, the Indians then focused on the State play-offs.

DOBYNS-BENNETT — 31 DANIEL BOONE — 0

In their first game of the season Dobyns-Bennett handed Daniel Boone its first loss in the Big Ten Conference. Halfback Mike Faulkerson and quarterback Mark Williams keyed the Indians offense, Faulkerson scored three touchdowns. Included was a 3-yard run, a 75-yard punt return, and a 35-yard pass reception. Williams completed five of seven passes and scored one touchdown. Keith Huddle, and Darin Karst led the defense. Huddle was in on twelve tackles, and Karst had several tackles and two interceptions.

DOBYNS-BENNETT — 17 SULLIVAN SOUTH — 14

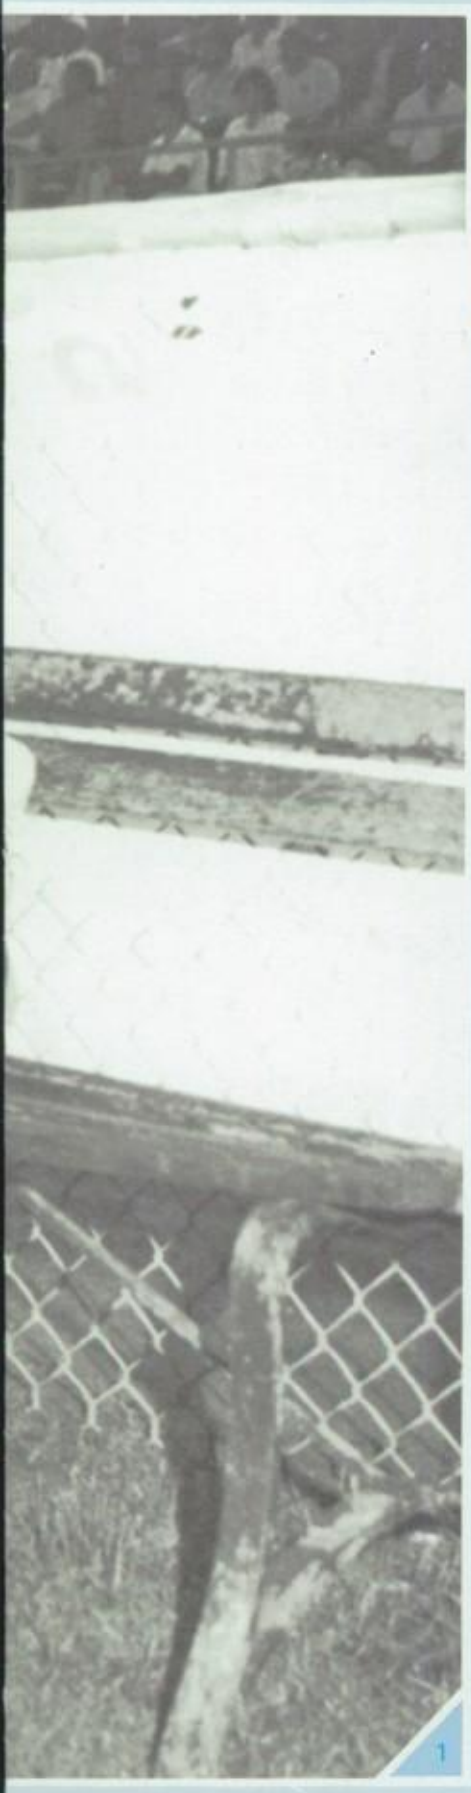
Dobyns-Bennett had to travel to "Death Valley" to battle the Rebels of Sullivan South. The Indians were impressive, moving the ball 70 yards on their first possession to pay dirt. Ronnie Releford scored from 3-yards out. Chris Barnes then added a field goal to put D.B. ahead 10-7. South countered with a 45-yard touchdown pass, then added another score to take the lead. D.B. came right back with a touchdown to put the tribe ahead to stay.

DOBYNS-BENNETT — 24 TENNESSEE HIGH — 7

Rain dampened the field, but not the Indians' style. A driving rainstormed accompanied by lightning stopped the game for over an hour in the third quarter. But neither the rain nor the Vikings' defense could stop the D.B. running attack. Mike Faulkerson and Ronnie Releford combined rushed for over 200 yards and each had a touchdown. Darin Karst had TD reception, and Chris Barnes added a 43-yard field goal.

DOBYNS-BENNETT — 41 SULLIVAN EAST — 0

Dobyns-Bennett piled up nearly 400 yards of total offense while allowing the Patriots only 52. Mike Faulkerson was responsible for 103 yards and two touchdowns. Eddie Cassell had 39 yards and a touchdown. Eric Miller caught a 20 yard



touchdown pass from Williams. When the reserves took over, Eric Saymen scored twice, once from 25 yards out, and again on a 1 yard leap. Williams completed five of seven passes for 83 yards.

DOBYNS-BENNETT — 41 VOLUNTEER — 18

Mark Williams brings the tribe back after being down 12-7. Williams threw two touchdown passes, completed nine of eleven passes and scored the Indians first two touchdowns. Mike Faulkerson with runs of 10 and 16 yards and Williams completed 50 yard pass combined for the Indains third score. Mike Faulkerson had two touchdowns including a 45 yard TD reception. Eric Sayman and Ronnie Releford also scored for the Indians.

***OPPOSITE PAGE:*** *1) Sean Light receives some first aid after being injured in the game.* ***THIS PAGE:*** *1) Michael Adams takes a breather during a hard fought game. 2) Tom Brooks concentrates on the game. 2) The Indians explode through the spirit sign made by the cheerleaders. 3) Mark Williams throws an off-balance pass. 4) The Indians battle with the Rebels.*

Dobyns-Bennett 34 —
Howard 0

Mike Faulkerson made Homecoming an exciting event for the Indians. Faulkerson ran 13 times for 113 yards and scored 3 touchdowns. He was running behind superior blocking from the offense line and halfback, Eddie Cassell, and was untouched on 2 of his touchdown runs. Defensively, David Salling and Keith Huddle were the standouts. The defense held Howard to a minus 43 yards.

Dobyns-Bennett 27 —
Science Hill 21

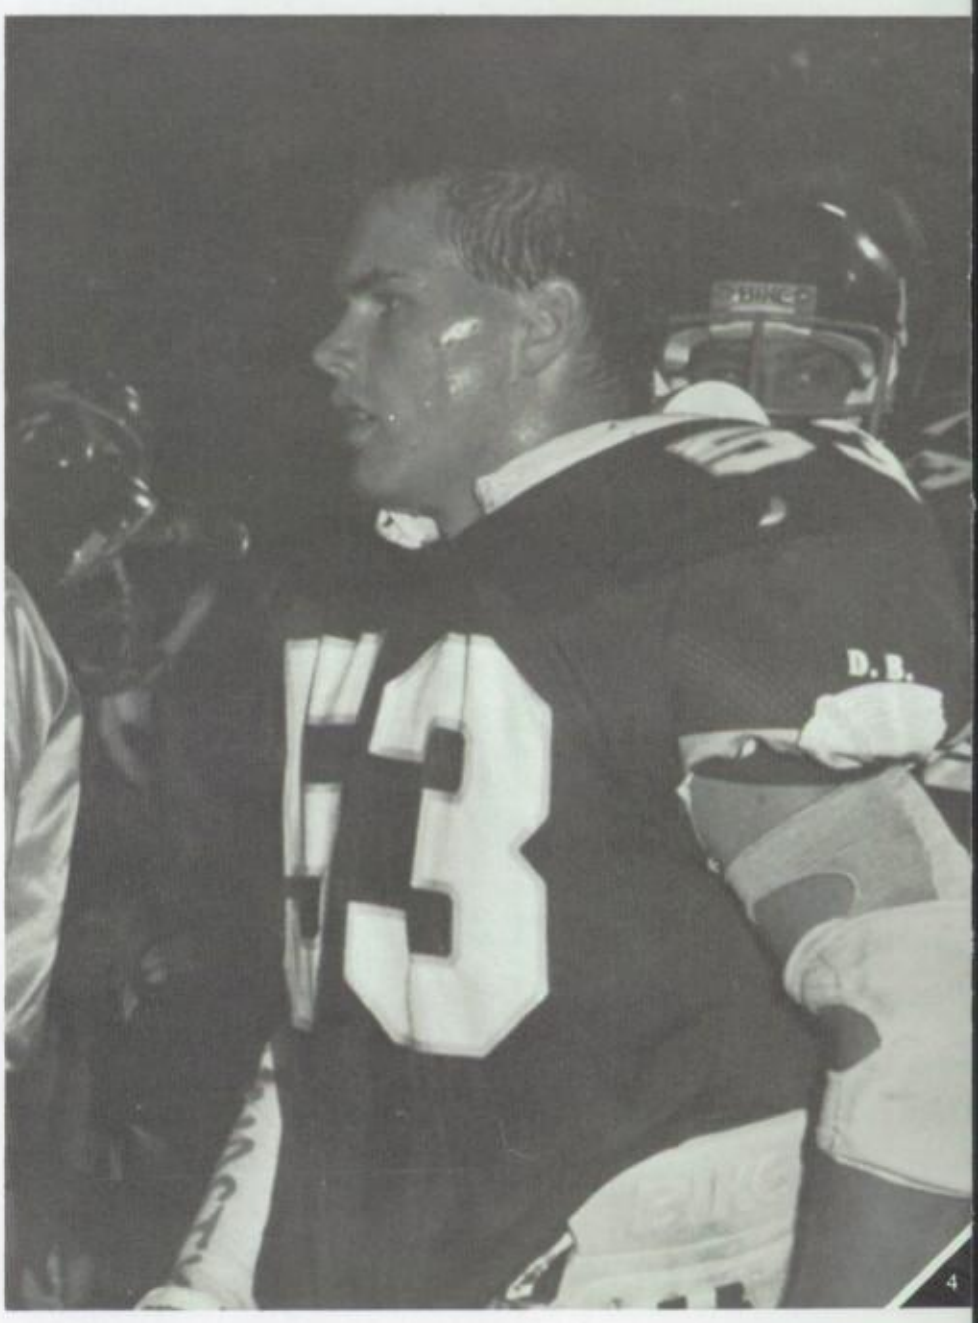
Three fumbles and 110 yards in penalties didn't make it easy but the Indians overcame their mistakes to beat the Hilltoppers. The Indians struggled the first half but when it was over, D.B. had amassed over 400 yards in offense and scored 4 touchdowns. Mike Faulkerson had 169 yards and one touchdown. Ronnie Releford added 129 yards and a touchdown. Mark Williams and Eddie Cassell also scored. Defensively, Eric Sayman made a key interception, Keith Huddle recovered 2 fumbles, and Brandon Sensabaugh recovered one.

Dobyns-Bennett 21 —
Elizabethton 7

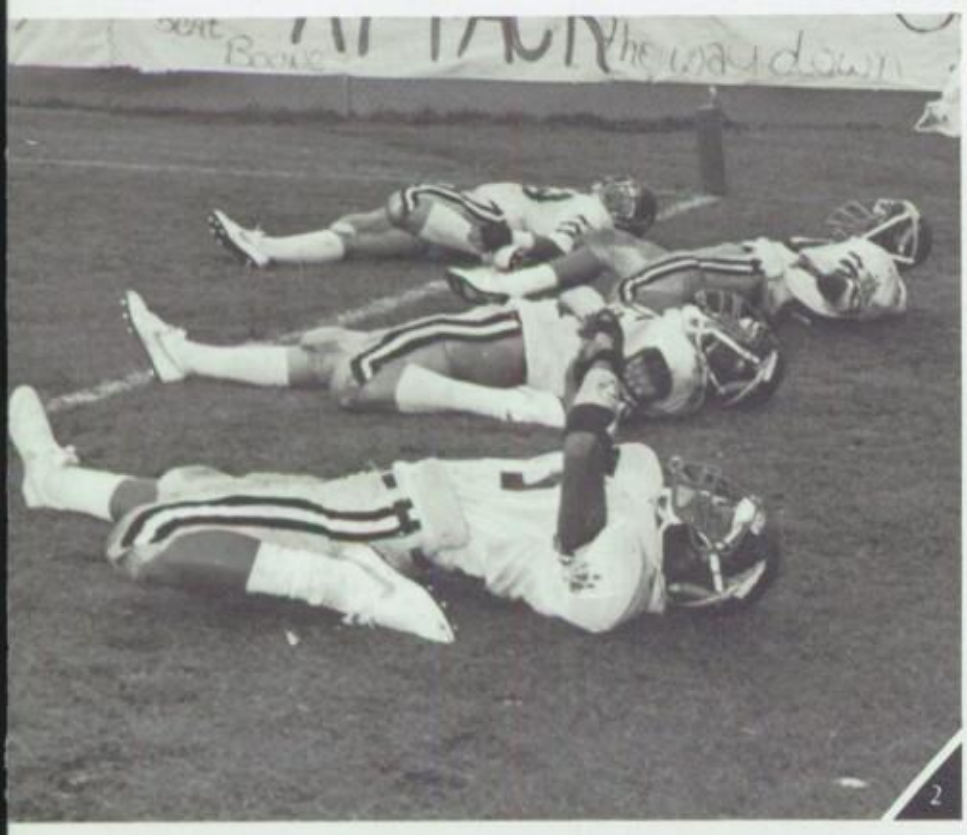
Elizabethton halted D.B.'s outstanding running game, but could not stop Mark William's awesome aerial attack. Williams completed 10 of 15 passes for 197 yards and threw 2 touchdowns. Eric Sayman caught 5 passes for 111 yards and one touchdown. Faulkerson scored the first touchdown on a 24-yard-pass from Williams. Releford scored the second on a 3-yard-run. Sayman scored the final touchdown by leveling defenders and running for 30 yards after a 15-yard-reception.

Dobyns-Bennett 42 —
Sullivan North 8

Mike Faulkerson and Mark Williams both reached the 1,000 yard milestone. Faulkerson reached his goal in just 12 carries; he gained 195 yards and had 2 touchdowns. Williams completed 5 of 7 passes for 90 yards and threw one touchdown. Eddie Cassell rushed 6 times for 105 yards and scored 2 touchdowns. Darin Karst scored on an 11-yard-pass from Williams. Defensively, the Indians held Sullivan North to 185 yards total offense, with reserves playing most of the second half.



*1) Mike Faulkerson plows through the Rebel defense. 2) Darin Karst finds some running room. 3) Ronnie Releford takes a breather during a tough game. 4) Keith Huddle waits intently to return to the field on defense.*



State Playoffs

Mike Faulkerson and Mark Williams lead the Indians to their first win in the playoffs. Faulkerson gained 144 yards and Williams threw for 91 yards. Eddie Cassell gained 53 yards to add to D.B.'s offense. Dee Riner lead the Tribe's defense with 11 tackles.

Dobyns-Bennett 14 —
Knox Central 20

Central opened up a 14-0 lead in the first quarter, but the Indians would not give up without a fight. Central's defense had shut down the running game so Williams went to the air completing 13 of 19 passes for 184 yards. The score was 14 to 7 with a few minutes left in the half with momentum in D.B.'s favor, when a Central Bobcat running back broke loose for a 73 yard gain. Two plays later, Central scored giving them a 20-7 lead at the half. The Indians scored in the third quarter but could not catch the Bobcats. "We lost to a great team," said Coach Wilson.

---

# JV Football

## Todd Grills sparks the offense; Ryan Riggins leads the defense

The Junior Varsity posted a record of 3-1, getting to play only four games out of seven. This year's team was balanced on both offense and defense.

The offense was led by quarterback Todd Grills. The offensive line was outstanding all year long, knocking the opponents off the ball late in the game. Kevin Miller and Lane Corum ran the ball for the Indians. Grills could always find an open reciever in Eric Lyons and Robbie Cox.

The awesome defense was led by Ryan Riggins, Russell Jackson, and Bobby Shockley. The defensive line was led by Jason Walton and Brian Vaughn who fought their way to the quarterback in every game. The tribe kept Daniel Boone to 100 yards of the teams to under 150 yards.

The coaches are hoping to go undefeated again next year and with a powerful offense and defense going to the varsity level next year, it should make the odds of three undefeated seasons greater.

# FROSH FOOTBALL

## Balanced offense and defense help tribe to a 10-0 record

The 1987 Freshman Football Team, under the coaching of Doug Wagner, Rodney Burton, and Tom Williams, had an undefeated season. The team posted an impressive 10-0 record.

The offense was led by quarterback Bo Bellamy. Willie McClain and Bryce Sykes ran through gaping holes provided by a good offensive line. Bellamy always seemed to find an open receiver in Justin Quillin.

Defensively, Preston Sensabaugh seemed to make the big plays when the tribe needed them. The Indians played great defense all around. The tribe should have another outstanding season next year.

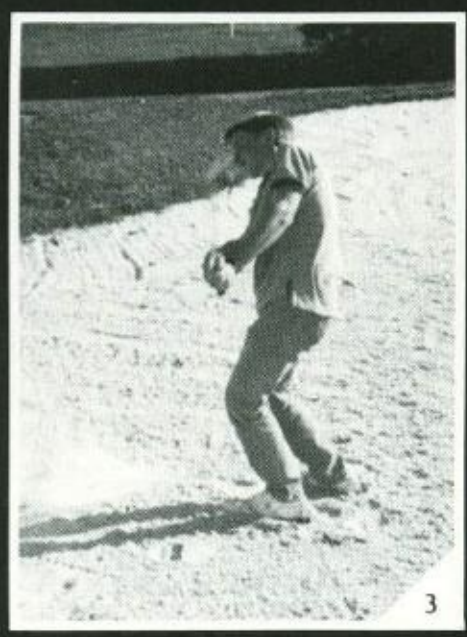
# GOLF



## Scott Sullivan and Porter Smith lead team to 70-6 record.

The 1987 Boys' Golf Team completed its most successful season in over a decade. The boys finished the year with a 70-6 record, which included wins in the Conference, District, and Regional Tournaments. Scott Sullivan placed first in the conference, while Porter Smith, Tripp Barnes, Steven Smith, and David Edwards took theother four of the remaining six All-Conference spots. Porter Smith led the team to victory at the District, while Scott Sullivan combined with Smith to clinch a berth at the State Tournament with a win at the Regional. The team also placed second at the highly competitive Morristown Invitational behind Sullivan's sixth place finish. The team ended the year with a disappointing sixth place finish at the State Tournament in Nashville in sub-freezing temperatures. Simon Kelly also contributed a great deal to this year's successful season. The team looks forward to another successful season next year.

# GIRLS' SOCCER

## Despite injuries girls' team has outstanding season.

The Dobyns-Bennett Girls' Soccer Team had an outstanding season despite their final record. With conference title hopes for most of the season, the Lady Indians ended up losing the title game by one goal. Injuries to Donna Kilgore and Betsy McTier limited the team's performance. However, with four All-Conference and four All-Region players, the team played everyone tough. Making All-Conference were Laura Williams, Carrie Thornton, Beth Bumgarner and Kelly Smelser, and making All-Region were Laura Williams, Carrie Thornton, Beth Bumgarner and Precia Parker. Although Coach England lost seven seniors he expects to have one of the best junior teams next year.

# BOYS' X-COUNTRY

The 1987-88 Boys' Cross-Country Team ended their season with a second place finish at State behind by only three points to the winning team. They once again beat area teams to win the Conference and Region Crowns. Working through some injuries and illnesses, overall the team worked hard and competed well in the meets.

Bill Cave had a tremendous season winning the Trailblazer Invitational, Conference and Region titles and placing sixth at State to become All-State in Cross Country.

Running on and off throughout the season due to a sprained ankle, Freddie Robinson finished eleventh in the State Meet. Freddie received All-State Honors and was the key to the team's second-place finish.

Chris Olney, Kevin Odiorne, Stephen Matlock and Chris Morgan all received All-Conference titles and were the backbone to a successful team.

Running also on the varsity team was David Wilkerson and Daniel Baker. Winning the JV Region title was Kevin Pierce with Jimmy Hagy just behind him.

Although Coach Coughenour will have lost several talented seniors such as Bill Cave, Freddie Robinson, and Chris Olney, he should have alot to work with next year.

*__THIS PAGE:__ 1) Bill Cave is the ultimate runner, pushing himself to the limit. 2) __FRONT ROW:__ Coach Coughenour, Kevin Pierce, Bart Davis, David Wilkerson, Jimmy Hagy, Kevin Odiorne. __BACK ROW:__ Daniel Baker, Freddie Robinson, Todd Johnson, Chris Olney, Stephen Matlock and Chris Morgan. 3) Chris Olney leads a pack of competitors. 4) Daniel Baker follows close behind a tough runner.*

# GIRLS' X-COUNTRY

1

2

3

The 1987-88 Girls' Cross-Country Team fared well at meets while gaining experience for next year's team. The girls' team easily dominated all area teams when they captured the Trailblazer Invitational, Big Ten Conference, and Region I Titles. During the season the girls traveled to compete in tough meets, such as the Furman Invitational, to prepare themselves for the State Meet. In high hopes of winning, they placed fourth at the State Meet due to some illnesses on the team.

All seven varsity runners were named All-Conference, and six runners received All-Region honors. Whitney Ritter placed fourth at State to be named All-State in Cross Country.

Three freshmen, Carla Copenhaver, Shannon Barnes, and Suzie McCort, gave the Lady Indians depth to their team. Carla Copenhaver, who placed third in the Conference and Region Meets just behind Whitney Ritter's second place finishes, should lead the team next year.

Two rising seniors, Kathy Hubmann and Jenny Marasia, gave great effort throughout the season and will help to lead the team to victories next year. Melissa Garrett, a sophomore, also competed well for the team. Whitney Ritter is the only member leaving the team so the girls should be strong and ready to go for the state title next year.

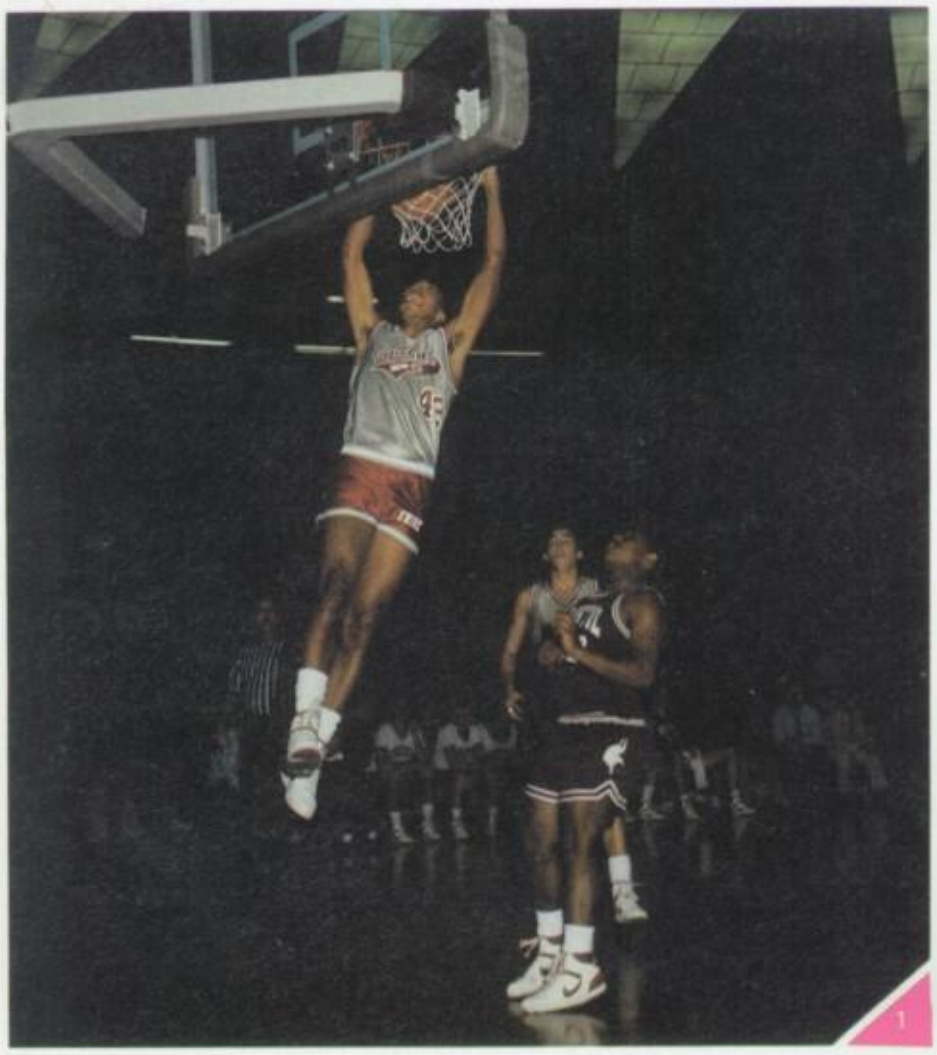
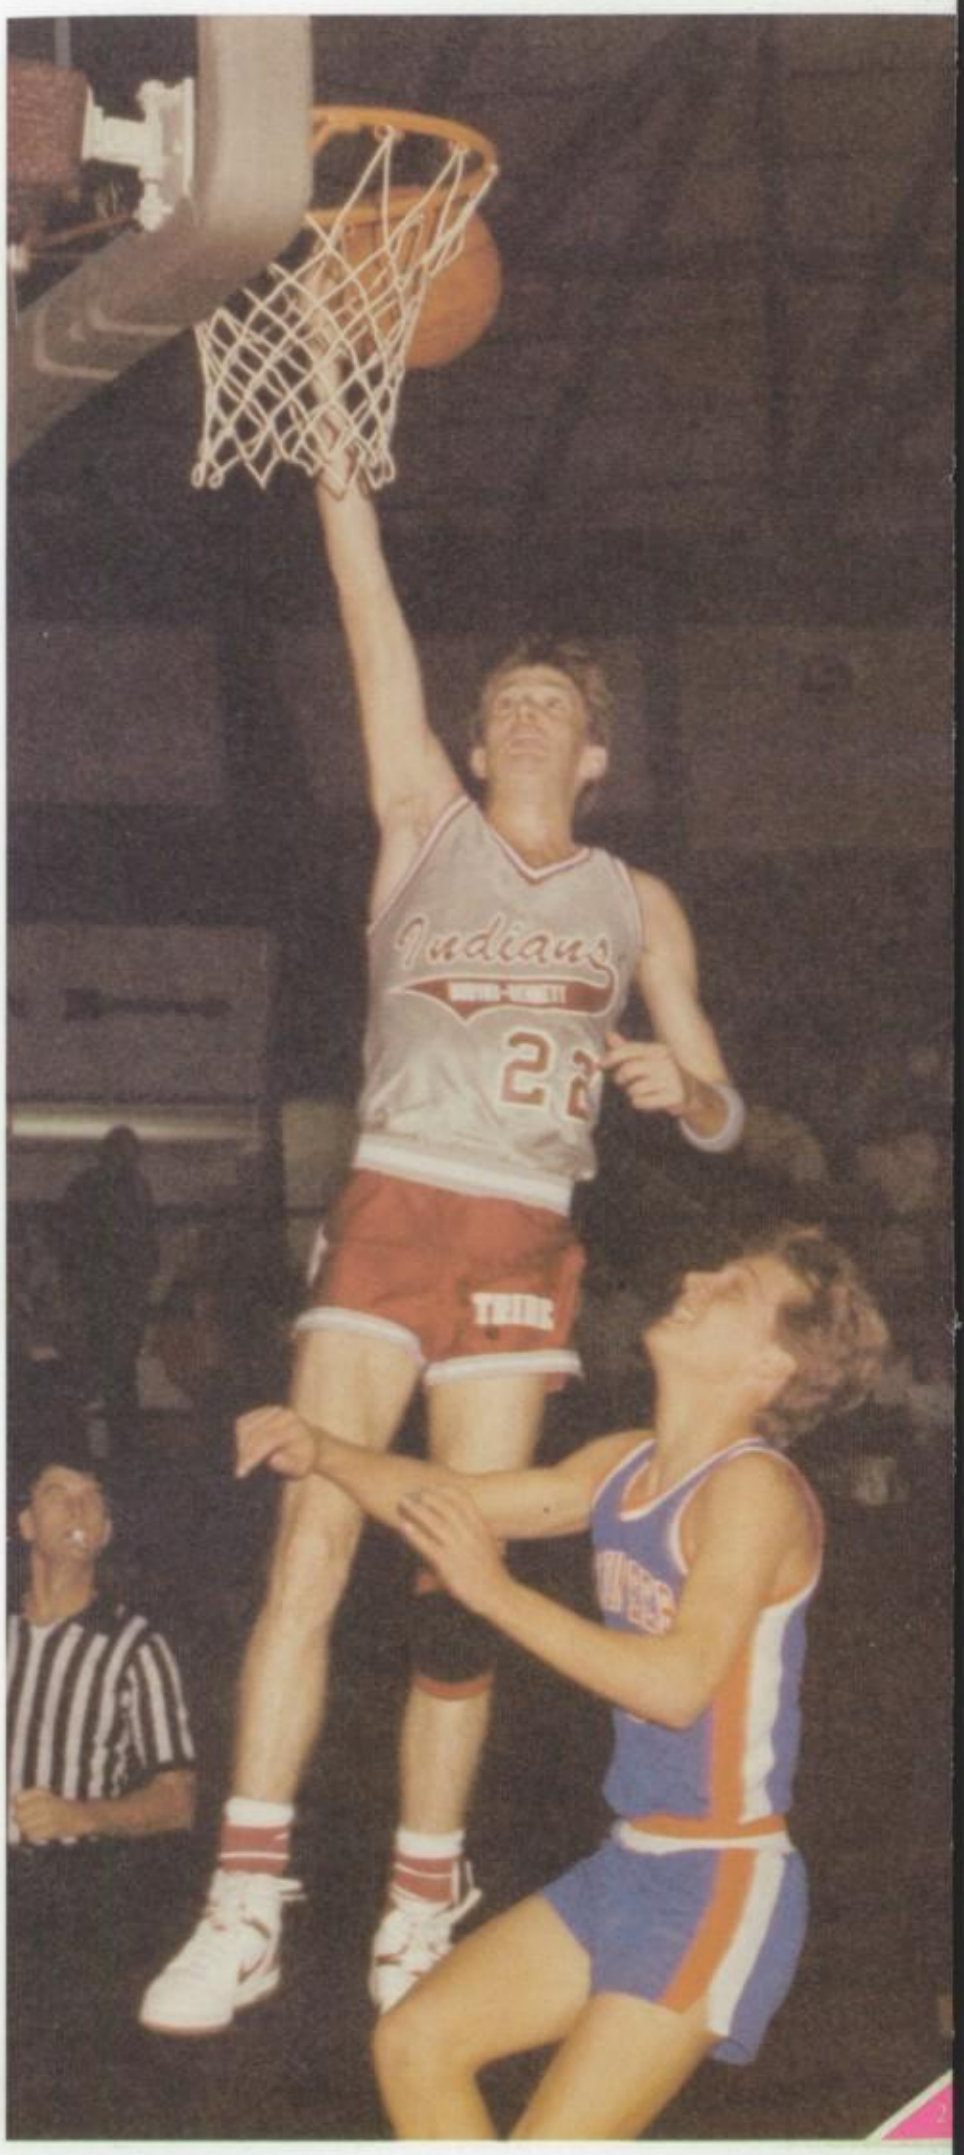
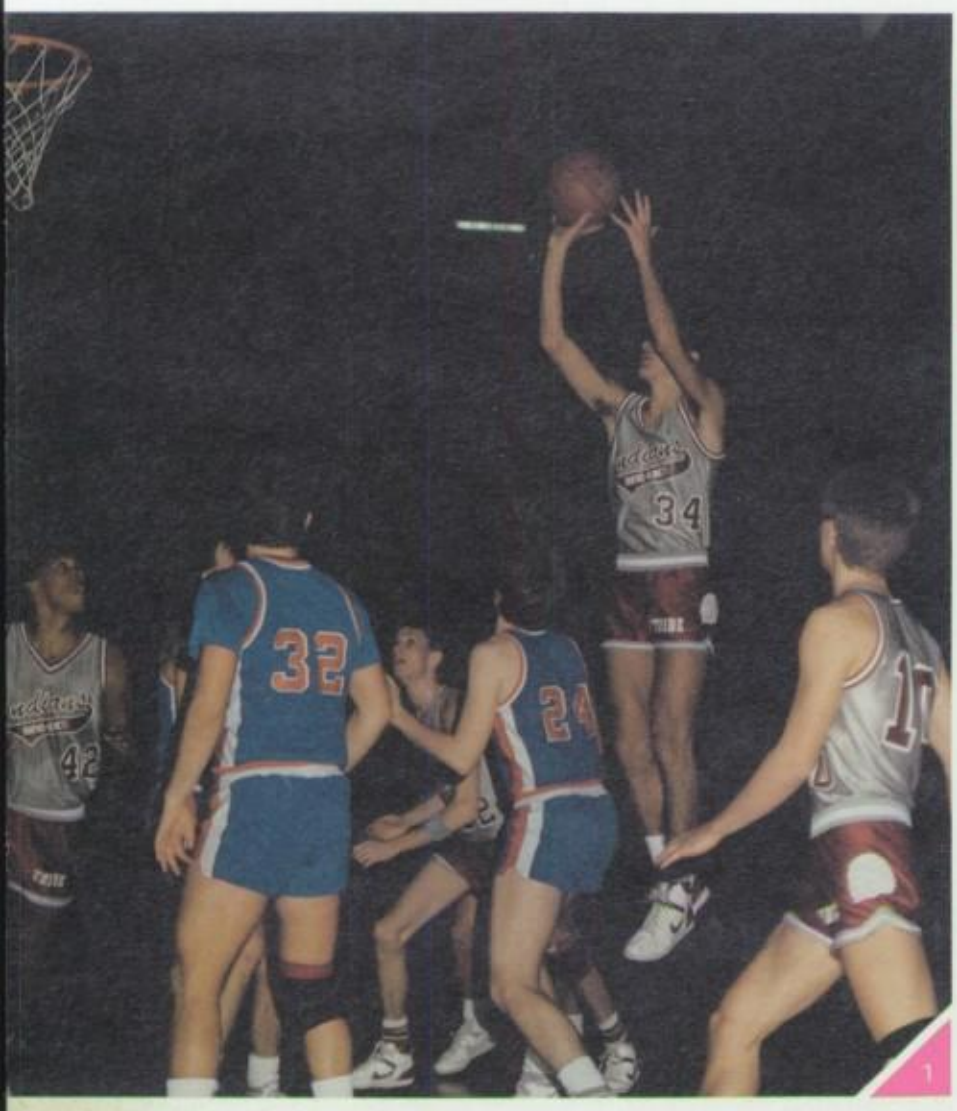
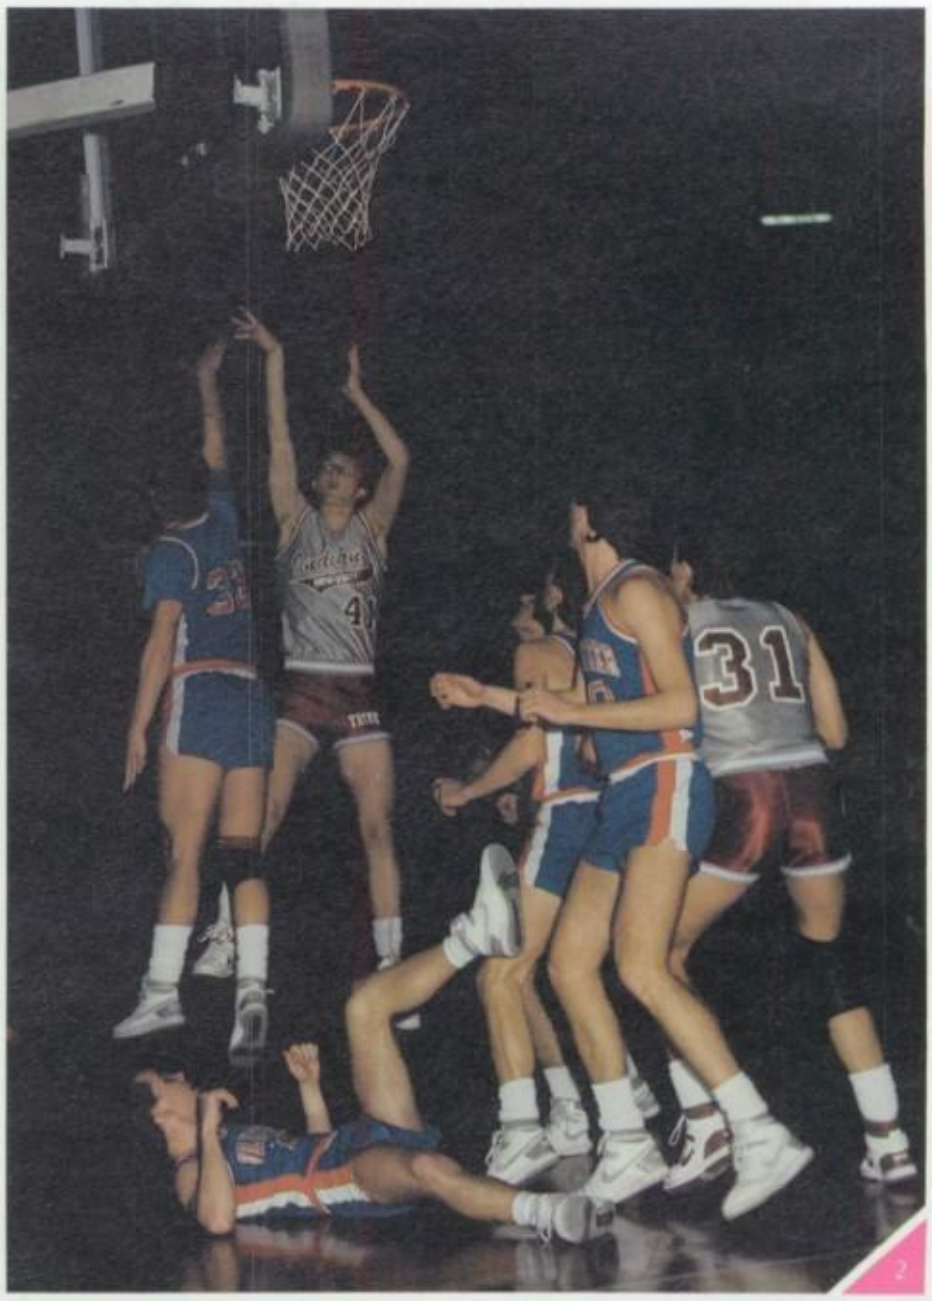
# VARSITY BASKETBALL

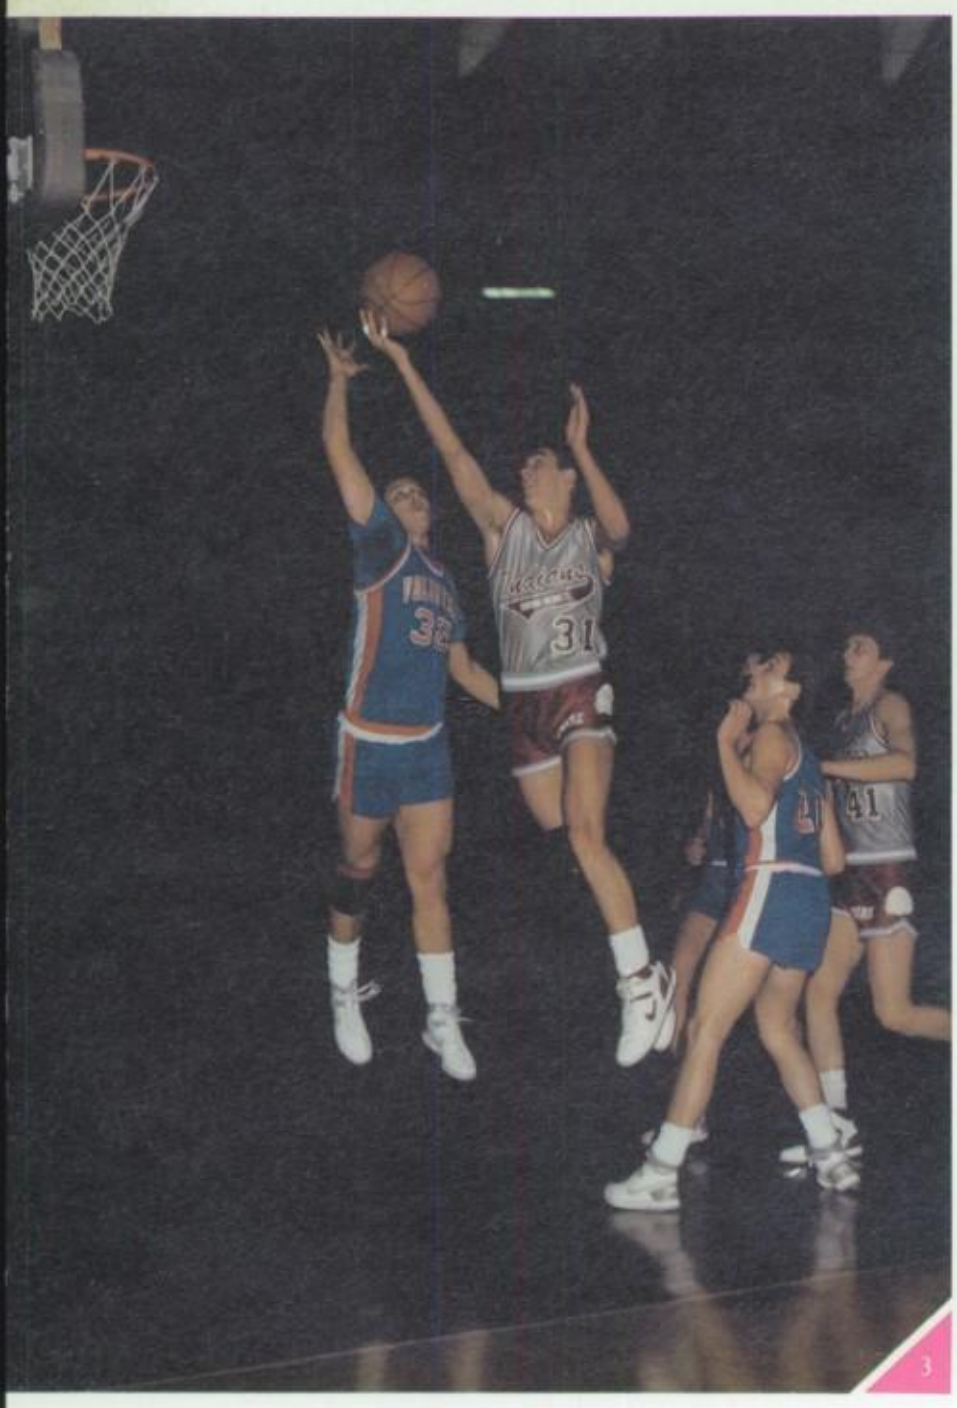
Varsity Basketball at Dobyns-Bennett had its ups and downs early in the season. The Indians started the season with an easy win over Hampton. The Tribe then traveled to Cherokee High School to be upset by a very aggressive chief's team. The Indians then won by an impressive margin over Morristown West in front of the student body. The Tribe added another victory at Chattanooga Kirkman before opening conference play at Volunteer. The Indians beat Volunteer and then got a victory on an international level, when the tribe beat an impressive team from Canada. The Indians then earned three conference victories against Central, East and North before falling to the Hill Toppers of Science Hill. The Tribe bounced back with a sweet victory over Morristown West in a pressure game in front of their school. The Arby's Classic was disappointing for the Indians. The team lost two straight games and were eliminated from the tournament. The Indians, embarrassed by their showing in the Classic, were quick to redeem themselves by beating Boone in a close one on the Trail Blazers' home court. Arch rival Sullivan South and the Cyclones from Elizabethton also fell to the Tribe, leaving the Indians tied for first in the conference after the first round.











***OPPOSITE PAGE:*** *1)Sherman Hoard rams it through the goal. 2)Mickey Seaver gets up for the dunk.* ***THIS PAGE:*** *1)Rick Webster gets off the jump shot. 2)Alex Green puts a shot off the glass. 3)Ken Bonifay takes the ball to the hoop. 4) Varsity Cheerleaders lead the crowd in supporting the Indians.*

The Indians started the second round of conference play by cruising to an easy victory over Volunteer. The next game, however, the Tribe had to face the fired-up Cougars of Sulivan Central on their home court. D.B. lost the game on a controversial call at the buzzer, but did not lose the hope of a conference title. After the loss, the Indians whipped East at home and then traveled to North to pick up another conference win. Science Hill came to Kingsport the next week to see who would share the first place seat with Central. D.B. won the game and Science Hill fell to second place as D.B. remained on top. Daniel Boone, Tennessee High and Sullivan South also fell to the Indians before an impressive shooting team from Gate City put an end to the D.B. winning streak. The Indians next win was an outstanding come-from-behind win over Elizabethton who had a 20 point lead at one point in the third quarter. The Indians ended the regular season getting revenge on Cherokee, who had upset the Indians earlier in the year.

The District Tournament was next for the Indians, who won the first place seed on a coin toss with Conference Co-Champion, Sullivan Central. The Indians first game was with the very tough Elizabethton Cyclones. D. B. won the game in overtime by two points. The Indians next game was with the Toppers of Science Hill for the District I Title. D.B. lost the game suffering their first loss at home during the '88 season.

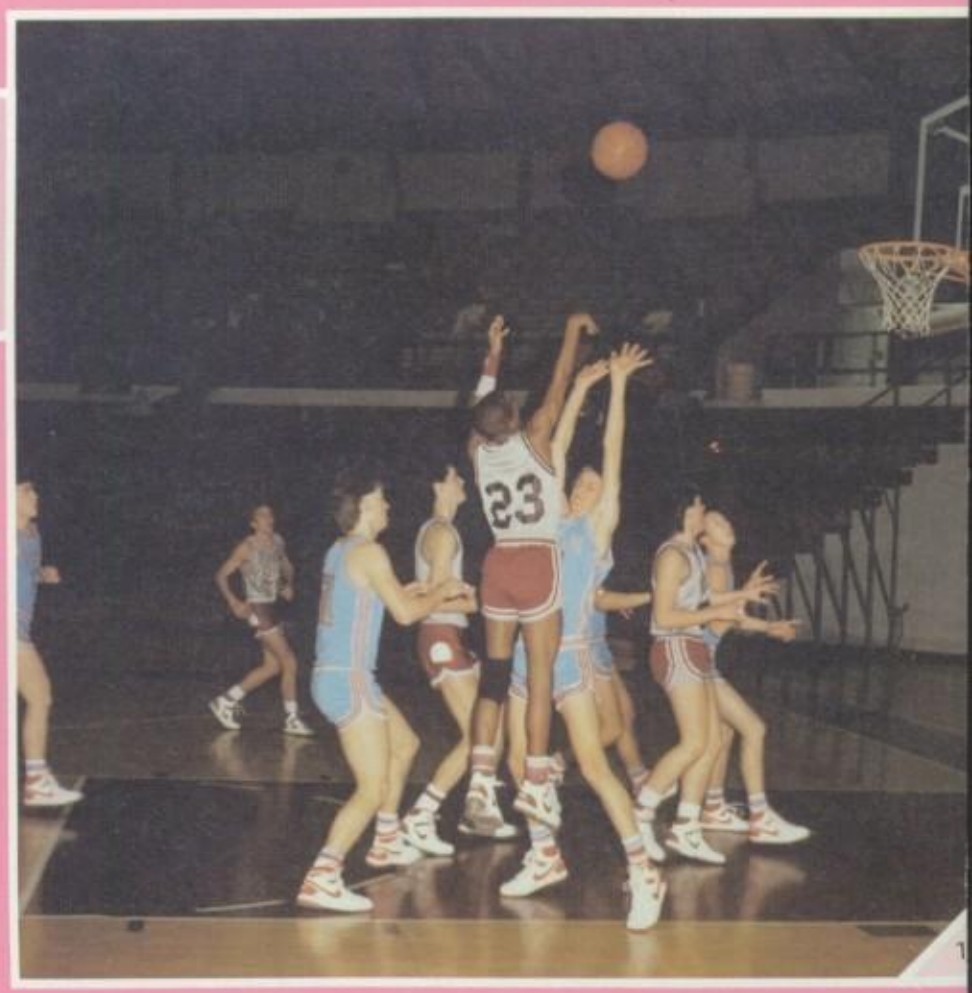
# JV BASKETBALL



## Boys' JV squad places third in Conference with a 19-10 record.

J-V Basketball has always played an important part in the success of Dobyns-Bennett. This year was no different. The Tribe completed the season with an impressive record of 19-10. The Indians finished third in the Big 10 Conference and also finished third in the J-V Tournament.

Individually the J-Vers were led by sophomores Tommy Dalley and Brad Hammond who made the All-Tournament Team. The big man under the boards was Adam Stout. Junior Ray Bennett and freshmen Travis Pierson, Jason Buchanan, Billy Steadman, and Jeff Roberts also helped the Indians continue the winning tradition.

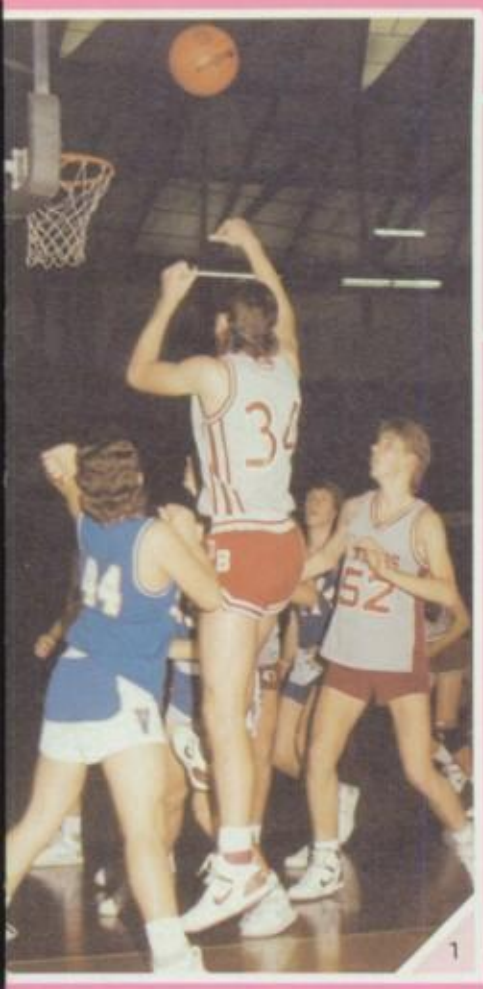
# FRESHMEN BASKETBALL



The Dobyns-Bennett Freshmen Basketball team had a great season. Under the coaching of Richard Kitzmiller, the Tribe posted an impressive record of 16-4.

The Indians' only loses came from South, Elizabethton and from Science Hill. The team's first loss came against a tough South Rebel team in overtime. Elizabethton gave the Tribe their second loss. D-B placed second in the District Tournament with another loss to South in the championship game. In the Invitational Tournament, the Indians lost their first game to Science Hill, but in their third showdown with South, the team showed a lot of pride by beating them in the consolation game and coming in third place.

# WRESTLING

The Dobyns-Bennett Wrestling Team had a tough year in 1988. In spite of a record of 0-12, the Tribe were impressive individually.

Lincoln Williamson (119) and Dustin Waugh (112) provided strong leadership with records of 32-5 and 21-8-1. Williamson compiled a record of 70-7 in his two years of wrestling. Both grapplers placed on the All-Conference Team, and in the district and regional meets. Lincoln Williamson also placed third in the state at 119 and for the second year in a row, made All-State.

Other grapplers making All-Conference were Kevin Miller (152), and Eric Anderson (135). They also placed in the District I Tournament along with Jon Baker (130), and James Huff (140).

With Williamson and Waugh returning, the Indians should be competetive next season.

# BASKET BALL

The 1987-88 Dobyns-Bennett Girls' Basketball team had a record-breaking season. Their 23-8 game record gave them the first twenty-game winning season in the history of DB girls' basketball. The team clinched both the Big 10 Conference Title and the Sullivan County Tip-Off Tournament. The girls were third in the district and semi-finalist in regional play.

The seniors on the team were Katie Dahl, Kelly Smelser and Shana Wright. Josh Mills, a newcomer to the team, led the Lady Indians through the season. She was named Lil' Caesar's Christmas Classic All-Tournament, District and Regional All-Tournament, and Big 10 Conference Most Valuable Player. Shana Wright received District and Regional All-Tournament honors. Kelly Smelser and Tracy Faison received Honorable Mention in the Big 10 Conference.

Under the direction of Coach Fowler and Coach Danko, the team worked hard throughout the season to improve last year's 15-5 record. Although the team will lose three important seniors, it should be able to defend its Big 10 Conference title next year.

# JV GIRLS' BASKETBALL

## The Junior Varsity Squaws battle a trying season.

The 1987-88 Junior varsity squaws worked very hard this season with their new coach, Coach Beals, who transferred here this year. The squaws ended the season with a record of 9-10. Outstanding players in rebounding and scoring were Jana McMurray, Cathy Wagner, Debbie Allen and Marci Berry. Leading the squaws in assists were Tessa Cox, Jana McMurray and Tanya Pangelinan. The team consisted of mostly freshmen and is looking forward to bigger and better things next year.

# GIRLS' SWIMMING

The Dobyns- Bennett Girls' Swim Team had an excellent season this year, their dual meet record of 10-2 proves this. They earned second place in both the Big Ten Relays and in the Big Ten Conference Championships. Conference champions on the team were Paige Parham, Cassie Mueller, Brooke Ward and Amy Brehl in the 200 medley relay, Brooke Ward in the 100 butterfly and 50m. freestyle, Cassie Mueller in the 500 freestyle, and Wynne Tyree in 1-meter diving. The team also placed well in the Emory Invitational. In the Tennessee State Championships the 400 Freestyle Relay consisting of Blair Blakenship, Anne Marie Tustin, Cassie Mueller and Brooke Ward placed seventh and Wynne Tyree placed ninth in 1-meter diving. Brooke Ward was state champion in the 100 freestyle and the 100 backstroke. Brooke Ward leaves her senior year undefeated in both dual and conference competition. Although the team is losing valuable seniors, they are looking forward to another great season next year.

# BOYS' SWIMMING

## The Boys' Swim Team finishes undefeated in dual meets.

The 1987-88 Boys' Swim Team had yet another winning season this year. The team had an impressive dual meet record of 12-0. They were also the winners of the Big Ten Relays and of the Big Ten Conference Championships. The team had many conference champions. They were Jason Connelly in the 200 Freestyle, J.J. Chitwood in the 500 Freestyle, Leroy Leonard in the 100 Backstroke, Matt Cornell in the 100 Breaststroke, and the 200 Medley Relay consisting of Leroy Leonard, Matt Cornell, J.J. Chitwood and Jason Connelly. The Tennessee State Championships brought many good things for the team. J.J. Chitwood placed eighth in the 200 Freestyle and tenth in the 100 Breaststroke. Jason Connelly earned eighth place in the 50 Freestyle and sixth in the 100 Freestyle. In 1-Meter Diving at the state meet, Jonathan Roberts placed ninth and Matt Wright placed eleventh. Next year's team should prove to be as tough even with the loss of a few seniors.

# INDIAN FANS

## FANS AN IMPORTANT KEY TO D.B. TEAMS

FANS continued to play a vital role in Dobyns-Bennett athletics. D.B.'s athletes performed very well this year and the fans were always there to cheer them on every step of the way. These faithful supporters of the Maroon and Grey ranged from students past and present to parents, teachers, and interested Kingsport citizens. Each came to support his favorite sport and was willing to battle the elements to do it. No matter what the sport or weather, Dobyns-Bennett fans were faithful and backed their teams — all the way.

*1) Donna Slaughter cheers the Indians on. 2) Loyal fans weather the storm to see the game. 3) Sherry Matlock, Aimee Depew and Missy Smith seem to enjoy the game. 4) D.B. students having a great time watching the game and just being with friends.*

# CHEER-LEADING

## VARSITY SQUAD HAS SUPERIOR SPIRIT

Again this year, our varsity cheerleaders surpassed all others. They proved this to all squads at cheerleading camp where they earned the Most Spirited Squad Award. They even proved it to us, the student body, at football and basketball games where their spirit spread through the crowds and helped us to cheer our team on.

Two new changes occurred this year on the cheerleading squad. With the addition of male cheerleader, Rondon James, the cheerleaders were able to perform acrobatic skills that they were unable to demonstrate before. Also this year there was no single captain, but several captains. Each game a different cheerleader was appointed captain and was in charge of getting everyone ready for the game. This method obviously worked because our cheerleaders did a great job of boosting spirits at each and every game!

*1) Jay Anderson, Sarah Slaughter, Mia Robinson, Leah McConnell, Sharon Hagy and Holly Czoka enjoy themselves at camp. 2) Varsity Cheerleaders enthuse the crowd at a pep rally. 3) The* ***1987-88 VARSITY CHEERLEADERS;*** *Mia Robinson, Sarah Slaughter, Elizabeth Davis, Tina Gaines, Holly Czoka, Leah McConnell, Jay Anderson, Rondon James and Sharon Hagy. # CHEER-LEADING

## JUNIOR VARSITY AND FRESHMEN CHEERLEADERS LIFTED THE SPIRITS OF THE INDIAN FANS.

The Junior Varsity and Freshmen cheerleading squads performed well this year. Both squads spent many hours during the summer months of June and July preparing for the school year. Each squad attended cheerleading camps during the summer, where long hours of practice paid off. The squads brought back excellent and superior ribbons and spirit sticks.

Throughout the school year, the cheerleaders spent much time painting signs for the games, planning pep rallies, and special activities for the teams. Being a cheerleader not only required cheering, but also required time, effort, and hard work.

***OPPOSITE PAGE:*** *1) Junior Varsity Cheers at a pep rally. 2)* ***The 1987 JUNIOR VARSITY CHEERLEADERS: FRONT ROW:*** *Lesia Ratliff, Missy Kennedy, Beth Johnson.* ***SECOND ROW:*** *Rebecca Nickels, Kristie Keplinger.* ***BACK ROW:*** *Kristie Riner, J.J. VOLLEYBALL
SOFTBALL

Athletic excellence at Dobyns-Bennett is a tradition that players, coaches, and fans take pride in continuing.

Winning has become a tradition at Dobyns-Bennett. Dobyns-Bennett's winning attitude combined with hard work and dedication have made it the area's top school in many sports. The Senior Class of 1988 took this winning tradition to heart and made every effort possible to continue it. In the years from 1984 to 1988, D.B. won two state titles in soccer and one in swimming. Other teams such as cross country and track won either conference, district, or regional titles several times in the past four years. Football, basketball and baseball made a strong showing in the conference in past years with all three teams winning the conference title in the 1986-87 school year. Golf, wrestling, and tennis all won at least one conference title in the last four years and each team improved with every season. There is no doubt that the class of 1988 kept the winning tradition going or that the winning tradition will continue for years to come.

PLUNGE INTO . . .

# ACADEMICS

Plunge into . . .

the stack of books that compile the academic program at Dobyns-Bennett. Academic excellence at D.B. enabled it to stand out form other high schools; so much, in fact, that D.B. rose into the top ten.

For most students like Bryan McKinney, "the education program at D.B. satisfies an insatiable hunger for knowledge." The teachers are just as vital as the students. Teachers are firm believers in trying to make D.B. the best. "We have academics as fine as anywhere in the Southeast," states math teacher, Mrs. McClelland.

Six classes and teachers attempted something new academically at D.B. this year — a program called Positive Reinforcement. This program involves academic encouragement through rewards to individuals and classes as a whole. If Positive Reinforcement is proven successful, D.B. could gain fame. D.B.'s involvement in Positive Reinforcement is proof that a challenge has been accepted to make an already prestigious school even better.

*1) Ken Bonifay, Jay Bentley, and Tony Hubbard make a good work force in Graphic Arts. 2) Robby Hunt puts the finishing touches on his project. 3) Michelle Vodenik and Tricia Kelly assist each other in the completion of a piece of pottery. 4) Shien Ju Tsao, Carrie Thornton, and classmates listen to some fashion merchandise tips. 5) These tuba players show us that home is not the only place where they practice. 6) Russ Hubbard volunteers to model the face paint applied by Mark Newman. 7) Adrianne Stewart concentrates during a math lecture. 8) These Spanish students work on a new vocabulary lesson.*

"We must move on towards the future."

# Central Office

Dr. Charles Tollett, who recently moved to Kingsport, enjoyed his new job as Superintendent of Schools. He was formerly the Dean of Cleveland State Community College. He has also taught from primary to university levels. Dr. Tollett enjoys tennis, traveling, camping, and reading. What does he think of Kingsport? "I love it." He feels that the people of Kingsport are friendly, aggressive, and very active. Dr. Tollett remarked that he was impressed with the quality of both employees and students in the Kingsport City School System. Nevertheless, he added, "We cannot stand still, we must move on towards the future." He feels that we should not dwell on our mistakes, but must make progress.

Dr. Tollett believes that people must strive for their goals. In order to achieve, one must dedicate himself and work. "People who wait for their ship to come in will be at the airport when it comes" stated Dr. Tollett. With these positive and realistic attitudes, Dr. Tollett hopes to improve an already great City School System.

# Administration

Students at Dobyns-Bennett had always viewed their administrators as typical everyday leaders in education. They wore appropriate attire and acted very professional. Students did not realize that the administrators were just like them — they had fun, too. Each one had another world besides sitting behind an office desk. Yes, the Dobyns-Bennett administrators were talented, easy-going, creative and some were even stylish. They enjoyed activities with family and friends just like the students. Administrators were devoted to their jobs but also found time to enjoy themselves.

# Guidance

The Guidance Counselors at Dobyns-Bennett were a crucial part of the student's curriculum and learning. They aided in SAT testing, applying for scholarships and finding financial aid. They also guided students through the confusing maze of scheduling. For seniors, they helped with prepared computer programs about colleges and offered a wide assortment of college catalogs. The Guidance Department played a vital part of Dobyns-Bennett academics.

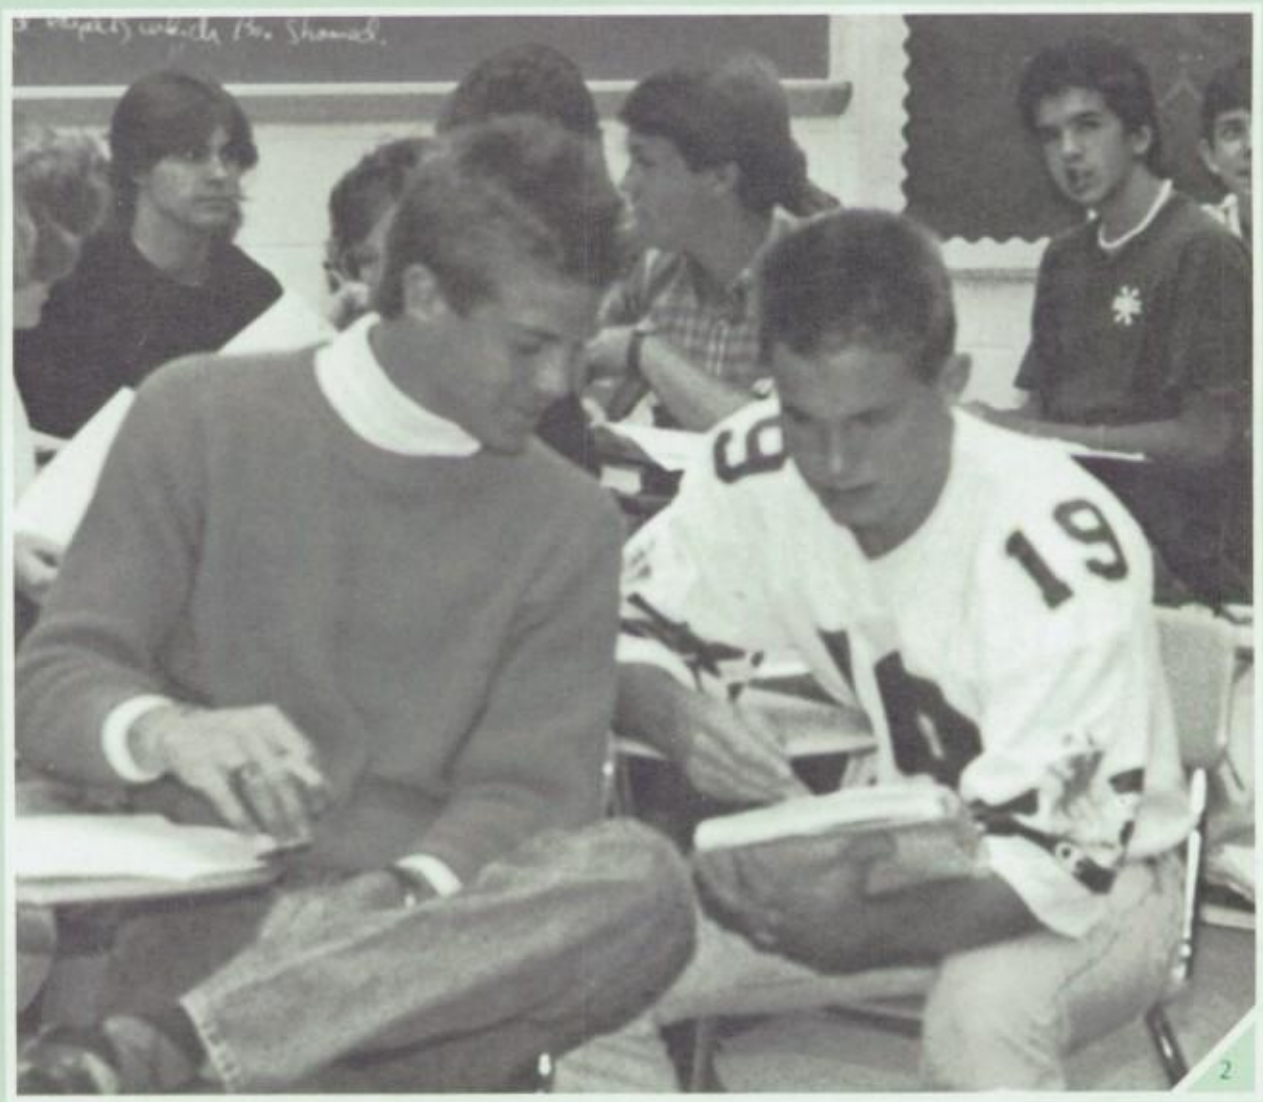
# English

Most English teachers said that the vocabulary was the most important part of a student's high school career. This might have been true, but most of the words had more than one meaning:

1) Plot
   a) A point of a graph
   b) Sequence of events
   c) Place of burial
2) Character
   a) Chinese letters
   b) A funny person
   c) Person involved in a story
3) Irony
   a) Something unexpected
   b) Something made of metal
   c) How President Reagan introduced himself as a child — I, Ronnie
4) Climax
   a) The peak of a mountain
   b) Turning point of a story
   c) A rock group
5) Onomatopoeia
   a) Rare flower found only in South America
   b) A pigmy tribe in New Guinea
   c) Words whose sounds indicate meaning

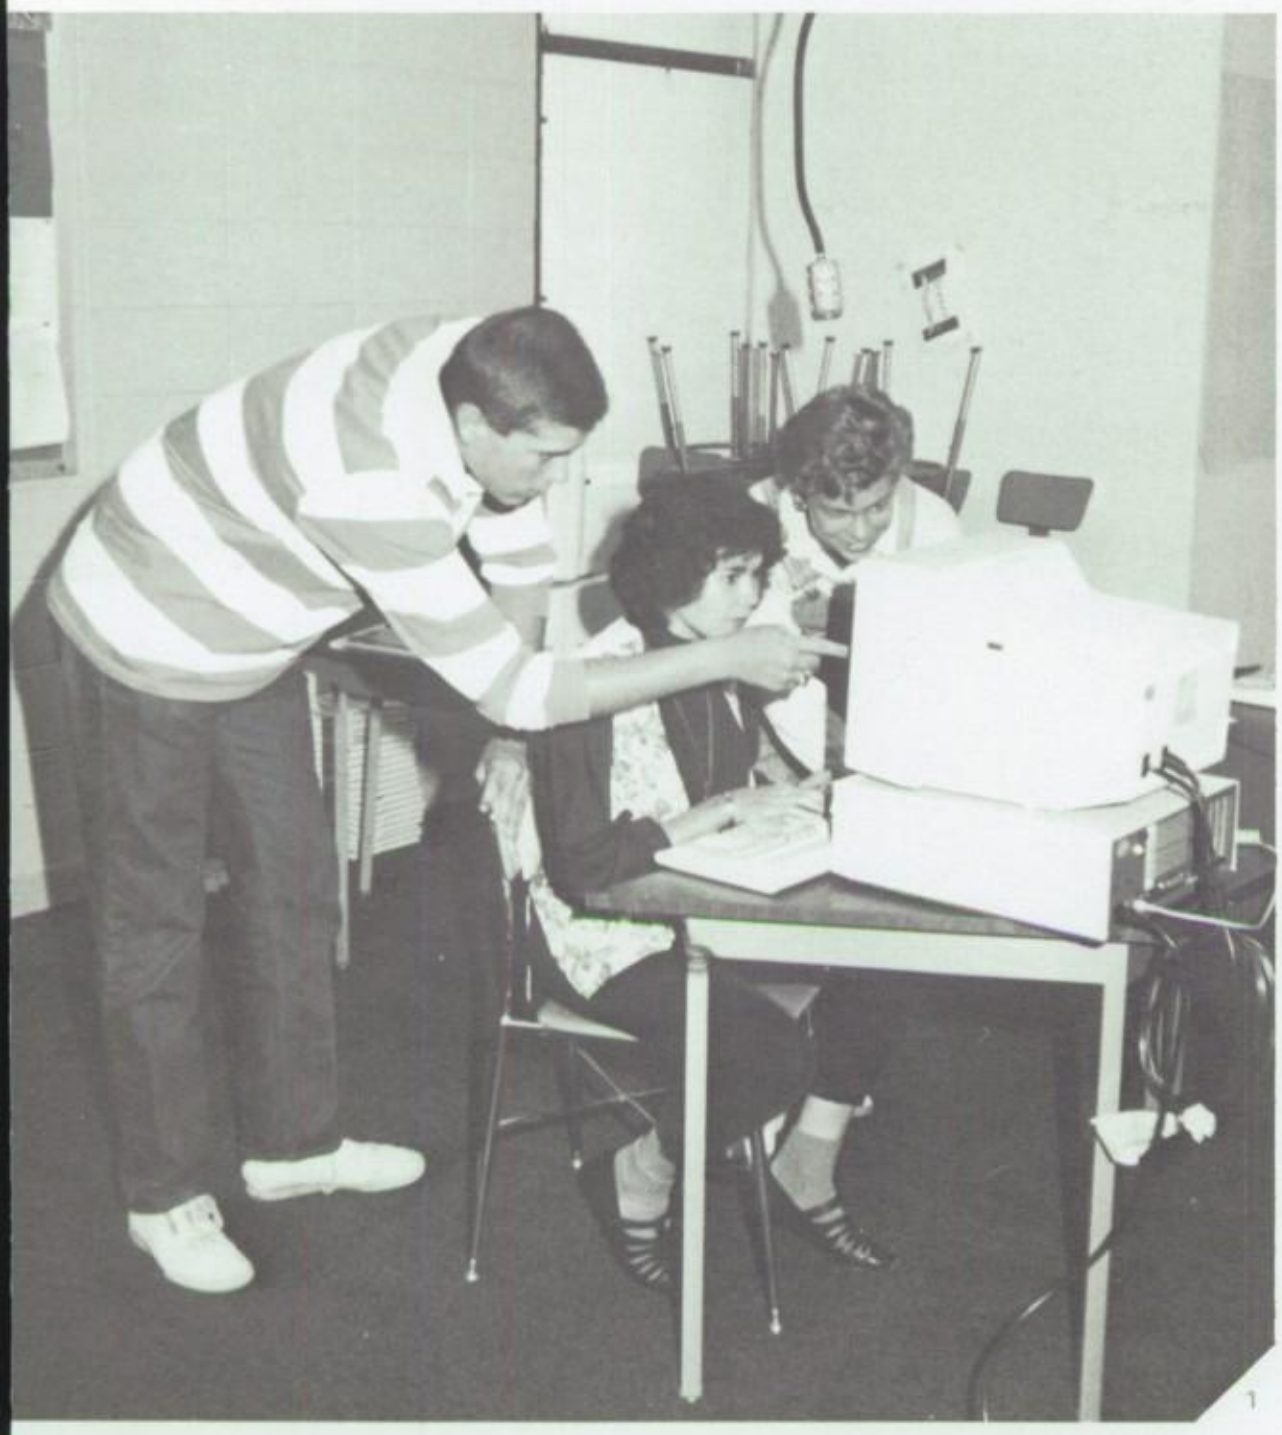


***THIS PAGE:*** *Sandra Nelson learns her vocabulary. 2) David Gendron and Chris Maupin discuss an important aspect of language. 3) Ready to leave his English class as soon as possible, Kevin Hammonds collects his books. 4) This class collects in small groups to discuss an English project.* ***OPPOSITE PAGE:*** *1) Mrs. Hubbard checks her students' work. 2) S-Hsin Lee concentrates hard to do well on her test. 3) Susan Viers works diligently on an English paper. 4) This class knows vocabulary is an important part of language at D.B. 5) Lashea Harrison is interested in her teacher's lecturing.*

# FINE ARTS

The Fine Arts department at Dobyns-Bennett gave students a chance to develop their talents. The Art Department offered classes such as drawing, painting, commercial art and pottery. Each class gave a new perspective to different forms of art. The Music Department offered concert band, concert chair, D.B. Singers and orchestra. These classes developed musical capabilities. Each of these classes performed during games, parades, and held various concerts and competitions.

*1) Ms. Corum's student teacher demonstrates. 2) Scott Griffin puts final touches on his art work. 3) Shelly Thomasson and Jennifer Dunlap play the school song for the pep rally. 4) The band takes a well deserved break after an outstanding performance. 5) The chorus is preparing for the Christmas concerts. 6) Laurie Bowers practices her part for the Christmas concert. 7) Melynda Brice works patiently on her masterpiece in pottery.*



# Computers

Applied Computer Technology was a new program at Dobyns-Bennett designed to prepare students for the challenge of the job market of tomorrow. The purpose of the program was to give the student a basic understanding of the computer from PC to mainframe operations using the same equipment and programs used in business and industry. There were many classes involved in the computer program.

*1) John Winstead points out the error that Rusty Hicks and Heather Ailshie have made. 2) Getting hands-on application makes introduction to Computers a success. 3) Jay Anderson and Holly Czoka are happy with their latest program.*

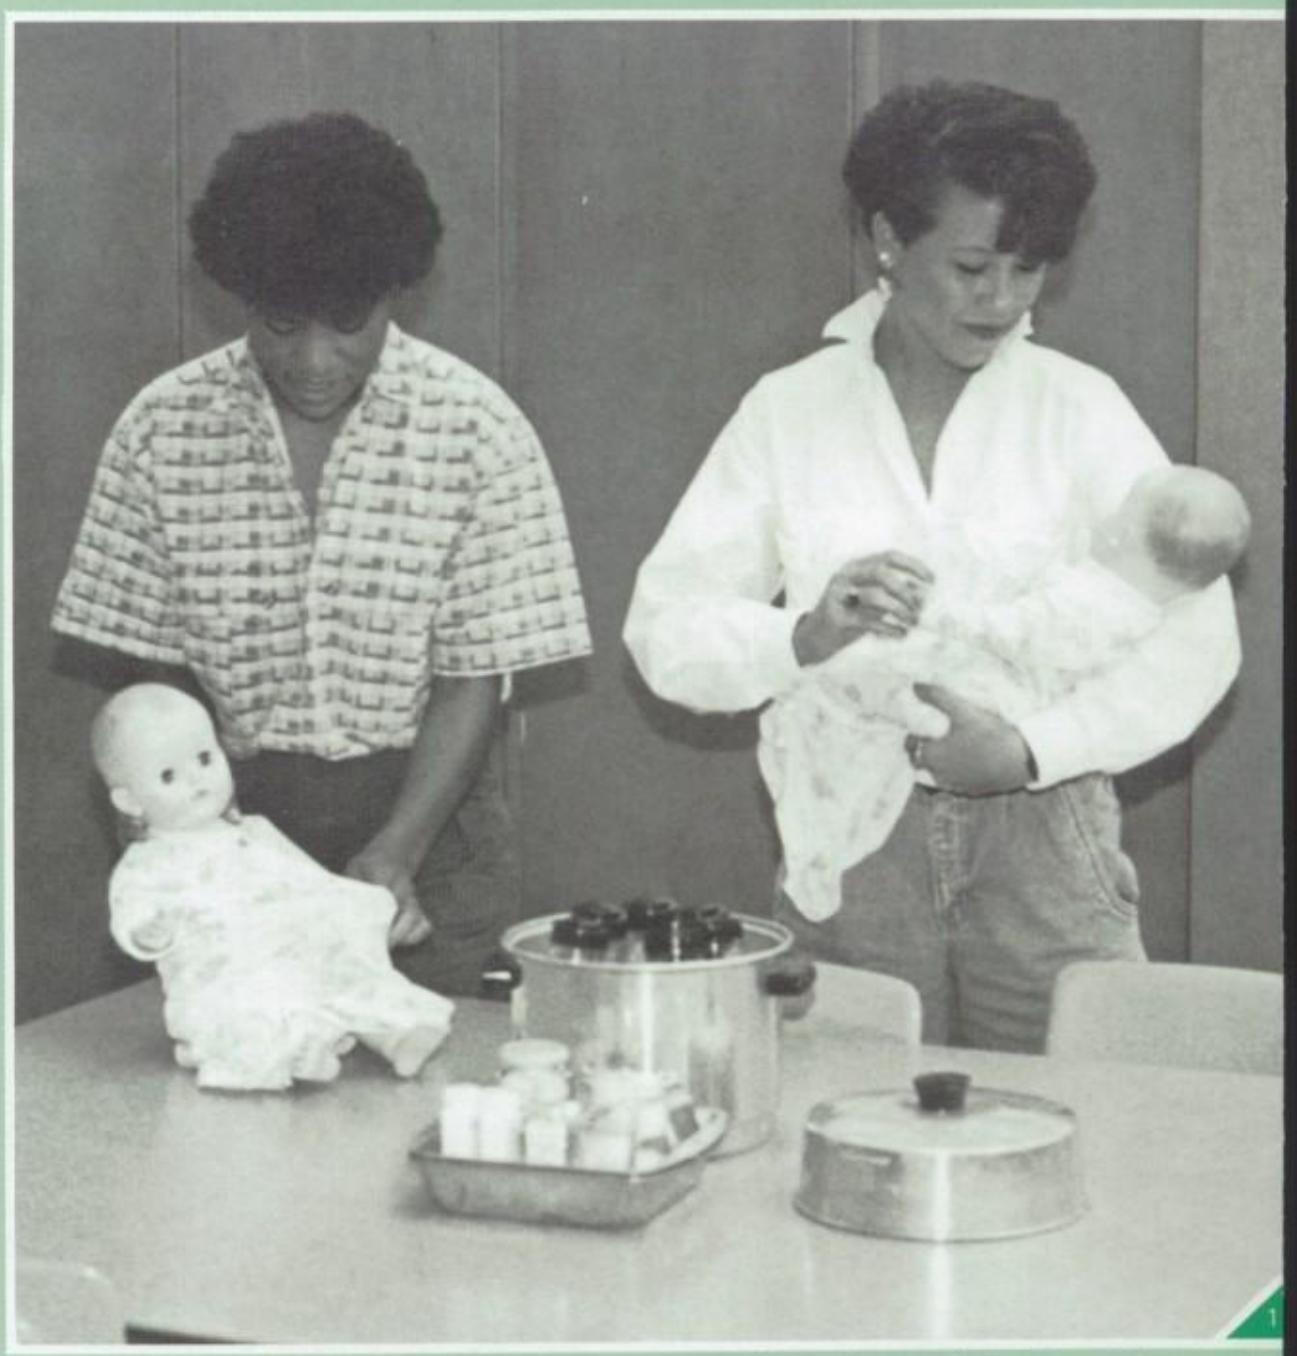
# Home Economics

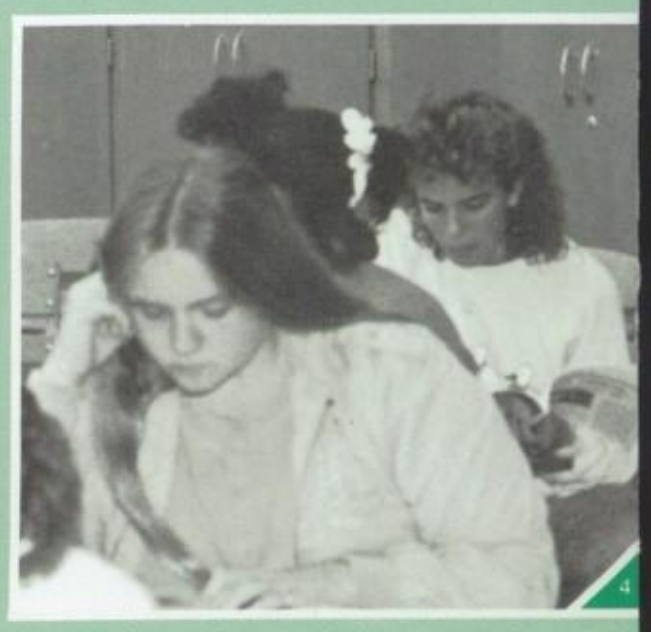
Students got a head start on life in Home Economics and helped with everything from coping with emotion to setting up a first apartment. Students learned how to function in the real world, whether it was college life or beyond. They obtained valuable knowledge and skills to make life more independent and adult living a little easier.

Areas taught within Home Economics included Consumer and Homemaking, a year course, as well as a variety of semester courses: Adult Living, Child Development, Family and Parenting, Housing and Interiors, Nutrition and Food, Textiles and Apparel.

Life management skills that last a lifetime were mastered by Home Economics students. They learned about budgeting, parenting, relationships, goal setting and decision making. Home Economics addressed current issues with the major focus being the family and family life education, giving a foundation and preparation for life itself and reality.

***THIS PAGE:*** *1) Smuggs Hoard and Shelly Walkee practive diapering babies. 2) These students listen attentively to Mrs. Skelton lecture about food preparations. 3) Mechelle Carey, and Mary Carter read up on marital relationships. 4) After finishing her work, Michelle Salyer reads the school newspaper.*





# Food Service

The Occupational Food Service course was an important addition to the D.B. curriculum this year. The Food Service class prepared students for a job in the restaurant business after high school. These students learned management as well as special food preparations. Thanks to classes like Food Service many aspiring teens have been prepared for the business world.

*THIS PAGE: 1) Russell Watterson prepares a breakfast dish for his Food Service class. 2) This class enjoys their work. 3) These students work as a team on their assignment. 4) Holly Hanes and Betsy McTeir prepare a tasty dessert.*

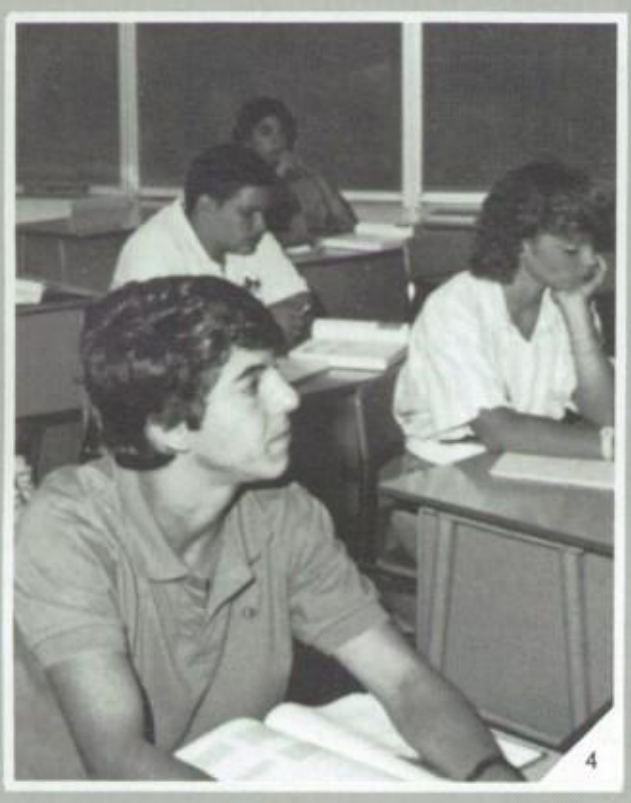
4

# Math

A few of the most difficult math problems this year were:

1) What's a dead parrot?
2) What should a person do when it rains?
3) What did the husband do when his mother-in-law wanted to go home?
4) What do little acorns say when they grow up?
5) Who voted YES for better tractors?
6) Who are gentlemen who go to the beach?
7) What's a food that is a dessert?

Answers: 1) polygon 2) coincide 3) center 4) geometry 5) protractors 6) tangents 7) pi.



***THIS PAGE:*** *1) A geometry class works on a practice sheet of problems. 2) This Algebra II class is amused with the simplicity of their homework. 3) Todd Williams and classmates listen to an important lecture. 4) Brian Fleenor watches an example being put on the board. 5) Mark Newman and McCoy Davidson discuss a computer program.* ***OPPOSITE PAGE:*** 1) Mr. Chandler explains a geometric function. 2) Kevin Dillon works at a computer. 3) Bill Cavcasks Mr. Crosswhite for help with a problem. 4) Jon Baker concentrates intently.

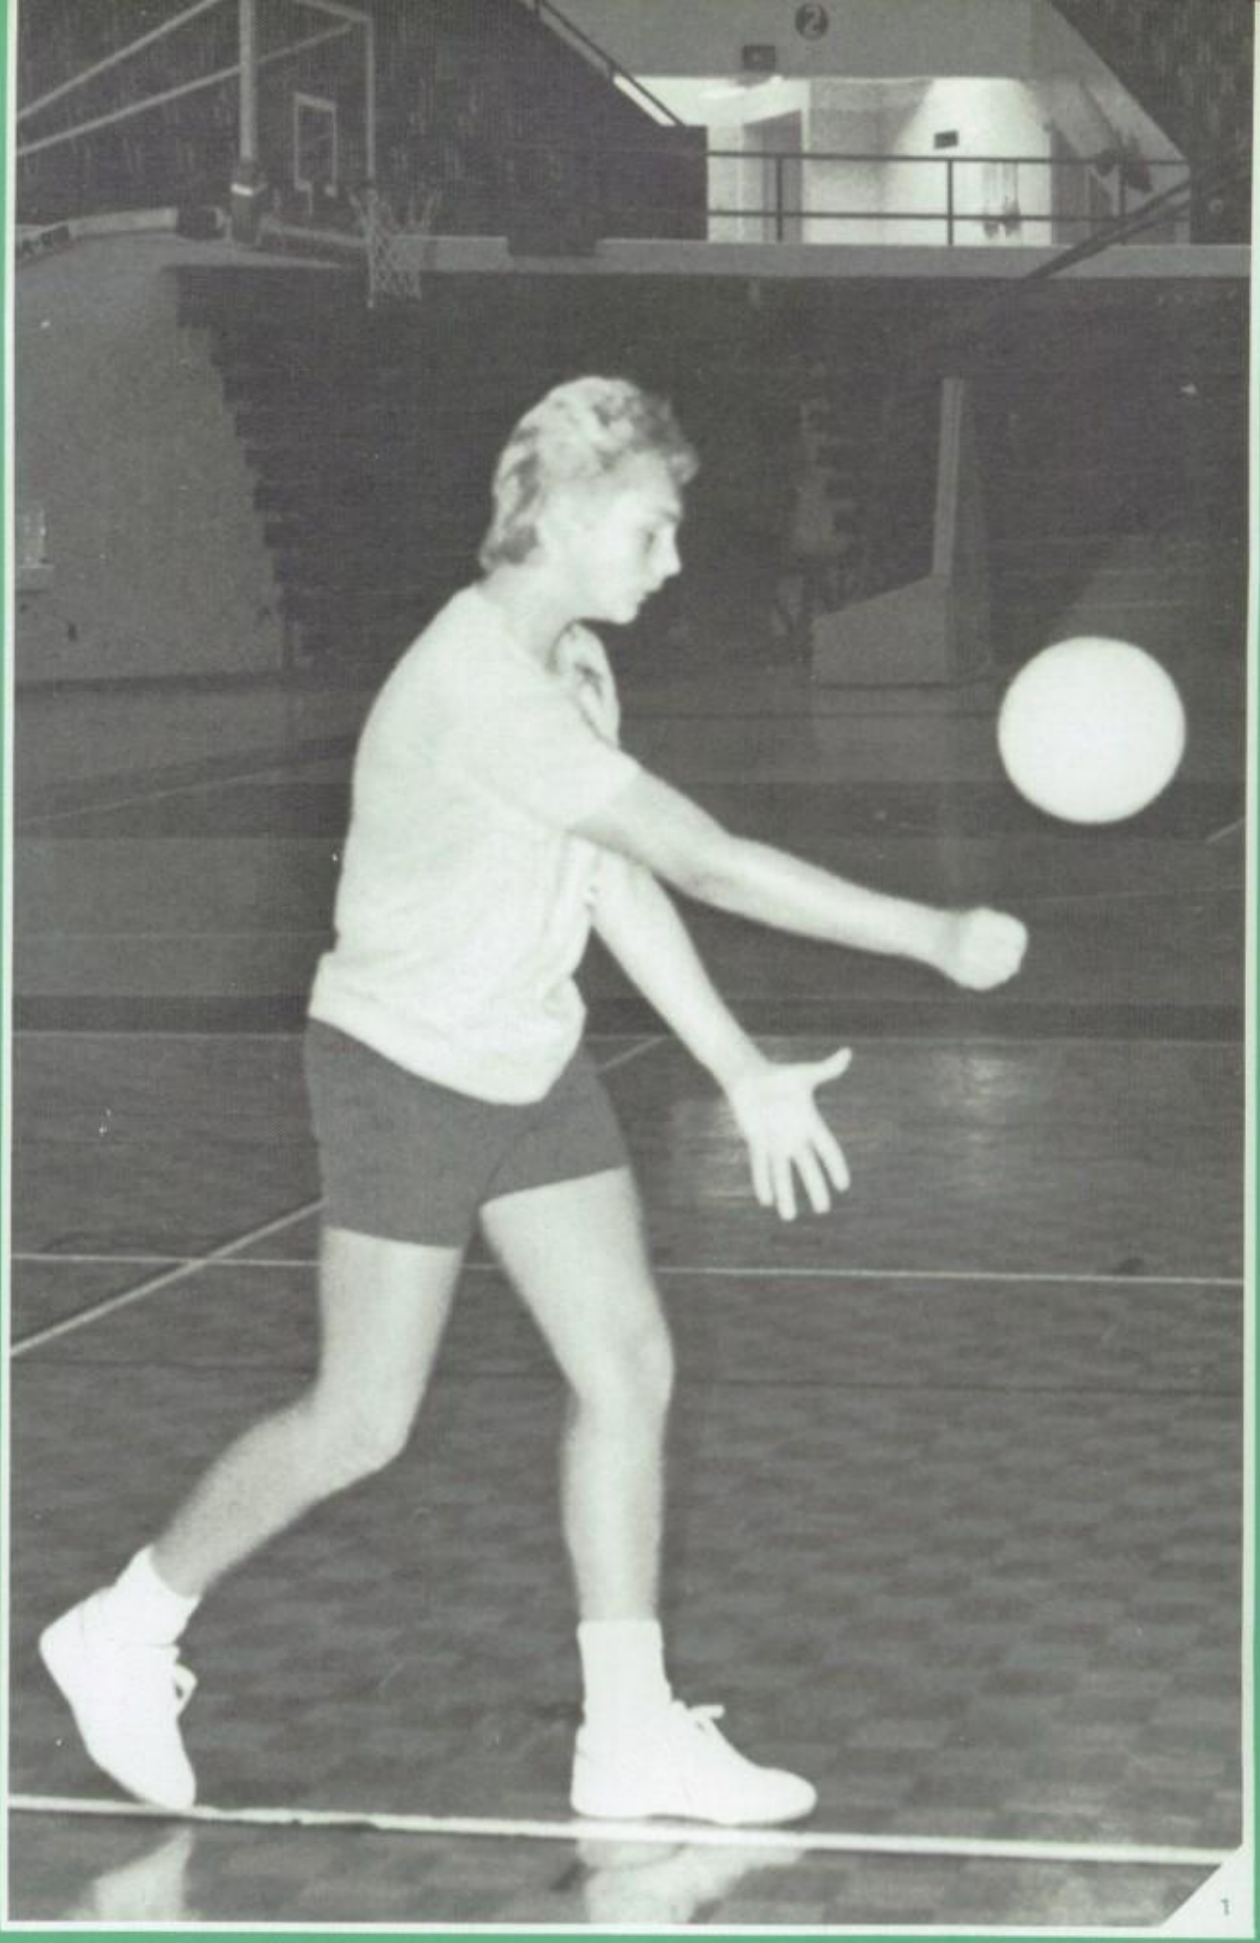
4

# Gym/ Health

Physical Education provided students with knowledge and practice of physical fitness. Whether it was on the field, on the track, or in the pool, students enjoyed the relaxed atmosphere of a gym — not an everyday classroom. Swimming, racing, field hockey, tennis, folkdancing, or basketball — Gym had variety — it had it all.

Health became a very important course for today's world. It dealt with the reality of drugs, venereal diseases, first aid, nutrition and AIDS. Modern Health also taught students how to make decisions in life. It dealt with mental health, depression, teenage suicide and ways to help a friend who might be in need. Health covered many personal areas in which students needed to be informed that were not touched in most classes.



1

2

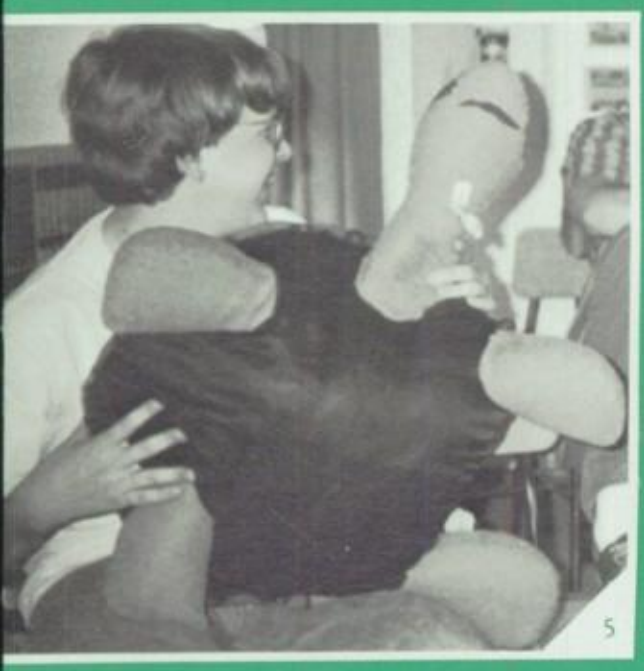
3

4

# Special Needs

The Special Needs Department served approximately 250 students. Five teachers, Sara Harnsberger, Lenore Kilgore, David Ashby, Tony England, and Mary Jackson, shared the teaching of resource classes in Math, English, and Social Studies, a Self-Contained Class, and an Advanced Studies Class. In Vocational Training, they helped place students in jobs. This year the Special Needs Department had several physically handicapped students. These students attended classes and received physical and occupational therapy from therapists Nina Williams and Mary Melcher. The self-contained class was very active in Local, District, and State Special Olympics for bowling, track and field. They also went to District and State Swimming and Snow Skiing Special Olympic Meets.

***THIS PAGE:*** *1) Mrs. Sarah Harnsberger and Greg Holdway relax and visit a while. 2) Brett Shaffer enjoys this special needs class. 3) Amanda Hickman and Cheryl Gordon have to take the dreaded subject, Health, too. 4) James Fortney listens to a serious discussion in Advanced Studies. 5) Fred Fteke works hard to maintain his place in Advanced Studies. 6) Wes Sullivan, Ben Gamble, Laurie Bowers and Elizabeth Miller enjoy being a part of this class.* ***OPPOSITE PAGE:*** *1) Joe Fitzgerald concentrates hard on serving the volleyball over the net. 2) Katie Harp traces the blood paths through the heart. 3) Gym students take time out from a vigorous soccer game. 4) Lisa Bombailey, Christine Day and class imitate Coach Fowler's moves.*



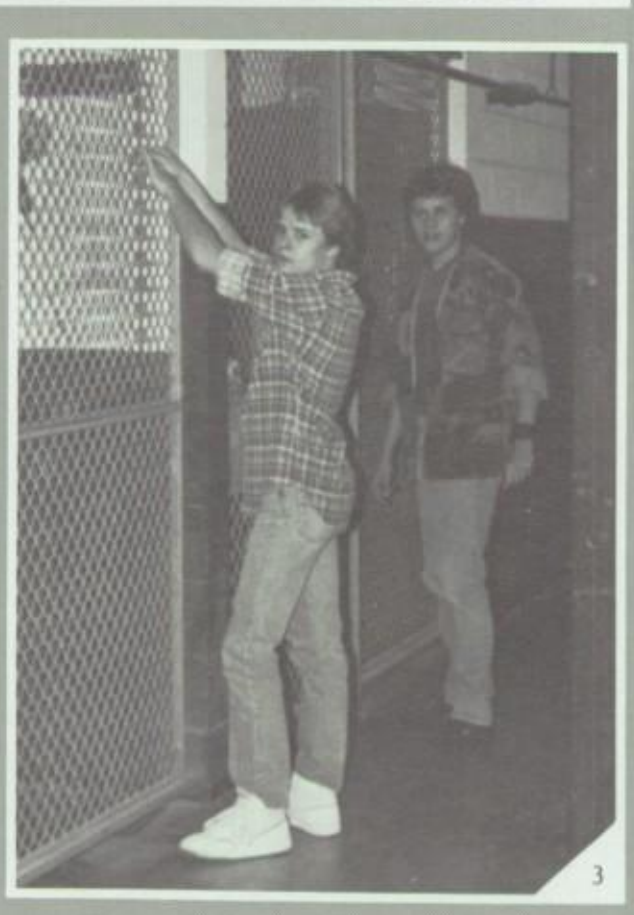
# Auto Body

Auto Body and Fender Repair offered a practical hands-on learning experience for students. Students became skilled in sanding, grinding, smoothing, body painting, concealing imperfections, and replacing parts and trim. The classroom setting resembled an auto body shop making the class even more realistic.

Auto Mechanics was a practical introduction to the components of automobiles. Participants repaired and worked with the engine, radiator, power transmission, steering, brakes, air conditioning, and electrical systems. Once students possessed sufficient skills, they were qualified to be given jobs at area dealerships.

*1) Heath Brown and Chuck Johnson work on the engine. 2) Mr. Winkle and Michael Jones observe how different parts of a car work. 3) Bobby Way prepares to paint the body of the car.*

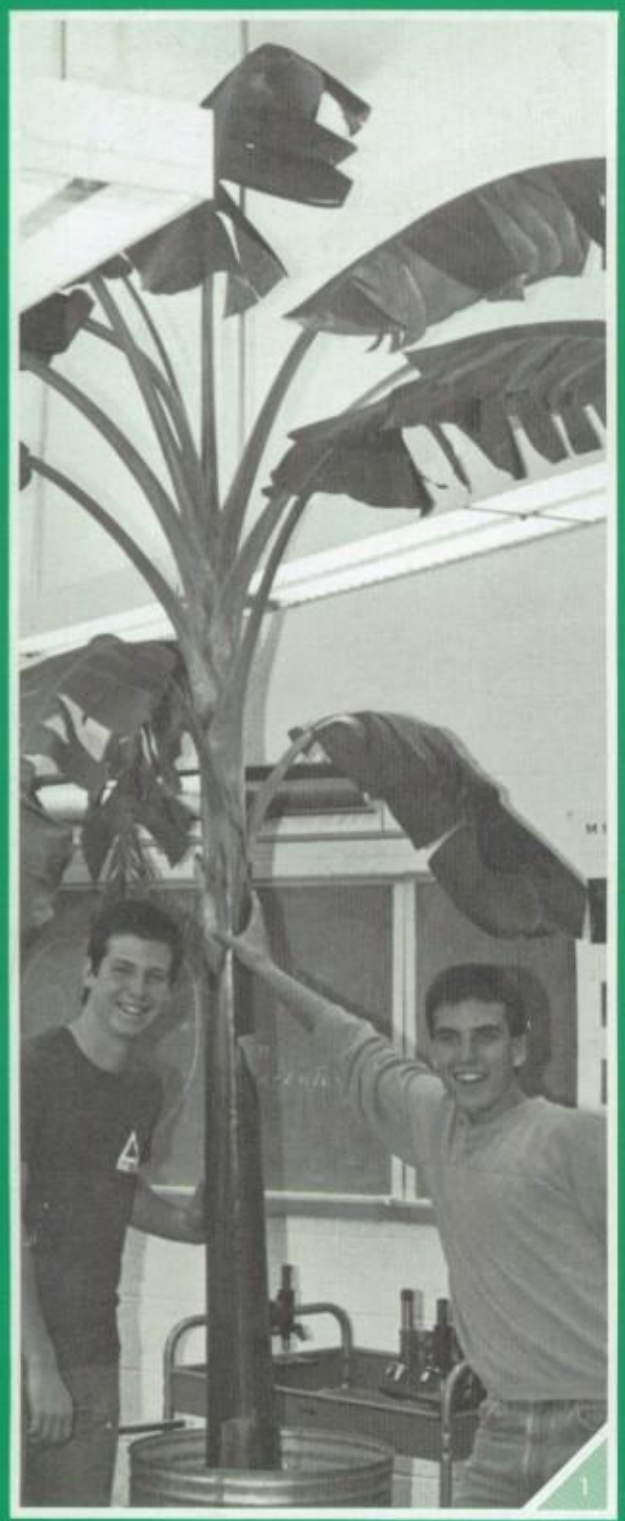
# Prin. Of Tech./ Industrial Mechanical Tech.

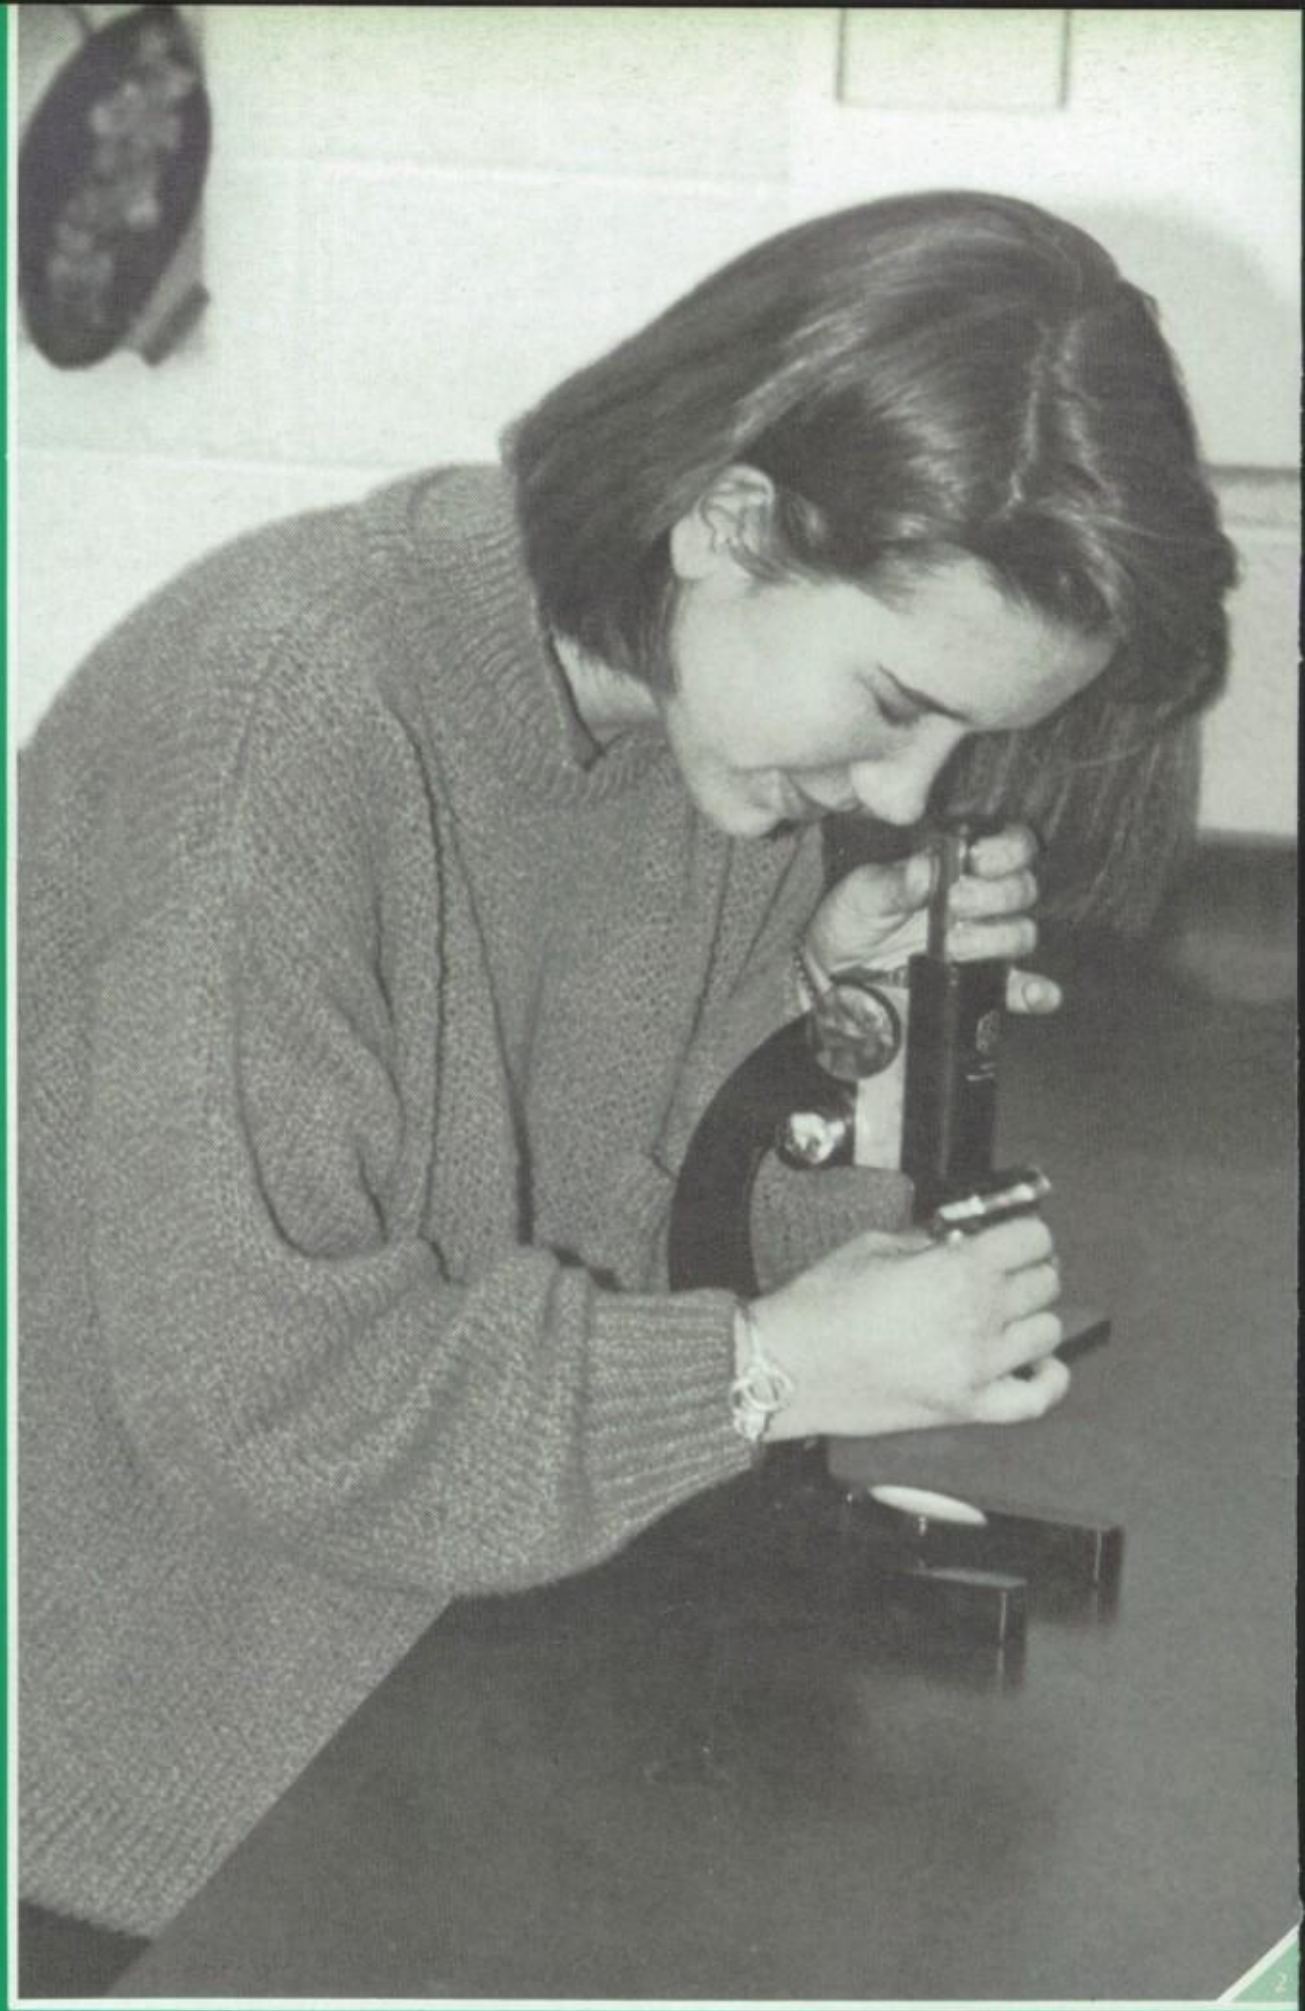


Principles of Technology was a course designed to prepare students more effectively for technical careers. The students learned to understand the mechanical, fluid, electrical and thermal principles on which modern equipment operates. They then applied those principles to new tasks as the need arose. This course was designed to build a base for other courses in vocational education.

Industrial Mechanical Technology is a training program for students interested in service jobs available in business and industry. This program introduced all the major skills necessary to find long term employment in technology. It was an excellent pre-engineering course or preparation for those students planning to attend a technical school.

*THIS PAGE: 1) Jeff Barten, Ricky Clark, Julian Fritz, Chris McMillan and Greg Morelock locate the trouble in Auto Mechanics. 2) Greg Ware, John Sanders and Jeff Barrett repair the engine. 3) Jeff Hicks unlocks the tool crib. 4) The Auto Mechanic's class tries to decide the proper method to correct the problem.*

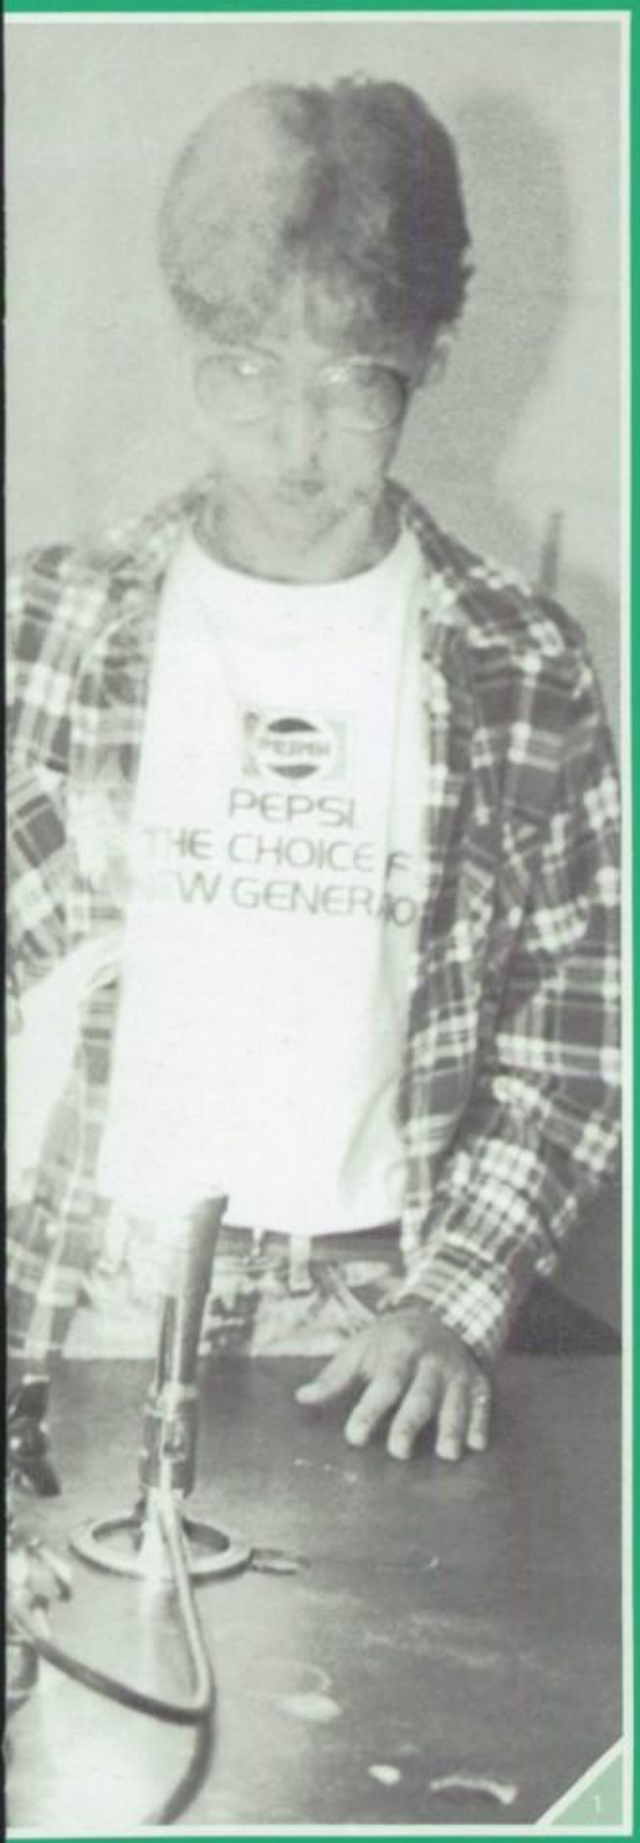




# Science

Scientists were not the only ones who related to Science. It was a part of our everyday lives. Below are some scientific words and definitions with which we dealt everyday:

1. Sweet pea — Popeye and Olive Oyl's little baby.
2. Secretion — The spreading of secrets.
3. Fluke — The manner in which someone with a speech impediment pronounces the name of one of D.B.'s star football players — Luke.
4. Organ — A piano type instrument found in a church.
5. Pistle — A gun.
6. Mole — A beauty mark.
7. Parasites — A weird looking couple.
8. Food chain — What is broken when students go off to college.



*OPPOSITE PATE: 1) Jason White and Mark Warner show how tall Mr. Moricle's banana tree really is. 2) Annette Cowden searches for something in a microscope. 3) The friendly little chameleons easily make new friends every year. 4) Mr. Moricle's Botany class listens intently.* ***THIS PAGE:*** *1) Gus Papas experiments with the bunsine burner. 2) Luke Keirsey, Hope Gilliam, and Sarah Slaughter visit with a hammer shark. 3) Ms. Bowery's chemistry class concentrates on the notes written on the board.*

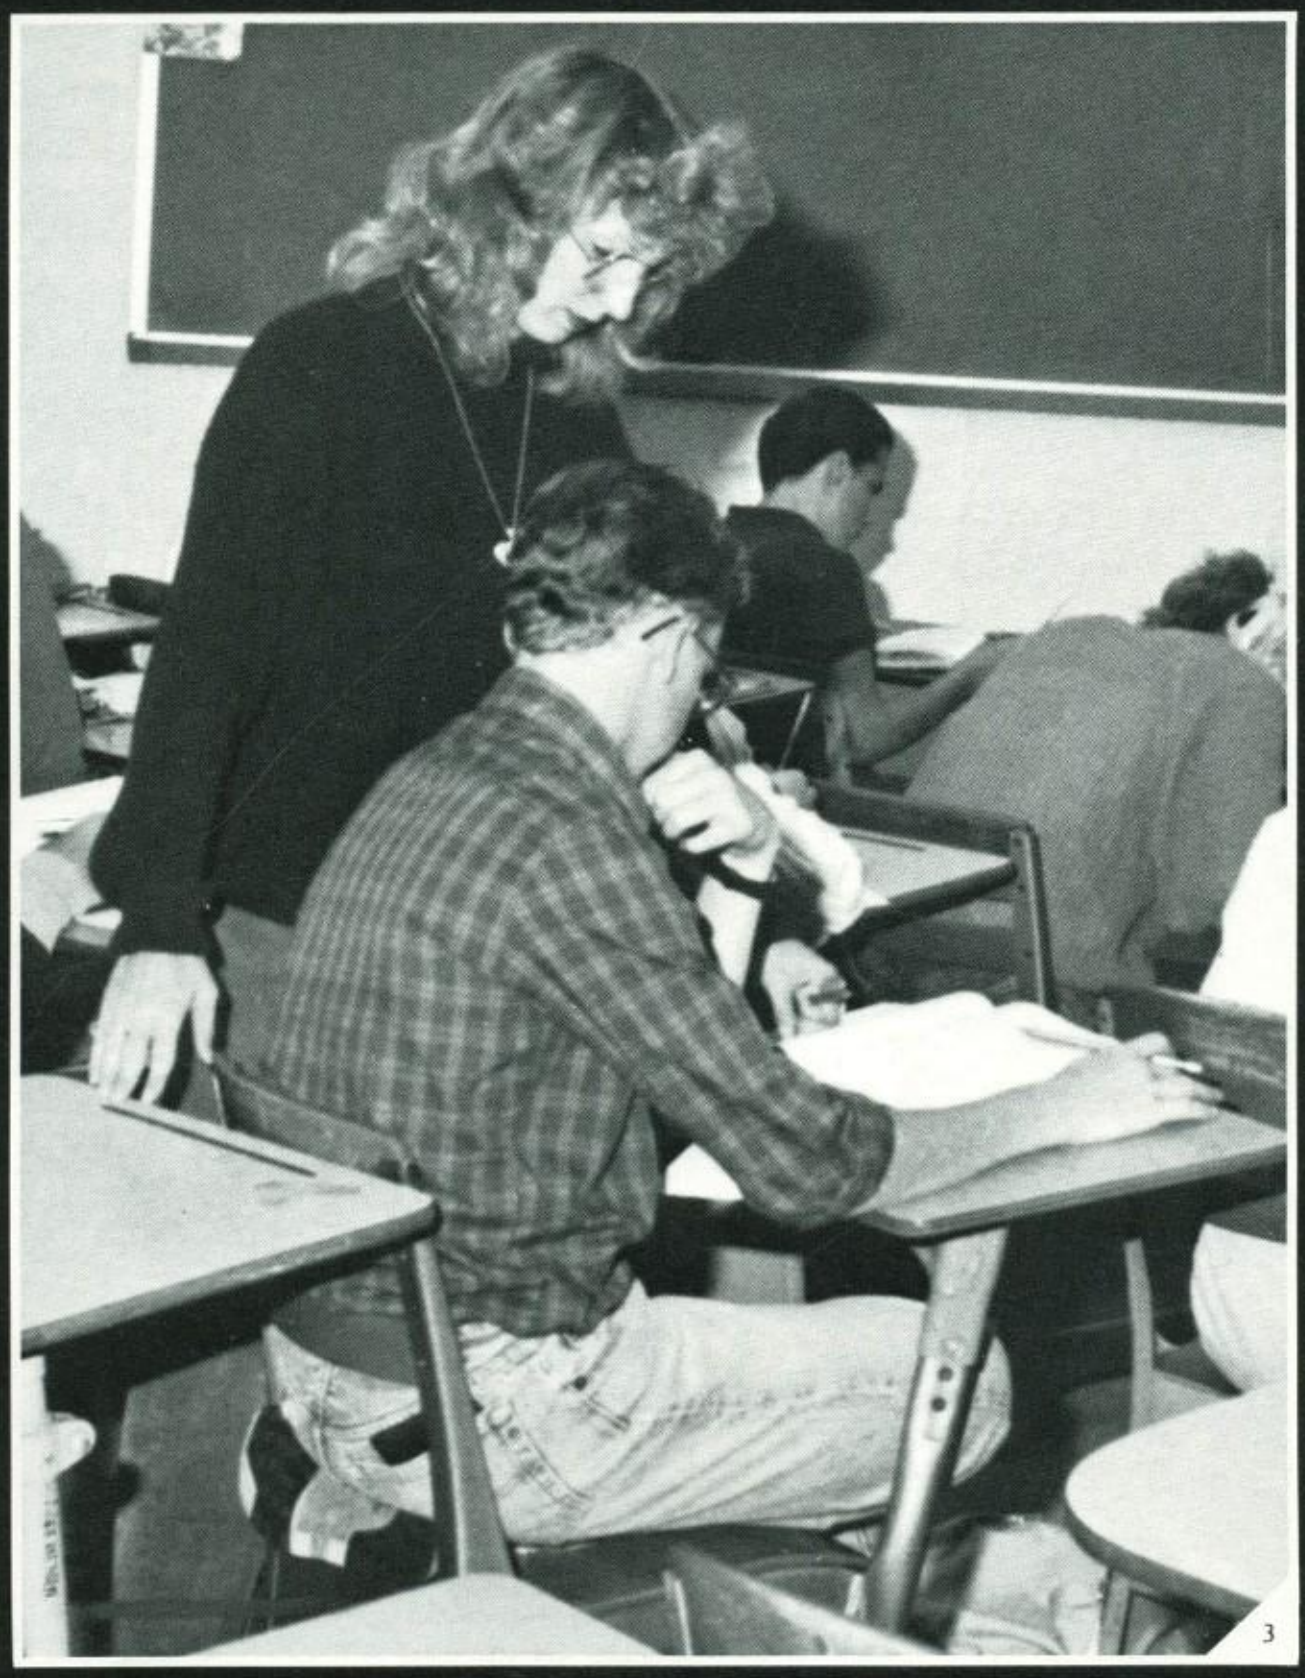
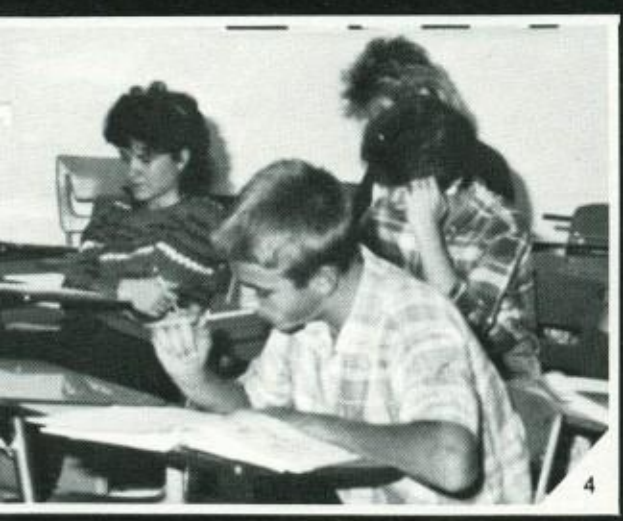
5

***THIS PAGE:*** *1) Robert Hazlet and Vanessa Vermillion enjoy learning French I terms. 2) Christy Denton listens to Senor Hobbs explain Spanish. 3) Monica Childress concentrates on the exercises in the book. 4) Beth Pickard and Anne Marie Tustin enjoy French IV. 5) Ms. Wise teaches Spanish as Pam Russell tries to understand.* ***OPPOSITE PAGE:*** *1) Jennifer Clark studies her worksheets in French IV. 2) Whitney Mize takes notes in Latin I. 3) Ms. Morin helps Todd Harmon translate in Latin I. 4) Tommy Dalley concentrates on comprehending the Spanish language.*

# Foreign Language

Dobyns-Bennett offered an excellent foreign language program. This year French, Latin, Spanish, and German were all available for students. Third and fourth years of each language were available to those students who liked the language, wanted to learn more about it, enjoyed the challenge, or were just crazy enough to take it. The knowledge of a foreign language became more important this year. More colleges began to require no less than 2 years of the same language for acceptance. Even though these different languages had their own points of difficulties, they were all important and interesting. Some stepping stones to learning a language such as grammar, culture, comprehension, and the country's history were also taught. Taking a foreign language helped students to learn and understand their own language better. Because foreign languages became more important, a lot more students took them.





# DBTV Radio

DB-TV and Radio supplied the skills for writing, producing and presenting media. Students also learned about public affairs programming as well as entertainment and varied specials. In Radio/TV Broadcasting II, students got "hands-on" experience in a studio situation. The students then had the opportunity to do field work with mobile TV equipment in Radio/TV Broadcasting III. This class provided students with valuable experience needed when interested in a profession in radio or television.

*1) Mr. Ruetz's Radio Class studies procedures of operation. 2) Michael Francisco gets ready to put on a new selection. 3) Eric Sells and Aunray Coclough are amused by the headphone set. 4) Hands-on application is the main objective in Radio I.*

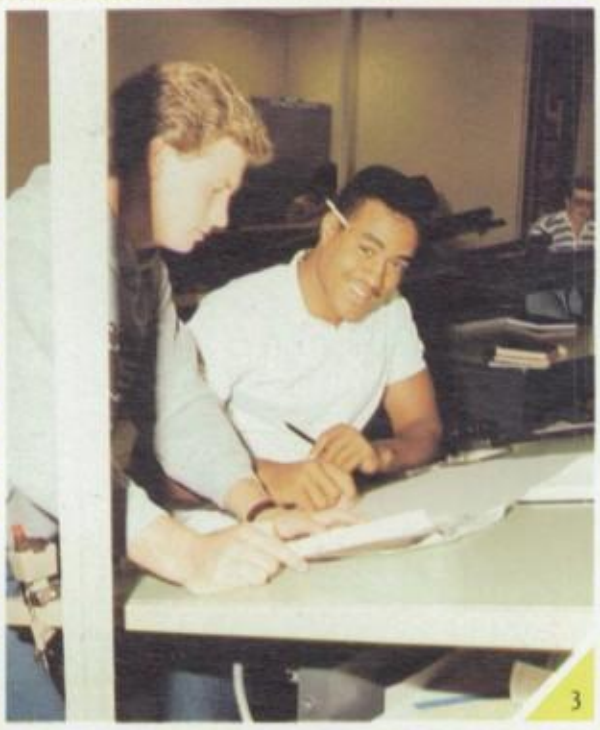
# Graphic Arts

Introduction to Drafting taught students the basics of industrial and architectural drafting. Computerized drafting equipment was used to develop completed projects and extend knowledge of drafting. Students received an in-depth study of architectural and industrial drafting. Graphic Art classes at Dobyns-Bennett offered techniques of printing and graphic arts communication. Students in Graphic Arts II learned activities that occur in a print shop. Students were expected to complete assigned printing projects in Graphic Arts III.

*1) A perfect copy for this student. 2) Tom Bass, Mark Warner, and David Salling are proud of the brochures they have made in Graphic Arts. 3) Mike Faulkerson and Eric Miller work diligently to finish a recent project. 4) Lindsley Ruth must be very precise in order to make his drawing perfect. 5) Kelly Dean and Joe Walsh pack freshly printed booklets. 6) Scott Turner enjoys completing an assignment.*

1

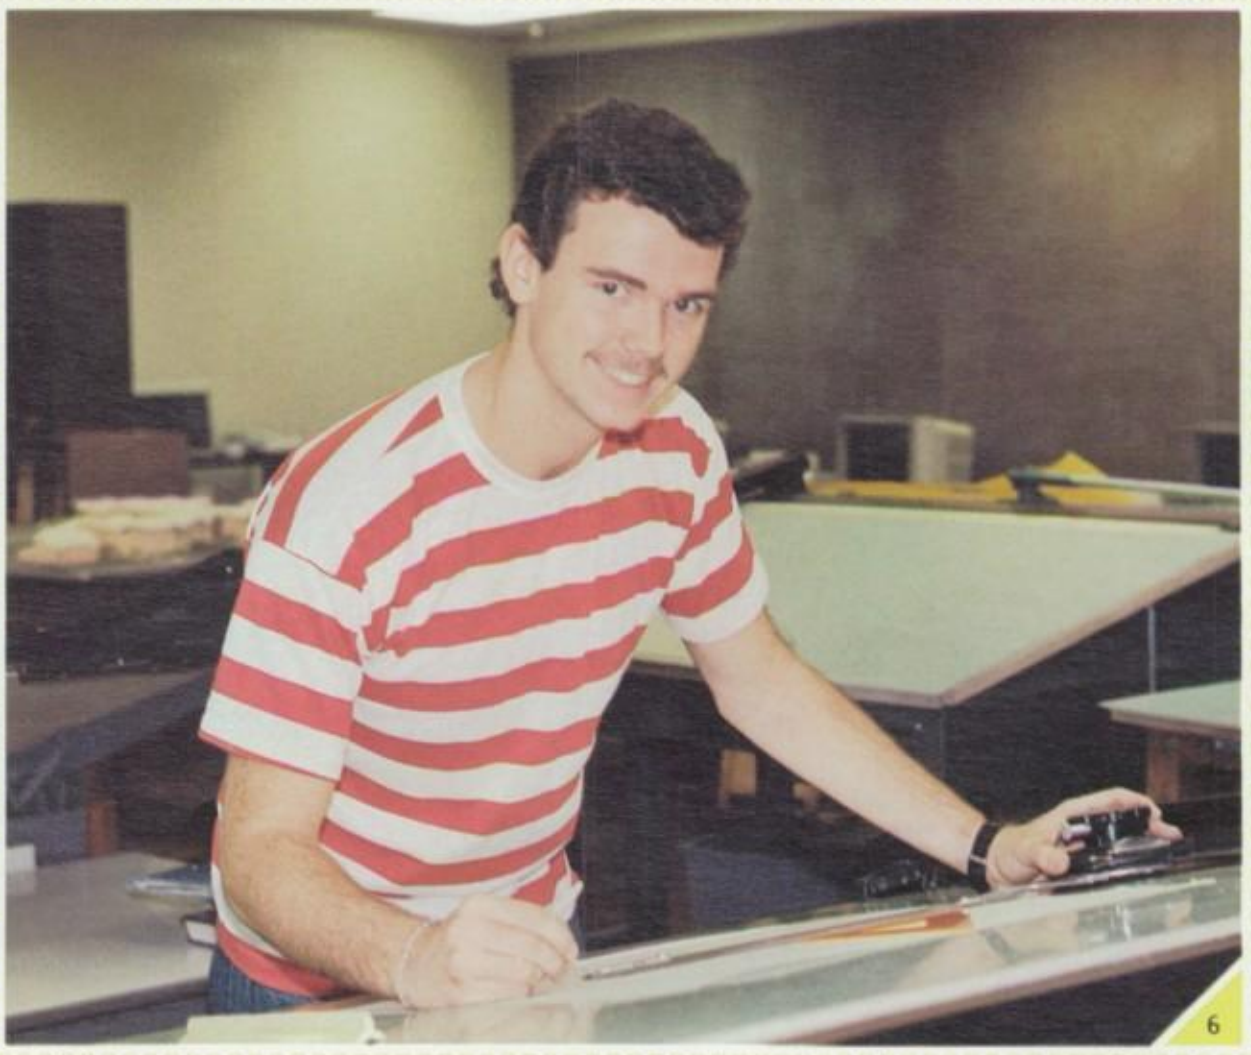
2



3

4

5



6

# Social Studies

The Social Studies Department at Dobyns-Bennett offered a wide variety of courses. The students were required to take such courses as American History, Economics, and Government. Other students choose to expand their interests in the fields of Psychology, Sociology, and World History. The students became involved in many activities other than the normal social studies class. Students in economics sold objects for Junior Achievement. American government classes took trips to witness court cases. In some way or another, all Dobyns-Bennett students became a part of history in D.B.'s Social Studies Department.

***THIS PAGE:*** *1) A history class reads about U.S. history. 2) Mrs. Abbott informs Bart Davis of his government grade. 3) Stoney Westmoreland learns about his native land in history class. 4) Wil Patton and Gus Papas enjoy working together in their Government Class. 5) Mike Autry is at the center of the working scene in World History class.*

# Health Occ. VOE

Health Occupations was designed to prepare sudents for work in health-related occupations. The class combined classroom study with clinical experience, as well as working in various hospitals and several health facilities during the year.

Vocational Office Education (VOE) was open to both juniors and seniors. During the eleventh grade, students took Pre Co-Op where they gained skills in typing, filing, word processing, and answering the telephone. Their senior year, students combined classroom study with on-the-job training preparing for office jobs.

*1) In Health Occupations, students learn how to take a patient's blood pressure. 2) Lisa Fields is proud of the awards HOSA has won. 3) Misty Ratliff demonstrates how the knee bone fits into its socket.*

1

2

3

# Business Marketing

Business Education covered many courses at Dobyns-Bennett. Classes included Typing, General Business, Accounting, Shorthand, Business Math, Business Law and Consumer Education. Each of these classes provided students with different aspects of the business world.

General Marketing classes introduced students to basic economic and marketing concepts that apply to the operation of business. Fashion Merchandising was a new marketing course offered in 1987-88. Both fashion merchandising and marketing students had an opportunity to participate in competitions in the spring.

*1) Cheryl B. Nelms, Ginger Hawkins and Kristy Head work on a marketing assignment. 2) Dena Noe completes her business study guide. 3) A representative from Barbizon gives Kelly Miller a make-over. 4) Heather Christian takes notes from Beauty Consultant, Joyce Conkin. 5) Becky Bowman types for speed in Typing II. 6) Ms. Whitt completes a sales demo with Hillary Eason. 7) Debbie Widener checks her grades in business law.*

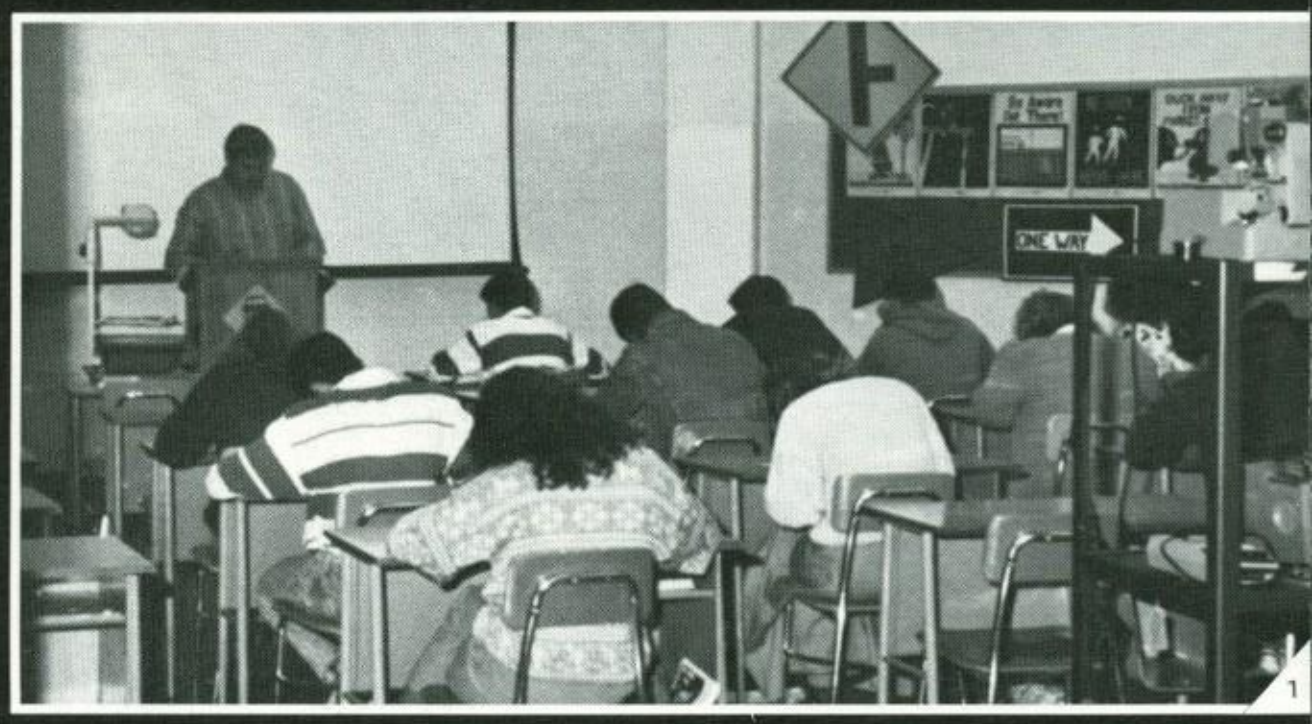
7

# Driver's Ed.

Driver's Education was a very busy class. One group was in the classroom, while another was in simulator and still another on the driving range. The classroom focused on the text and laws. The simulator class concentrated on reactions to dangerous situations by using filmstrips and simulator cars. But the real excitement began on the driving range where beginners got to test their skills and learn new ones. Driver's Ed helped all students with their driving skills and safety on the road.

***THIS PAGE:*** *1) This Driver's Ed Class works diligently on a test. 2) Rebecca Nick practices her driving skills in the simulator. 3) Coach Watson teaches his class how to change a tire. 4) Scott Dishner looks in the trunk to observe the emergency equipment.*

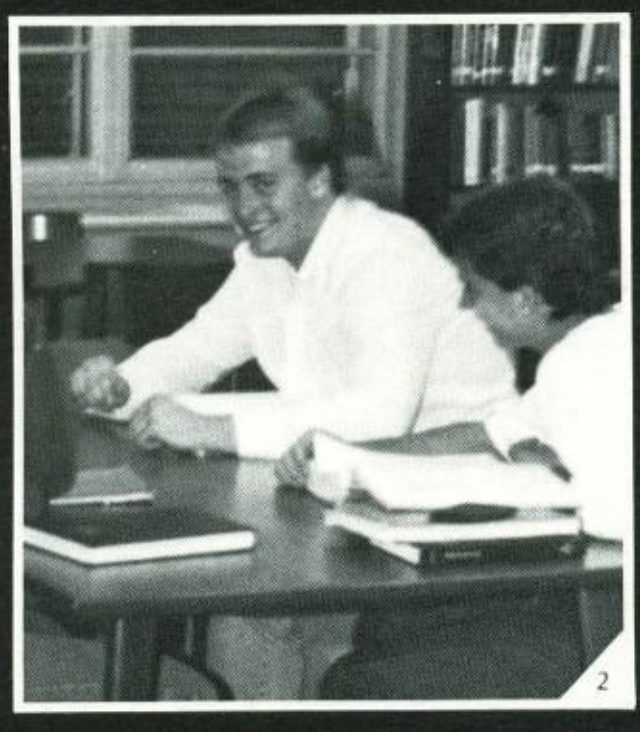


1

2

3

4

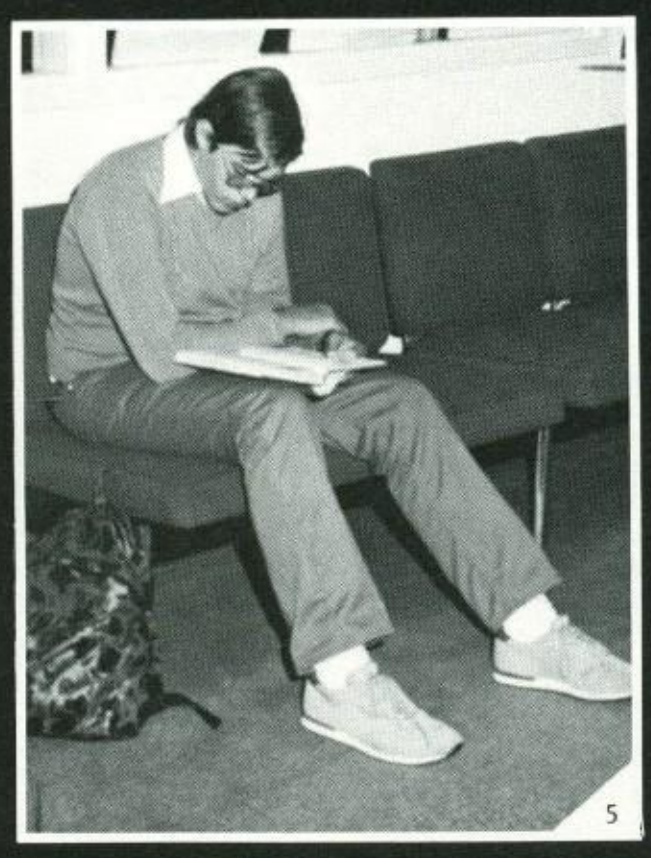


# Library

The library was an excellent source of materials and information. It contained a card catalog in which were indexed the library's book collection, records, magazines and filmstrips. The quiet atmosphere of the library provided a great place to study, read, do homework, or just to relax. The many books available were valuable to both students and teachers.

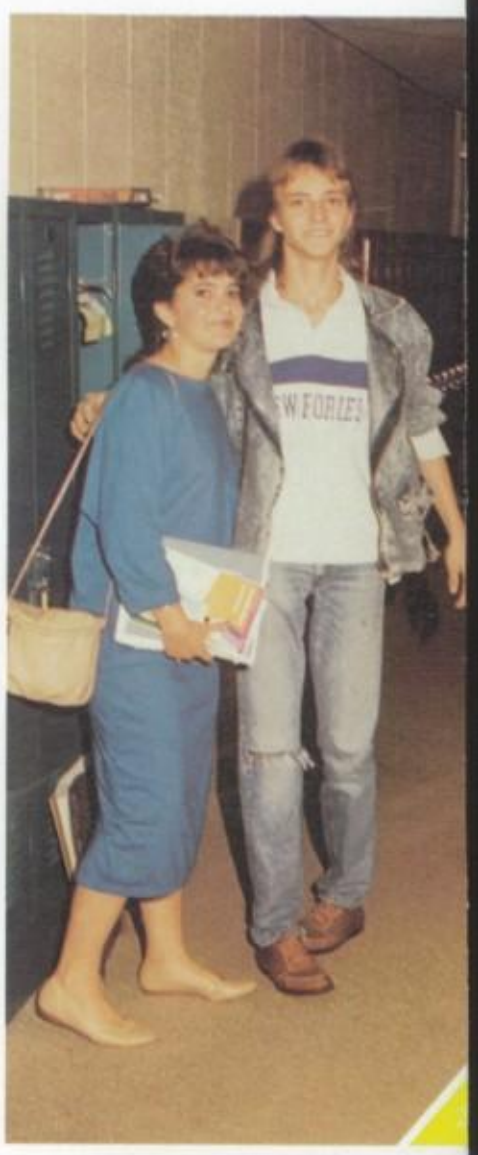
Also within the library, is the computer room. Students came to run programs as well as type research papers. Students and teachers enjoyed all the library had to offer.

***THIS PAGE:*** *1) Greg Eaton finds privacy in the library carrels. 2) Scott Crawford and Wade Farrow relax and socialize in the library. 3) Todd Harmon and Ben Phillips use the library's resources such as the newspaper. 4) Shien Ju Tsao looks in the card catalog for the books she needs. 5) Fred Parsons takes advantage of the quiet atmosphere and reads. 6) Kelly Stone reaches for a book. 7) Louise Davis and Jennifer Haynes converse at a library table.*



PLUNGE INTO . . .

# STUDENT LIFE



Plunge Into . . .

student life at D.B. . . . football games . . . barn dances . . . homecoming . . . basketball games . . . snowdays . . . Christmas vacation . . . soccer games . . . the prom . . . graduation.

Life does exist after 2:30! Some students spend hours after school in sports or marching band. Others enjoy an after-school job. Laurie Bowers states that "there's nothing like job experience when you get to wait on a man in a dress who came to dry on a pair of high-heeled pumps."

Teachers can become a big part of a student's life, too. So what do teachers do after school?. . . "I go home and read history to my two poodles!" says Mrs. Peace. Mrs. Morris defends that "teachers have homework, too!"

From dawn till dusk, from August to June — student's life is a life in itself in which the students are at the heart of. . . . Plunge into it!

*1) Ebony Club presents its choking tiger float during Homecoming. 2) Donnie Lawson stops to get some books between classes. 3) Preparing a skit for drama class takes a great amount of creative thinking. 4) Pep rallies are an important activity of the school year. 5) This trio helps send the football team off to victory. 6) Robbie Hunt, Andy Hubbard, and Mark Williams participate at a pep rally. 7) Sharon Hagy and Leah McConnell relax before school starts. 8) Kelly Miller and Donna Slaughter converse at a pep rally. 9) Tim Baker and Daniel Baker prepare for another day of school.*

# Changes . . .

Over the course of two years, students of Dobyns-Bennett have been subjected to several CHANGES. These CHANGES have greatly affected the student's outlook on the school's policy and the school as a whole.

In 1986, the School Board voted to approve a new attendance policy. In addition to the new attendance plan, the school introduced larger, cardboard absentee admittance cards. These cards were a needed improvement because students continued to misplace the small slips previously used.

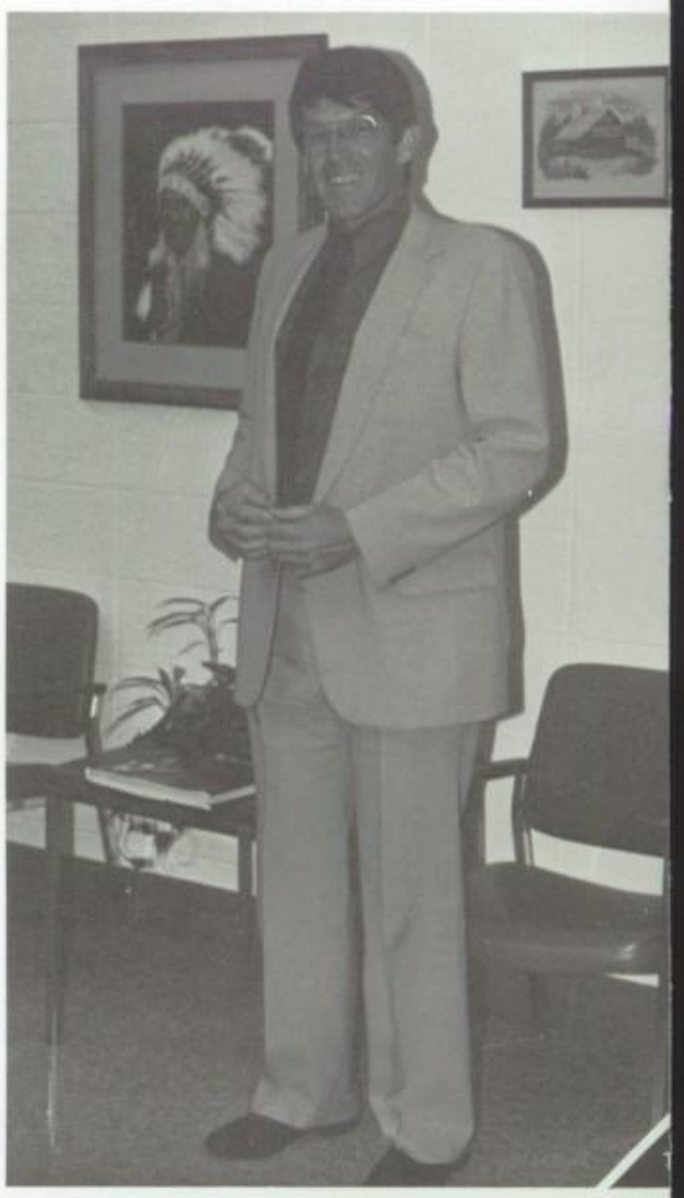
Student parking also became a problem at D.B. So, during the 1986-1987 school year, the administration experimented with parking stickers for teachers and students. However, this did not eliminate the problems — a CHANGE was needed. In 1987, the school decided to assign each individual his own permanent parking spot. This program proved to be unpopular with the students; yet, it made finding a parking place much easier.

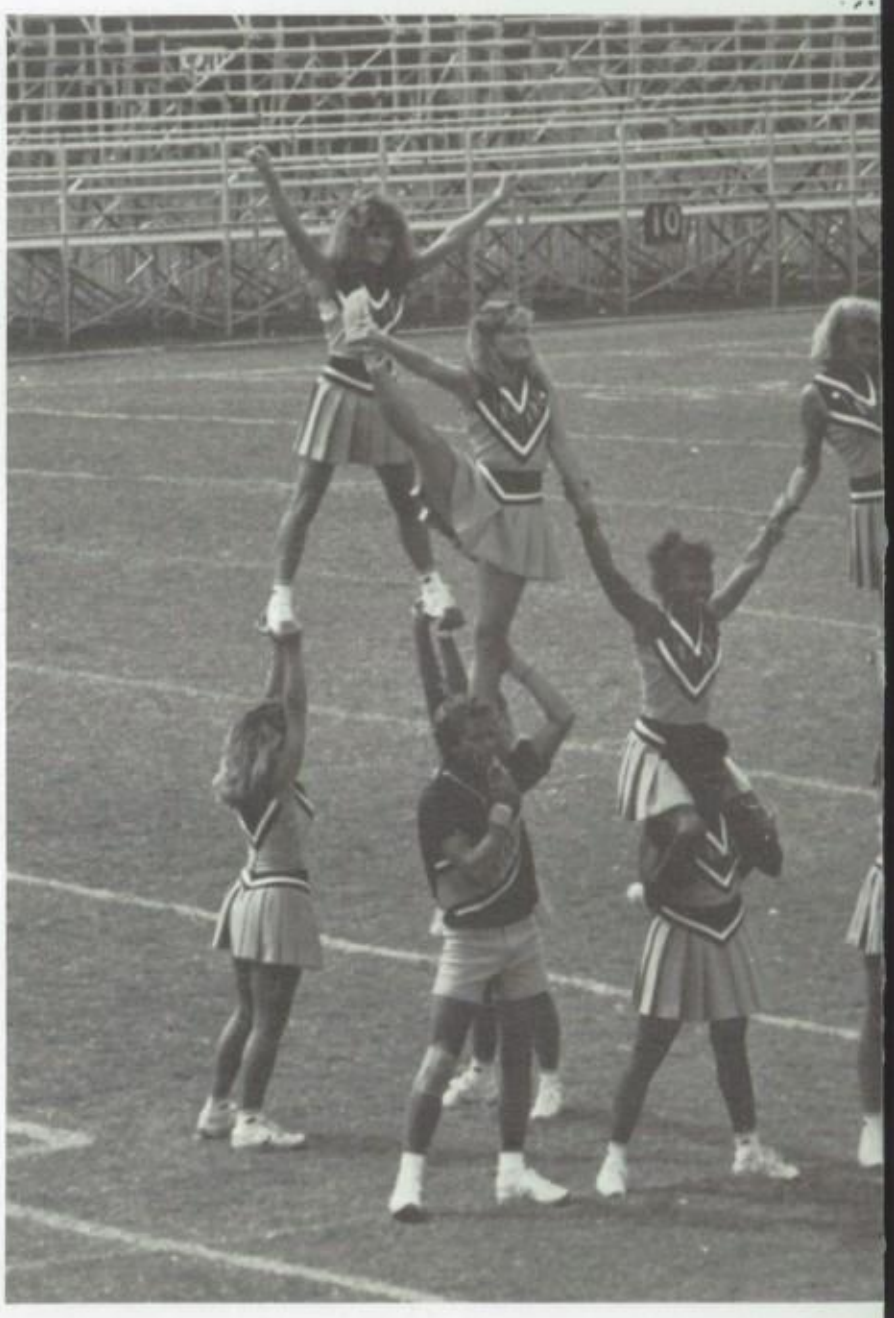
The school authority also initiated the use of hall passes during this time of alteration. When leaving the classroom, a student had to have one of these wooden lumps in his possession.

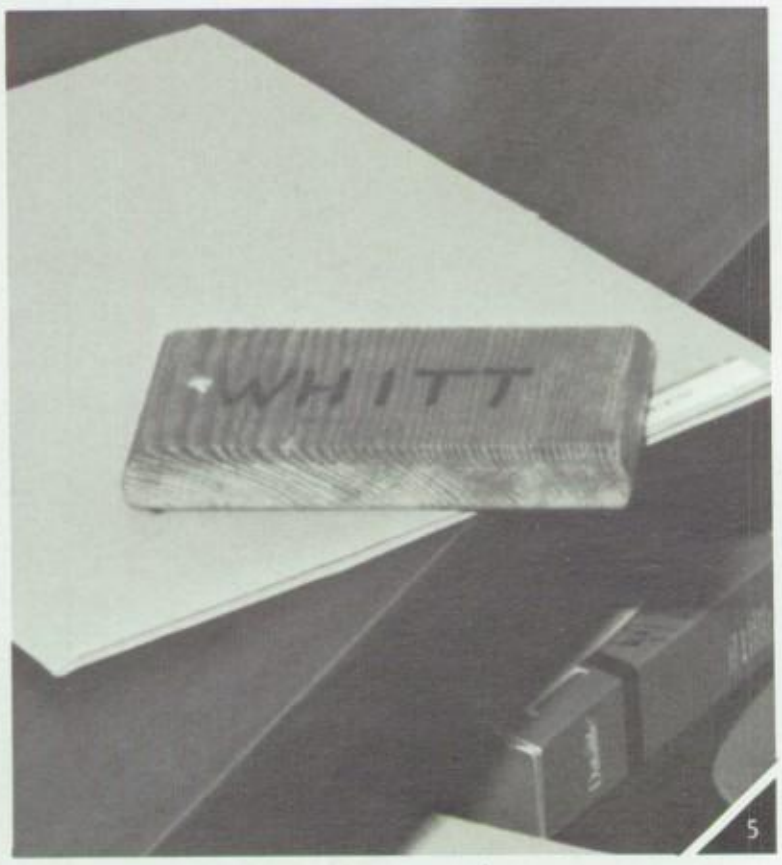
Perhaps the most recent and most awaited CHANGE occurred just before the school year began. Dr. Ralph Evans, Kingsport City Schools Superintendent, retired and was replaced by Dr. Charles Tollett. Dr. Tollett left Cleveland and relocated here in Kingsport. Students wish him great success as Kingsport's school superintendent.

Even the 1988 Yearbook underwent some major modifications. For example, the staff chose to deviate from the traditional cover in hopes of adding more flash to an already exciting book. The staff also optioned to utilize as much color as possible in creating D.B.'s most expensive yearbook to date.

Yes, Dobyns-Bennett experienced many CHANGES. Those mentioned above are only a few of the recent diversifications. There is no way to emphasize adequately how important CHANGES in life are — for without them, we would be living in the past.







1) Dr. Tollett is proud to be the new Superintendent of Kingsport City Schools. 2) Mr. Ketron radios in to make sure this car in the proper spot. 3) Dangling from this car's rear-view mirrow is one of the new parking permits. 4) Rondon James, newest member of this year's cheerleading squad, adds a more professional look to an already outstanding group. 5) One of our most recent school supplies provided by members of the forest — the wooden hall pass — is now required to be present in the halls during class.

• "I spend too much time trying to keep up with attendance."

— Mr. Owens

• "I disagree with the new attendance policy. I have asthma, and it's easy for me to miss nine days a semester."

— Wes Sullivan

• "I hate having assigned parking places because I have to walk a mile to get in the building."

— Porter Smith

# Happy Together

Throughout our high school years at Dobyns-Bennett, we met many new and exciting people. Some of these people became our closest friends.

Friendships were based on trust and honesty. We counted on friends to keep our closest secrets. For some people, their best friend was their girlfriend or boyfriend. For others, that special friend may have been a sports coach or even a teacher. Some of our friends were exchange students from other countries. Most of our friends, however, were people who shared our same likes and dislikes. The best friends were those we felt most comfortable with while "just being ourselves." No matter what, we all had at least one good friend, and no friends were more special than those who had the same high school memories to share as we moved on into the future and went our separate ways.

1

# Conventions

## Student Council "Tuning Into Success"

On March 19 and 20, Dobyns-Bennett hosted the thirty-ninth Annual Convention for the Tennessee Association of Student Councils. Mitch Richardson, who was Secretary-host Representative of the TASC enabled Dobyns-Bennett to hold the convention. The Student Council and Sponsor, Mrs. Fletcher, located host houses for the visitors. A total of 383 students and 120 advisors attended the convention.

The convention consisted of workshops throughout the day for all Student Council members. Mayor Hunter Wright and other distinguished guests spoke during the convention. A dance was held in the D.B. dome the last night of the convention giving all Student Council members a chance to relax and look back on a successful meeting.

# Key Club

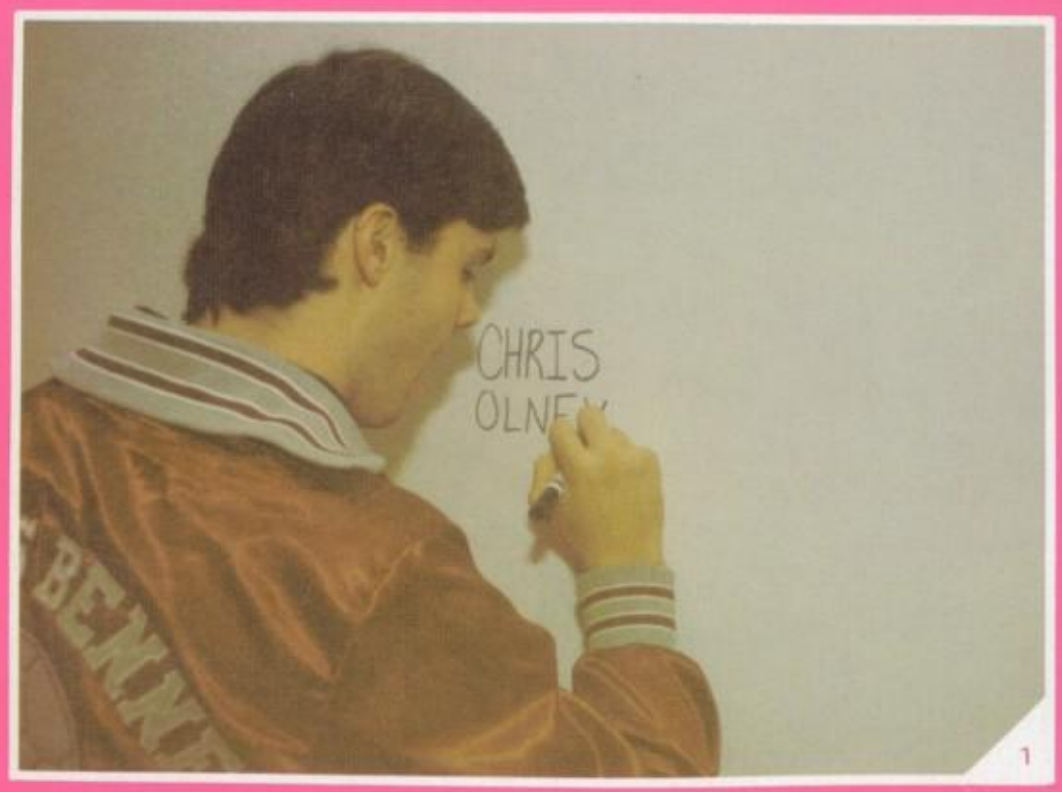
Six Dobyns-Bennett Key Club members attended the 1987 Key Club Convention held at the Holiday Inn in Chattanooga, Tennessee. Participants in the convention were Scott Sullivan, Wes Sullivan, Brent Maner, Mitch Richardson, Jeff France, Michael McGuire, and sponsors, Mr. Chandler and Mr. Nidiffer. Students attended seminars and a dance held on the last night. The Key Club also found time to tour Chattanooga during the two-day visit.

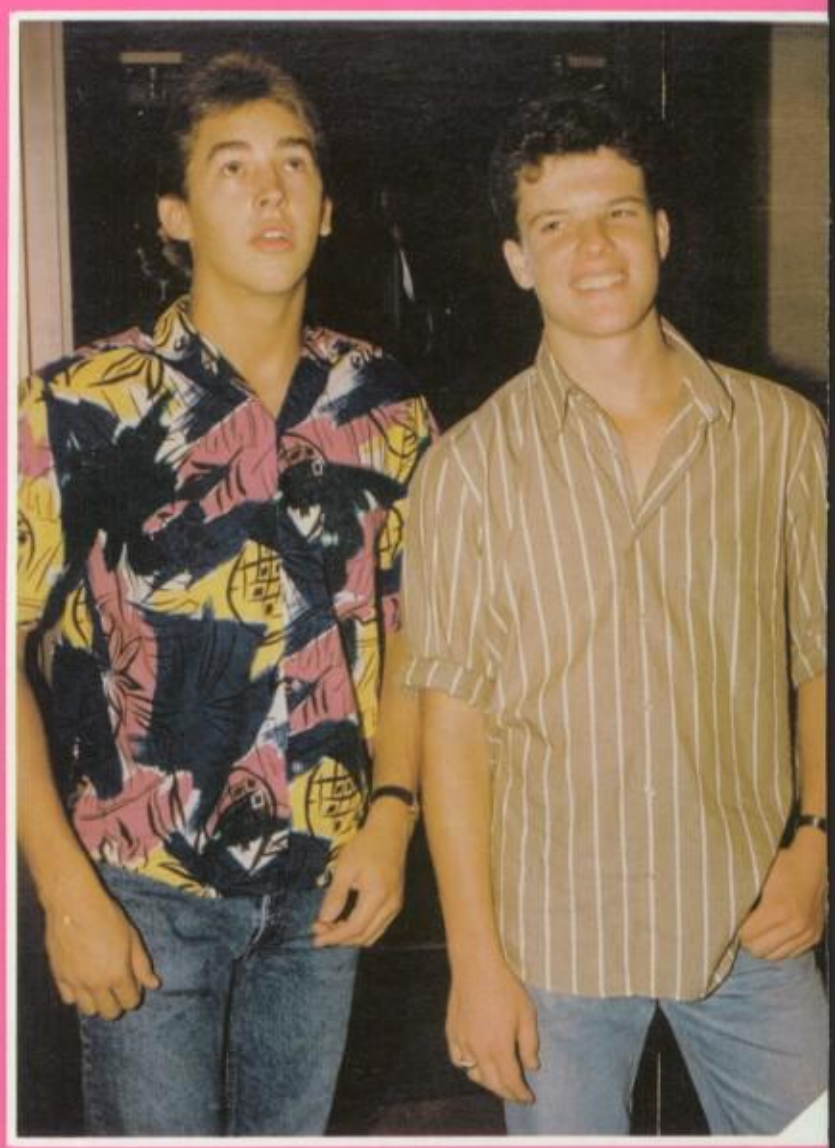
**THIS PAGE:** 1) Mitch Richardson, Jeff France, Mr. Chandler, and Bryant Clevenger listen to the topic of discussion at the Kiwanis-Key Club meeting in Kingsport. 2) Brent Maner represents the Key Club at a Regional meeting. 3) Jennifer Dunlap, Anne Finney and Jenny Taylor enjoy the JCL Convention. 4) Dena Williams, Rachel Jordan and Kate Hyde show off their togas. **OPPOSITE PAGE:** 1) Sarah Slaughter guides visitors to the correct workshop. 2) The Student Council elections involved stiff competition. 3) Student Council members, Robbie Hadden and Kerry Ball, quench the thirst of those at the convention. 4) Mitch Richardson and friends relax between sessions.

# JCL

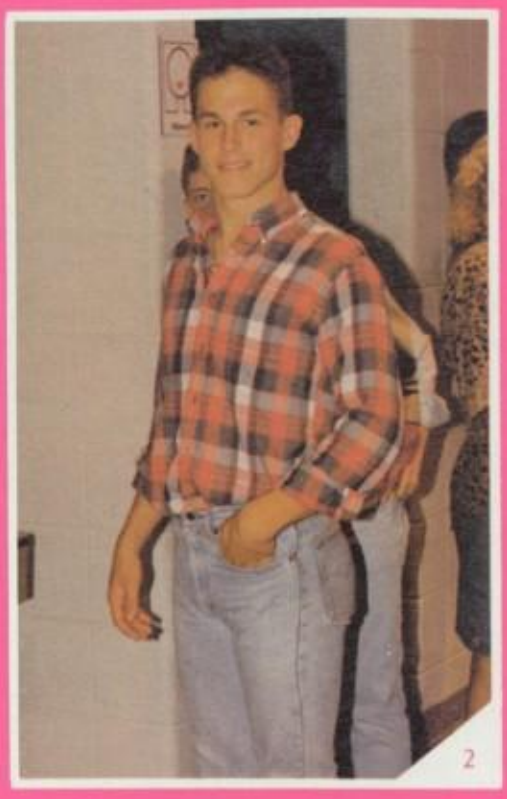
On May 1 and 2, Latin teacher Mrs. Morin and thirty-five members of the Junior Classical League participated in the annual Tennessee JCL Convention held at Maryville College in Maryville, TN. Dobyns-Bennett took home the overall first place trophy in the Olympics. Robb Estes received first place in the art division for models and best of show. The boys 200-meter relay team which consisted of Bill Cave, Matt Cornell, Robb Estes and Todd Harmon took the first place spot. All the JCL members placed high in the various events during the convention. Although hard work and preparation had become a reality, JCL members still managed to have fun.

# Rascals™





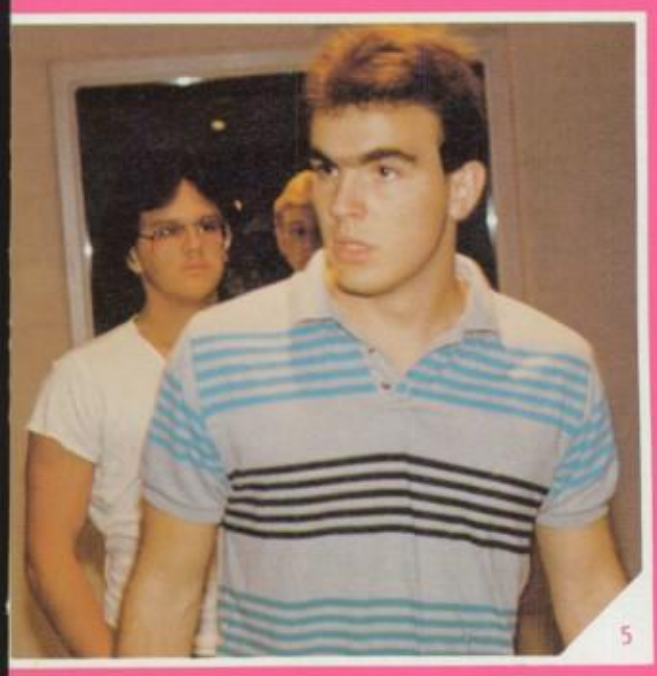
1



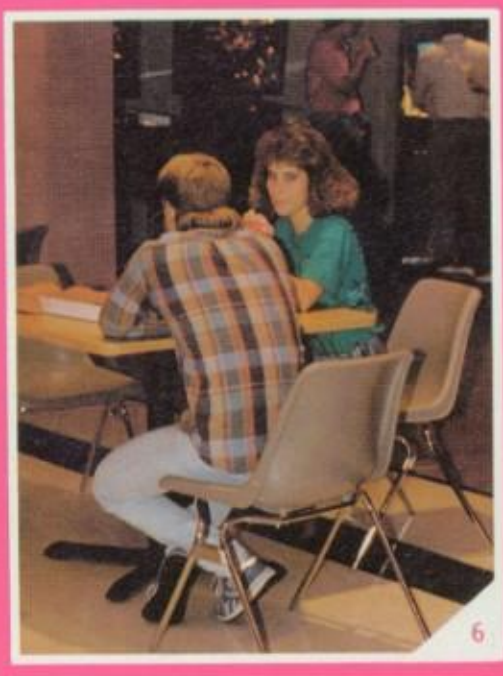
2

3

4



5



6

The doors of Rascals swung open for business on February 13, 1987 for middle schools and February 14, 1987 for high schools. The crowds were much larger than anticipated. Handling the large numbers of teens outside the doors became one of the major problems from the start. The lines extended all the way to the end of the block and around the corner. Capacity on Saturday was 850 teens from all over the area. License plates showed they came from as far away as Jonesville, Pennington Gap, Greenville, Bluefield, Knoxville and even one from Ireland.

The Teen Board is responsible for continuously reviewing the rules and policies of the teen center. Some rule changes were made in May through a Policy Review Committee of the Board of Directors, including teen input.

The Teen Advisory Board remained active and took pride in the teen center. The Board planned many fun and exciting special events and came up with new and unique ideas for programming.

Rascals was definitely here to stay! Special events included an all-night graduation party for the graduating seniors with the first 200 receiving free T-shirts. During Fun Fest, a Block Party was held in the parking lot. Other activities included a Beach Night, Progressive Night, live bands — including "The Cadillacs" and "Torn Lace" — Lip Sinc Contests and Guest DJ's.

In all, the beginning operation of the teen center ran smoother than anticipated. Sure, there have been problems, but each weekend steps are taken to improve upon these weaknesses.

Many people believe Rascals is too good to be true. Come down Saturday night and see for yourself!

**OPPOSITE PAGE:** 1) Chris Olney is the first to sign his name on the Rascals' board. 2) Kenny Bonifay and Simon Kelly check things out when they first enter Rascals. 3) Andy Hubbard, Jason White and Junior Maness share good company. **THIS PAGE:** 1) Tom Florian and Tracy Harkleroad take time out for a picture. 2) Chris Maupin takes a break from the hectic upstairs action. 3) Penny McMurray decides to take a break after having a good time on the dance floor. 4) Angela Valentine, Cheryl Nelms, Renee Jessee and David Wallen enjoy each other's company. 5) Lance Edwards can't believe the girl he just saw. 6) Misty Ratliff and her date grab a bite to eat. 7) You'll have to wait in line to go to Rascals tonight.

7

# Spring Break

March 27, 1987, was the beginning of a very unusual Spring Break. Although quite a few students traveled to the beach, ski slopes, colleges, or toured abroad, most Dobyns-Bennett students remained in Kingsport looking forward to a relaxing and sunny week. Relaxing, the week might have been, but it definitely was not sunny! Students awoke the next morning to find Kingsport buried under 13 inches of snow, the biggest snowfall recorded for that time of year. Shoveling driveways replaced plans of starting on summer tans. Many students questioned why the snow had not come a week sooner. Despite the surprise snowfall, Dobyns-Bennett students agreed that Spring Break '87 was definitely well-deserved.

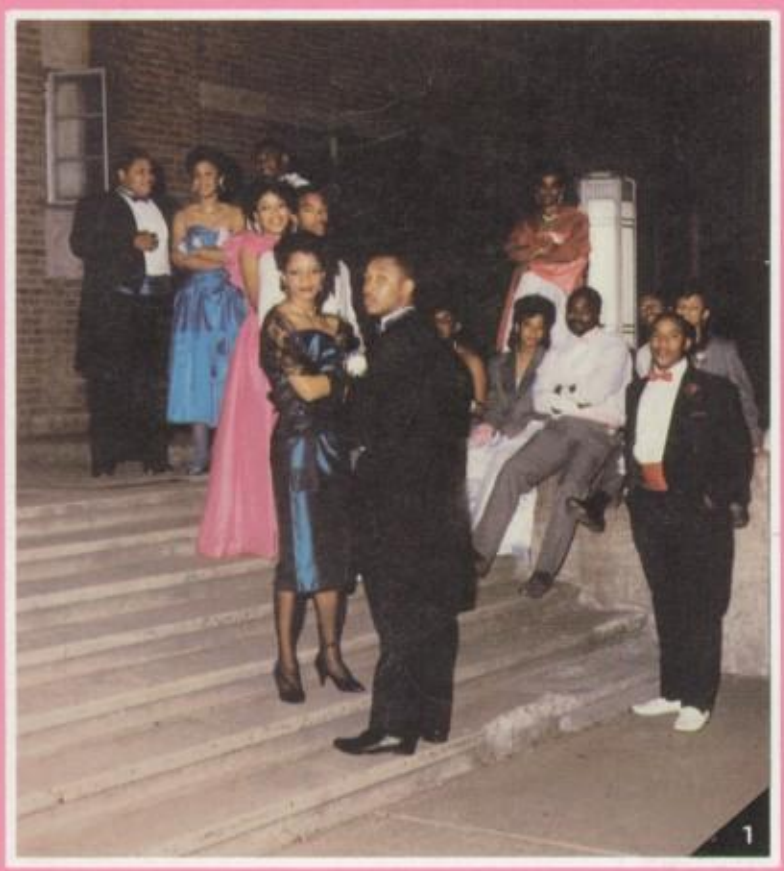
**OPPOSITE PAGE:** 1) Snow covered trees were a common site during Spring Break '87. 2) Dr. Etienne is knighted by the Queen of England at the Hatfield House Banquet, England. 3) Tina Rolston and Whitney Ritter spend their Spring Break sunbathing at Pensacola Beach, Florida. **THIS PAGE:** 1) Lighthouse at Wingear Beach, Gloucester, Mass. 2) Fran Shuler spends spring break in the mountains of North Carolina. 3) Mickey Seavers takes time out to pose for a picture. 4) Tricia Kelly, Kelly Miller, Emily Sartain, and Jennifer Thompson eat lunch at a restaurant in England. 5) Jana McMurray relaxes on the banks of the Holston River. 6) Donna Kilgore and Robin Hutchins ride the waves at Myrtle Beach. 7) Toby Shelton soaks up some sun at Myrtle Beach.

# MIDNIGHT MASQUER



The 1987 Prom, held on May 9, was one of the many highlights of spring. The Prom Committee did a wonderful job decorating the Civic Auditorium. It became the perfect setting for the Midnight Masquerade. The Midnight Breakfast which was a special addition for spring '87 turned out to be a great success.

Girls in their long dresses and guys in their tuxedos danced the night away — a perfect evening. But, as dusk gave way to dawn, a memory was made that will last a lifetime.

1) This group takes a break from dancing to get a breath of fresh air. 2) Couples sway to the beat of the music. 3) Joyce Rolston, Charlene Shelton, and Carol Guest look on as couples enjoy the Midnight Masquerade. 4) Mike Baird and Holly Williams begin the night with a dance.

# ADE

# Banquets And Trips

## Sports Banquets

At the end of the sports season, each ath letic team enjoyed a banquet or picnic. Man awards were given recognizing the outstand ing performances of athletes. At the tenni picnic held at Dr. Blazier's home on May 29 1987, awards for outstanding player were giv en to John Paul Danko, Holly Gray and Deb bie Moore.

Outstanding awards were given to Greg Da vis and Brooke Ward at the swimming ban quet held at Holiday Inn on March 15, 1987

## Orchestra To Florida

On Wednesday, April 29, the entire Orchestra along with Mrs. Bachelder left for an exciting trip to Florida.

The Dobyns-Bennett orchestra was one of only three orchestras from 17 states to be invited to perform for the Southern Division of the Music Education National Convention. In addition to performing at the Convention, they also visited Disney World, Epcot and Wet 'N Wild.

After a fun-filled trip to the Sunshine State, Orchestra members returned to Kingsport on Monday, May 4.

1) Bryant Clevenger, Kelly Smelser, Freddie Robinson, and Whitney Ritter receive awards for outstanding performance at the track banquet. 2) James Fortney and Piper Kirk talk with an actor in Pigmalian during the Nashville trip. 3) Orchestra students take a break from touring Wet n' Wild.

# Band Goes To Canada

In the spring of 1987, the Dobyns-Bennett Band was honored with an opportunity to perform in Canada. Many hours of preparation and practice were necessary before the departure on Thursday, May 16. The Concert and Symphonic Band performed on Friday with outstanding ratings. The Jazz Ensemble also played at 7:00 Friday evening. Saturday was the big day for the full band. Band students arose at 6:00 A.M. in order to be prepared for the Parade Competition at 9:00 A.M.

Although there was a lot of work involved in the long weekend, students found the time to tour Canada. Niagara Falls was full of tourist attractions. Some of the most recommended sights were the Skylan Tower and the Maid of The Mist Boat Tour. On Saturday, everyone was free in Toronto from noon until 10:00 that evening. A favorite stop was the Ontario Science Center. There was also the Metro-Toronto Zoo and the CN Tower. The Dobyns-Bennett band trip to Canada was definitely a worthwhile and unusual experience that will be remembered forever.

1) Scott Landes, Brent Maner and David Clark are all smiles after the parade. 2) The Full Band is proud to be representing Dobyns-Bennett. 3) Jane Dombroski, Geoffrey Bradford and Mr. Fleming feel relaxed once the competition is over. 4) In the hot afternoon sun, Beth Pickard enjoys just sitting. 5) The Maid of the Mist Boat Tour is a favorite attraction at Niagara Falls.

**THIS PAGE:** 1) Rachel Peavyhouse reaches the apex of fashion with a coordinating polka-dot sweater and hose. 2) Kelly Miller provides an example of this year's toned-down make-up. 3) Jason Buchannan is stylishly fitted from head to toe with a colorful sweater, acid jeans with flannel cuffs, and penny loafers. 4) Cindy Morelock blends in with her surroundings in a camouflage shirt. 5) Shannon Lane and Lisa Fields showcase two different aspects of casual elegance. 6) Shannon Lane, Heather Christian, Hsien-Ju Tsao, Lisa Fields, Jimmy Hicks, and Carol Edwards model the newest fashions at The Finishing Touch. 7) Gucci and Liz Claiborne take the lead in fashion handbags.
**OPPOSITE PAGE:** 1) Hsien-Ju Tsao shows a colorful mini-sweater outfit. 2) Corduroy shorts present the sophisticated look as seen on Hope Gilliam. 3) Brannon Moore wears a new realm in boy's clothing — mauve. 4) Tracie Harkleroad's attire reflects the popularity of bright colors.

# Fashions

What's Hot — The return of quiet earth tones of brown, black, and dignified gray; contrasting splashes of exuberant pink, red, and yellow. Whichever your fancy, it was here this year, along with the freedom to choose.

This season's thigh-high hemlines may, or may not, have been right for you. What was right were the choices abounding, whether you went for the leggy look with mini skirts, played it safe hovering around the knee, or remained faithful to a graceful long-line silhouette. For both the long and short of it, proportions spoke of a pared-down elegance. Shoulders were softly rounded, the waist was very much in focus and hips were eye-catching again. Also, coming on strong was the pants prerogative, from sleek and slim jumpsuits to tailored trousers.

Another part of this year's focus was on accessories — richly textured in strong bold shapes . . . IN RED! — to spark the season's minimal dark-color dressing. Starting with racey, smaller, structured handbags to the extremes of bright red with the quiet earth tones.

One last thing about stylish apparel — Just remember, it was Your Choice!

— Shannon Lane

# Graduation

The graduation activities of 1987 began with Awards Day on Friday, May 29. Scholarships given out reached a total of $752,000. Bacculaureate was held on Sunday, May 31, at 3:00 p.m. Monday morning at 9:00 a.m. the seniors gathered in the cafeteria for the annual Senior Breakfast. On Thursday, after twelve years of hard work, the big night had finally arrived. Approximately 345 Dobyns-Bennett seniors graduated on June 5 in the gymnasium. The class of 1987 was filled with joy of the thought of leaving D.B. but also filled with sadness of leaving friends and family. As they approached the stage to receive their diplomas, some thought of the far future, while others thought as far as Myrtle Beach, South Carolina. As the commencement exercises came to an end and the graduates moved their tassels from left to right, they realized that for them there would be no more Dobyns-Bennett High School. And they began the first step on the winding road called future.

**THIS PAGE:** 1) David Smith, Julie Smiddy, Tim Tittle, Billy Frye, and Duffer Wallen relax after graduation ceremonies. 2) Dr. Etienne congratulates graduate Patrick Bowen. 3) Wendy Bouchillon enjoys the dinner prepared for the top fifteen percent of the 1987 class. 4) Frank Bush and Christine Conner are all smiles after graduation. 5) Jacquie Stone, Jennifer Boothe, Amy Haskins, Rebecca Hyder, Jay Scott, and Andrea McCrary celebrate being seniors at the Senior Breakfast. **OPPOSITE PAGE:** 1) Selected band members play at the graduation ceremonies. 2) Mark Jones is measured for cap and gown. 3) Christy Dickert and her mother both prepare for graduation. 4) Ashley Carmen receives an award on Award's Day. 5) 1987 Graduates move their tassels from left to right in the tradition of new graduates.

# Work Work Work!

1

2

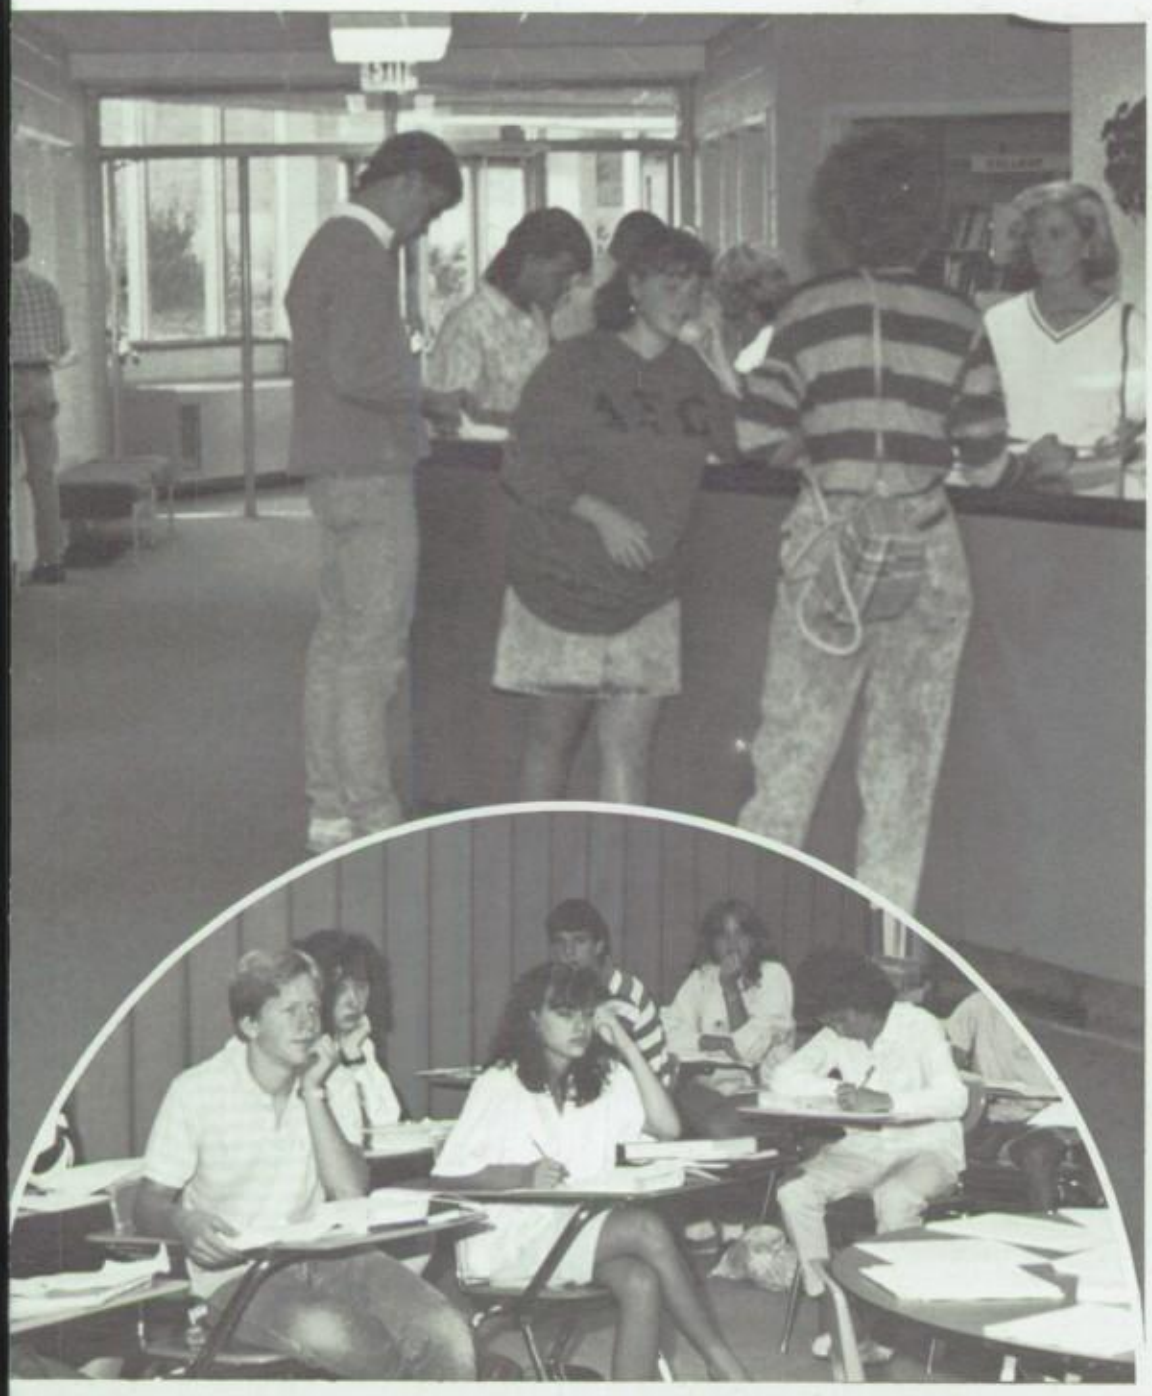
Making money was an incentive for all students to get a job. Everyone needed cash, and working fulfilled that need. Students at D.B. worked everywhere from McDonald's and Burger King to business firms and industrial supply stores. Students earned money at these establishments, and also gained valuable working experience. Students learned to cope with all types of individuals — those who were cheerful and polite and those who were stern and demanding. Students, however, were able to put up with some inconveniences because they knew that they couldn't earn money without a job. Most of the students at D.B. who worked agreed that the reason they worked was to receive the paycheck!

1) Ben Gamble serves customers at Karmelkorn. 2) Jennifer Salyers sells goodies at the Oakwood Bakery. 3) Missy Jeter smiles as she rings up a customer's groceries. 4) Amy Depew is ready and waiting for customers to order.

3

4

**THIS PAGE:** Kim Massey and Mickey Seaver head for the ramp on the first day of school. 2) Wade Farrow and his friends enjoy the Dobyns-Bennett vs. South game. 3) Roll Tribe just one way to show school spirit. 4) Student body president, Stoney Westmoreland, leads us in our outdoor pep rally. **OPPOSITE PAGE:** 1) The office buzzes with activity the first day of school. 2) It's hard to stay awake in first period when you slept until noon all summer. 3) Deonna Hardy and friends get ready to hit the books. 4) Damon Ketron quenches his thirst on one of those hot August days. 5) Football games are nothing without friends.



"Brrrring!" It's 6:30 a.m. The first day of school has finally arrived. Time to inch out of bed and hit the books. "124, 125, 126. My parking space! This is awfully far away, I'll never get to first period on time."

The excitement is catching — Junior Todd Williams states that "the organization was heart-stopping and homeroom was as much fun as getting hit by a train." The halls soon became clogged with wondering freshman. For many of them, like freshman Cathy Maner, the first day of school is "an exciting adventure." After surviving the first few days, everyone gets back into the "ole grind," and school becomes a time for fun as well as a time to learn.

# MOVIN' 'n' GROOVIN'

Everyone loved dances! And the students at Dobyns-Bennett were no exception. In the fall, D.B. students laced up their dancing shoes and headed out to the annual barn dances sponsored by various social clubs at D.B. Student Council sponsored a Homecoming Dance which added a special touch after the game. Dances during December, which included the New Years Eve formal, helped to increase D.B. students' holiday cheer.

With the coming of spring and the Prom, students began to exchange their casual dancing clothes for elegant formal wear. Formal dances and of course, the Prom, wrapped up another exciting year of dancing at Dobyns-Bennett.

# Fund Raisers

Virtually all student organizations have at least one fund-raising project a year. This year at Dobyns-Bennett was certainly no exception. With over 21 projects approved by Mr. Adkins, Director of Student Activities, the students were extremely busy.

One student, in particular, was Kristy Norris, she was the top cheese seller for the Vocational Department's fund raiser under the direction of Mrs. Thayer. Mrs. Thayer said the profit from the cheese sale totaled $3000. The money was used to finance the club for the year.

Two other students who were exceptionally busy with fund raising were sisters, Karen and Catherine Alvis. They were the top salespeople in the Dobyns-Bennett band's traditional fruit and cheese sale. With over $25,000 profit, the money was used to pay for last spring's trip to Niagara Falls, Canada. The profit was also used to buy new uniforms, new instruments, and to pay for the fall trip to Atlanta, Georgia.

Other fund-raising projects this year included Saturday morning doughnut sales and Saturday afternoon car washes held by members of social clubs. Candy bars were sold by members of the Dobyns-Bennett Orchestra. A fashio and talent show is becoming a yearly fund raiser for the Ebony Club. Still other fund-raising activities included calandar sales and gift wrap sales.

Fund raising was a part of the life of virtually all students involved in Dobyns-Bennett organizations. And, as most students will agree, all the hard work that is associated with fund raising finally pays off when the profit comes in.

*1) David Edwards prepares to wash cars for the Orchestra Car Wash. 2) Karen Alfrey and Laurie Bowers post signs for a car wash. 3) Kevin Ladd, Laura Nottingham and Christy Williams take time out of their Spanish class to make a candy bar purchase.*

# Homecoming

Homecoming at Dobyns-Bennett was somewhat different this year. Hoping for a change, the Student Council tried to get the student body more spirited about Homecoming by not having the same format as in years past. This year, class meetings were held to get everyone enthusiastic about the upcoming week.

Many exciting activities were held during this week. A Beach Day was celebrated in which beach songs were played at the beginning and end of every class. And, of course, there was the traditional Homecoming Olympics where the seniors once again won. The highlight of the Olympics occurred when Dr. Ellenore kissed the pig.

Another successful Maroon and Gray day carried over into the Homecoming Parade, where the students had a great time. The best event during Homecoming, however, was the victory of the football team over Chattanooga Howard (34-0) wrapping up another homecoming season.

*THIS PAGE: 1) Julie McConnell and Blair Blankenship show their Homecoming spirit during the Olympics. 2) Tom Brooks lights the bonfire. 3) The 1987 Homecoming Queen, Sarah Slaughter is crowned by last year's queen, Laura Ellers. # Best Of The Rest

In late September, the 1988 Dobyns-Bennett Yearbook Staff distributed 200 surveys. Twenty-five of the surveys were sent to two random homerooms in each grade level. From these surveys, we tabulated the students top five preferences in movies, dream guy, dream girl, local place to eat, soft drink, candy bar, sports team, comic strip, T.V. and music group.

# What's Next?

Robots, computers, aerodynamic cars, and regular trips to the moon — it's all waiting for us in the future. How will all of these advances and changes in technology effect our lives? Here is what some Dobyns-Bennett students thought:

"I think that lifestyles will change from a more conservative and slow-paced lifestyle to a more up-beat and modern lifestyle in the future."
— Jon Koontz

"I think everything will eventually mellow out."
— Porter Smith

"I think there will be more people and technology will change drastically. We will discover new things and be able to create people by machines."
— Sherry Sutherland

"There will be electrical poles under the roads and computerized cars so that you can push in your destination and get there without hardly driving at all."
— Melanie Mills

"I think music will go back toward the styles in the 60's and 70's. It has gotten as wild as it will get, and music will start to settle down."
— Jonathan Roberts

"The 21st century will differ from the present in that ordinary citizens, including young people, will have a better understanding of both national and international occurences as the countries of the world are brought even closer together by improved relations and communications."
— Carr Hagan

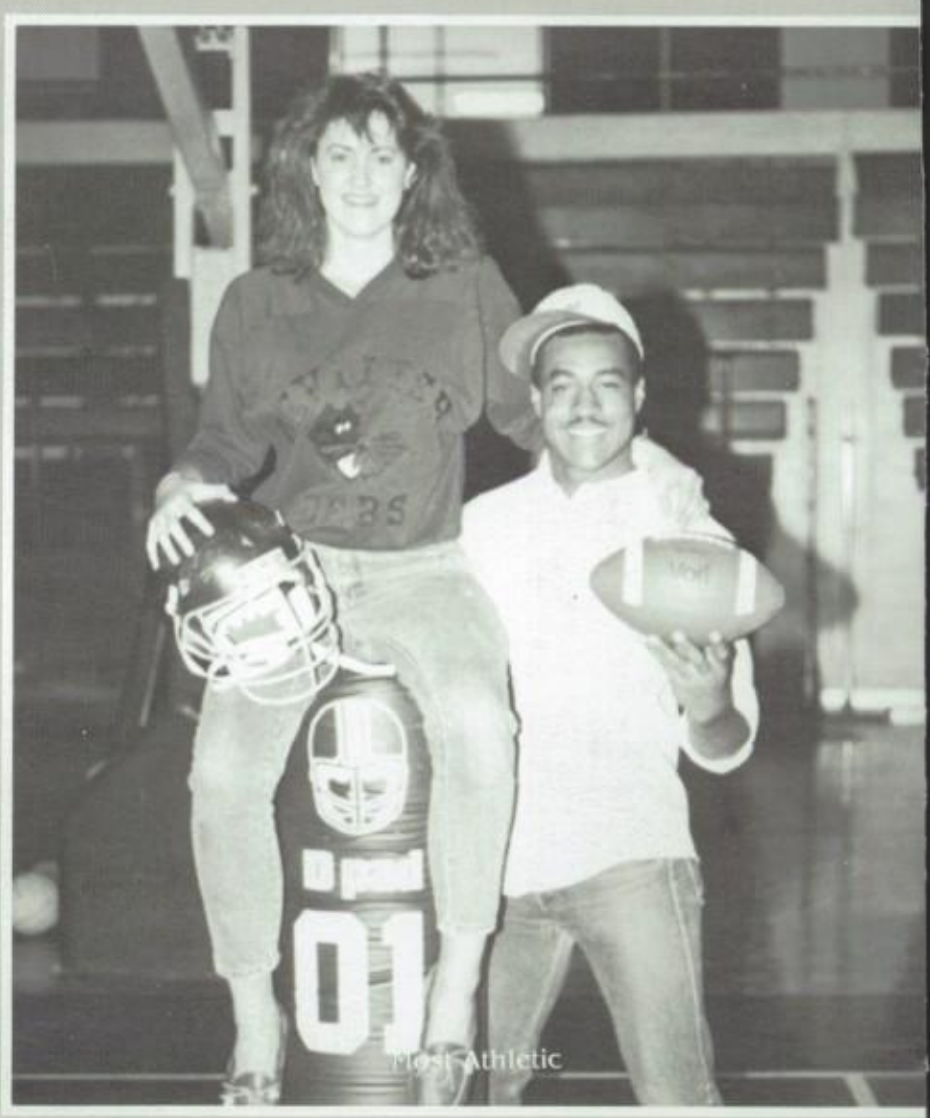
# Senior Superlatives

Best Looking

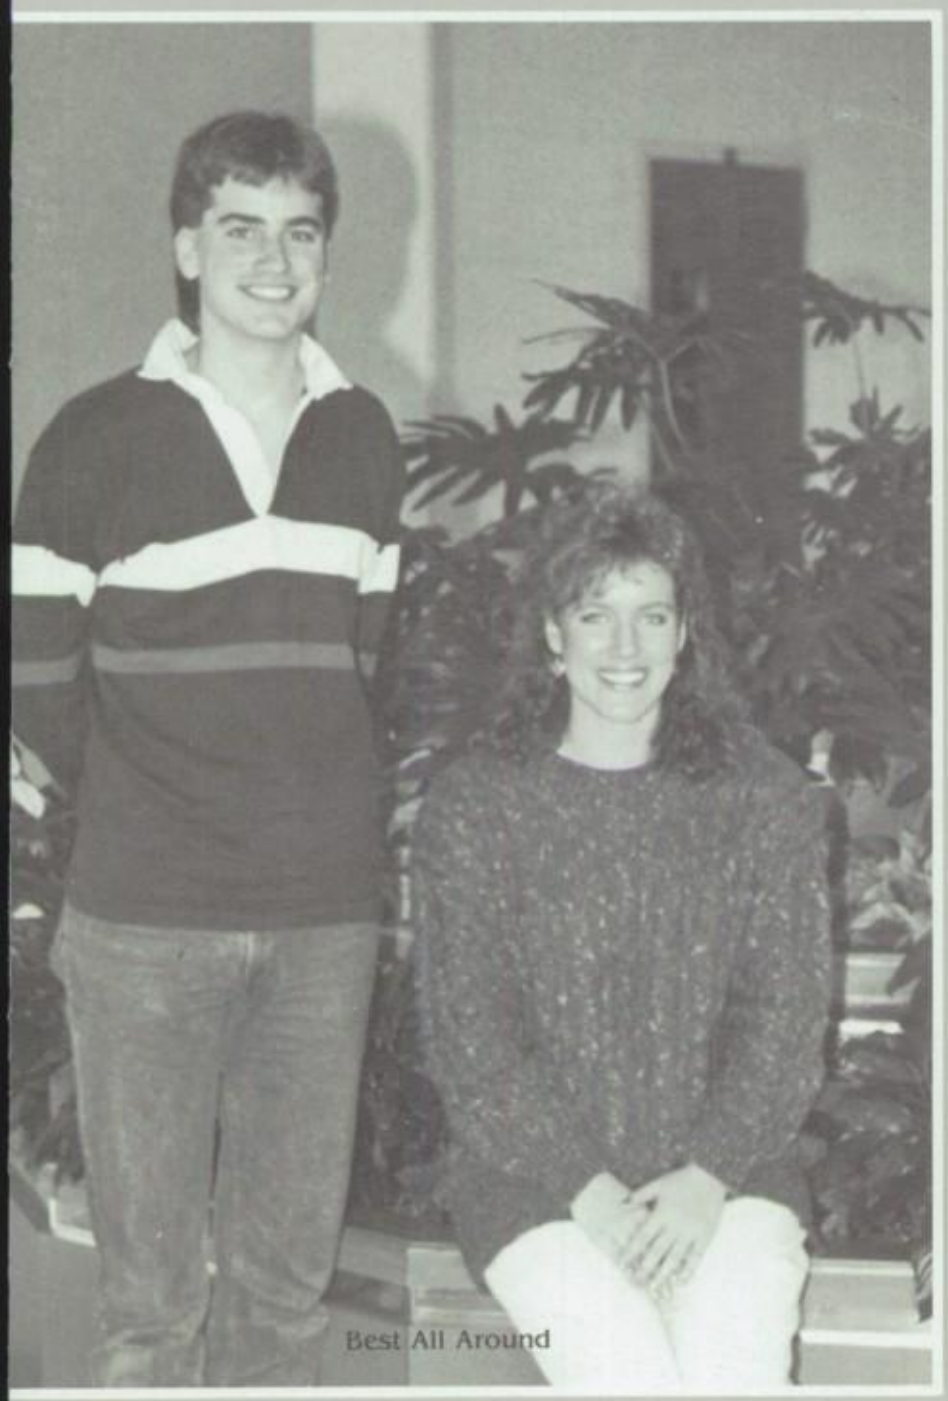
Wittiest

Best Dressed

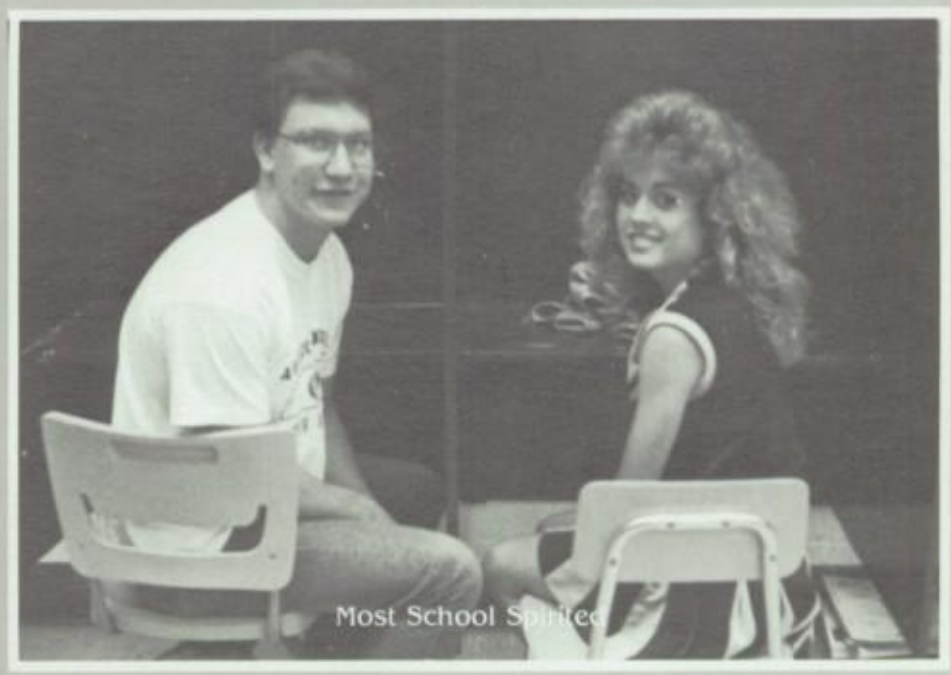
Most Likely To Succeed



Most Athletic

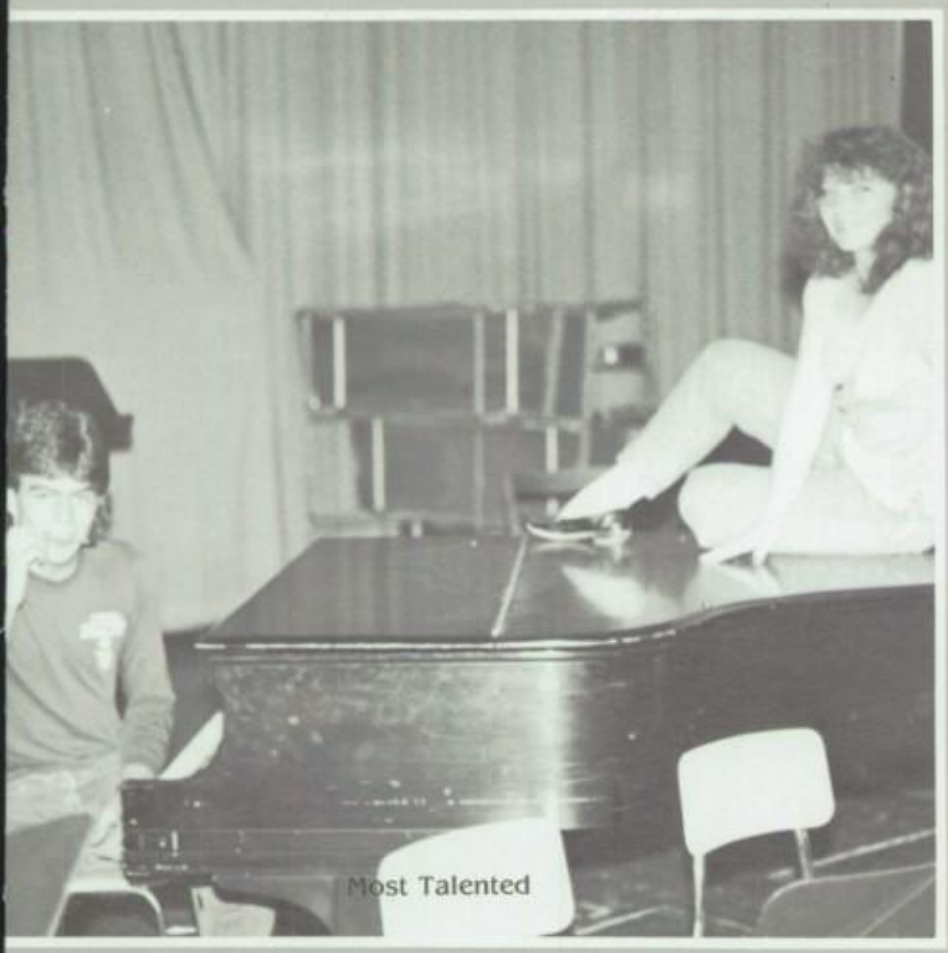


Best All Around



Most School Spirited

Most Polite



Most Talented

Seniors were once again given the opportunity to choose Senior Superlatives, the categories and selections are as follows:

BEST LOOKING — Mark Williams — Sarah Slaughter
MOST ATHLETIC — Mike Faulkerson — Kelly Smelser
BEST DRESSED — Chet Guest — Sharon Hagy
MOST LIKELY TO SUCCEED — Andy Allen — Jeff McGee
Anne Finney
WITTIEST — Joe Schrader — Tricia Kelly BEST ALL AROUND — Brent Maner — Jennifer Thompson
MOST SCHOOL SPIRITED — Stoney Westmoreland
Holly Czoka
MOST POLITE — Jan Shumate — Jane Dombroski
Scott Sullivan
MOST TALENTED — Richie Range — Piper Kirk

PLUNGE INTO . . .

# PEOPLE

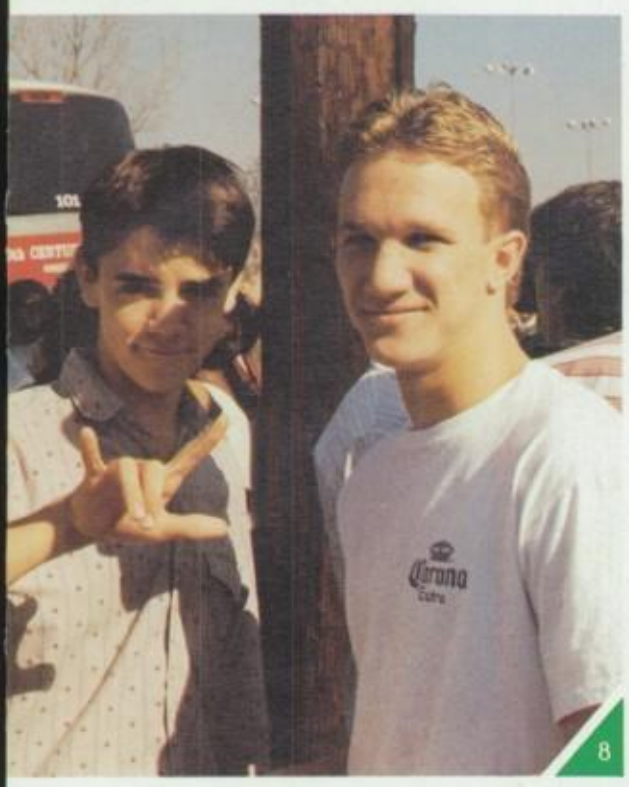
Plunge Into . . .

the churning pool of people at Dobyns-Bennett. Students form more than thirty different clubs. This diversity of organizations demonstrates just how varied D.B. students are.

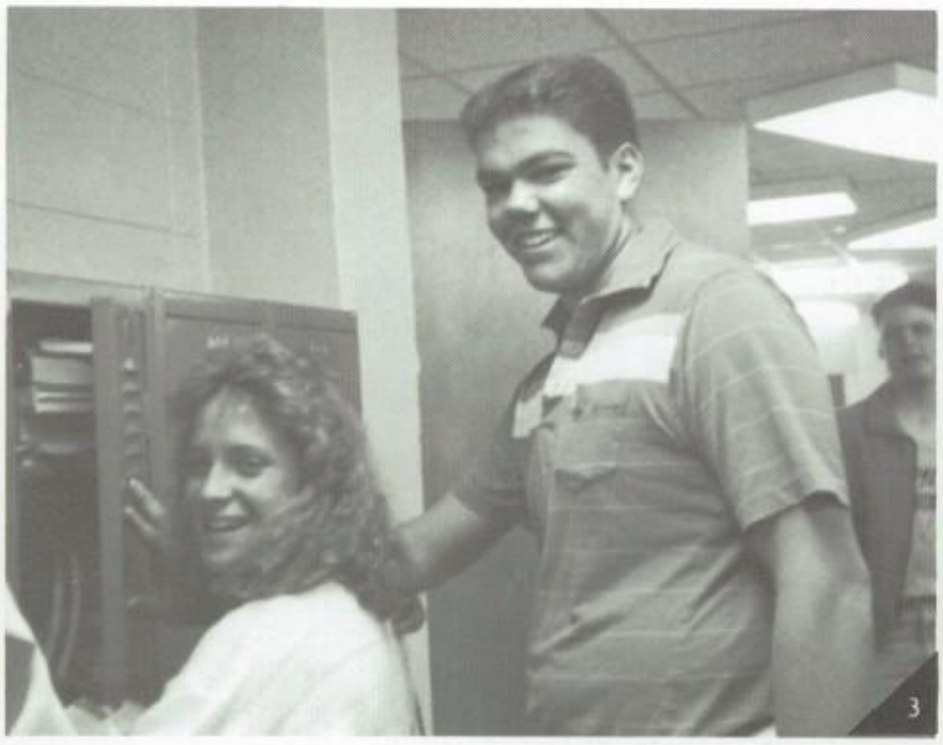
Clubs at D.B. provide ways for students to make contact with their interests. Latin scholars who belong to the JCL attend spring conventions; the 1987 conference was in Murfreesboro, Tennessee. Students who join Forensics enjoy the mental challenges, and some such as Brooke Parish "like meeting students from other schools."

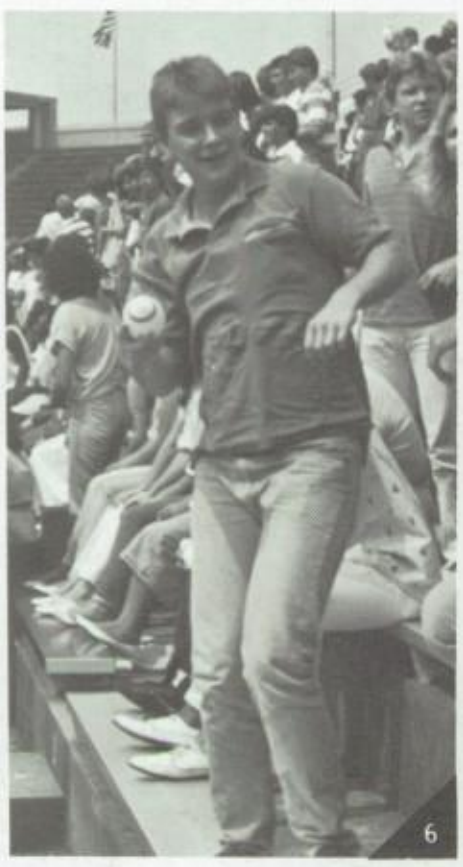
Through VICA, vocational students learn leadership qualities. Instrumentalists in band or orchestra pursue music as well as travel. This year's musicians traveled to Atlanta, New Orleans, and Chicago. Ski Club is a club formed by members fond of skiing. Their President, Tricia Kelly, says that they're "going to have a lot of fun at Snowshoe, West Virginia."

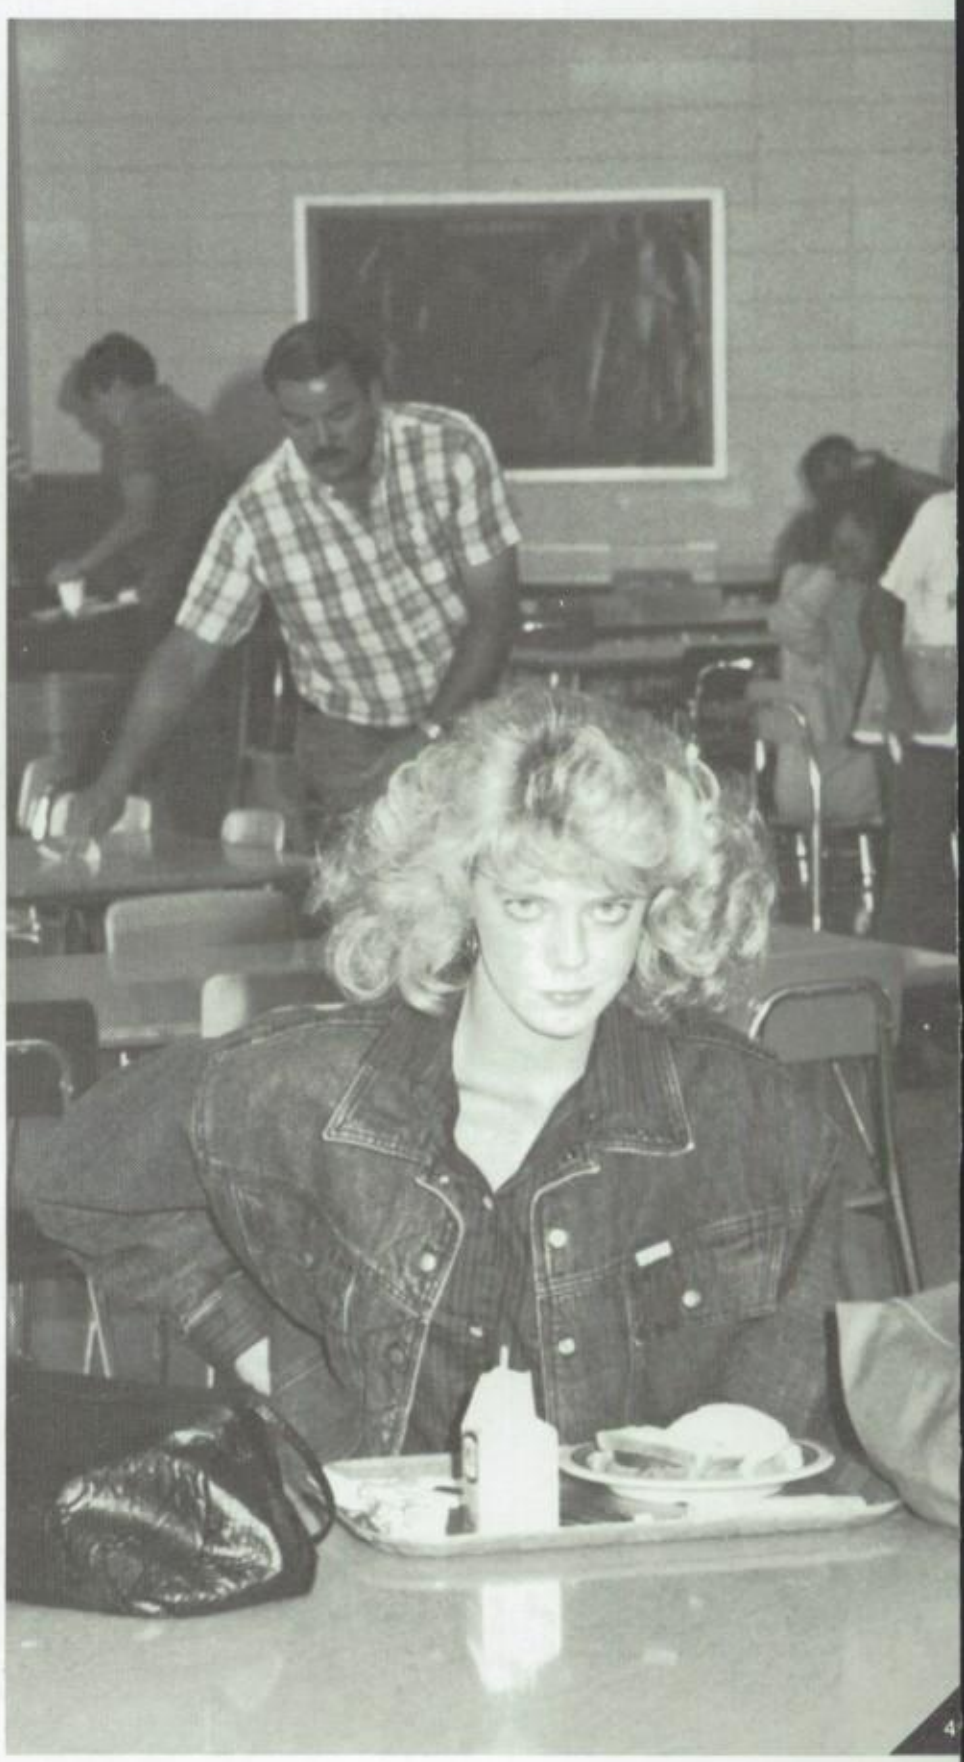
The variety of organizations is one stepping stone that has helped D.B. climb to the top. These clubs and organizations are only as good as their members. . . they're excellent!



*1) Excitement and spirit shine through at D.B. 2) Susan Cross leads the fans in a cheer. 3) This group of guys show their support as the Indians leave for Knoxville. 4) Amanda Gemayel and Kevin Miller compete in the Homecoming Olympics. 5) We're number one! Go Indians!" 6) Students take a break from class during a fire-drill. 7) Mr. Allen catches his son Andy out in the parking lot. 8) James Matthew and Jerry Weber get together after school hours. 9) Chris Olney picks up some new friends at the Hard Rock Cafe in London.*







***OPPOSITE PAGE:*** *1)Tricia Kelly, Christine Straley, and Carrie Thornton are ready to "eat tiger meat" during the Homecoming parade. 2) Regina Adams, Virginia Harless, and Jennifer Clark try to stay warm during the bonfire celebration. 3) Jon Winstead and Luke Keirsey are entertained by their talkative friend during lunch. 4) Greg Davis and Bill Cave show the camera their gentle side. 5) Working diligently Stoney Westmoreland entertains the customers. 6) Wade Farrow and Will Patton discuss the prom and their dates. 7) Attempting to open their lockers Andy Hubbard and Kenny Bonifay catch up on the news.* ***THIS PAGE:*** *1) Does Kara Roberts ever lose her silly grin 2) Spring Begley is a new student at Dobyns-Bennett. 3) Christy Coates and Tom Brooks share a locker together. 4)Angie Odom is about to enjoy a well-balanced lunch. 5) Denise Burks stays on the go at Dobyns-Bennett. 6) Is Mike Autry going to peg someone with his football? 7) Leah McConnell catches a strong breeze.*

# Foreign Exchange

Dobyns-Bennett High School hosted three Foreign Exchange Students this year: Simon Kelly, Katarina Dahl, and Rosemary Sleightholme.

Simon Kelly, a senior from England, planned to graduate from Dobyns-Bennett and return to England in June of 1988. Simon really seemed to enjoy America. "It's great," he said. The main difference he noticed between the two countries was the way people talk, especially in East Tennessee. He felt that his peers really made him feel at home and went out of their way to help him fit in.

Katarina Dahl thought America looked a lot like her home--Sweden. She did not think that Dobyns-Bennett students were much different from her friends in Sweden. She will be returning to her home country at the end of the school year. Katarina found the fast food "most shocking" in America.

The third exchange student was Rosemary Sleightholme from England. Her first impression of America was the vast landscape and the size of the land. The main difference between the teenagers in America and those in England was that Americans display more physical contact with each other. She felt that Dobyns-Bennett teachers had more control over their students than in her former high school.

Brooke Ward was definitely an outstanding athlete at Dobyns-Bennett and in the state of Tennessee. She began swimming at the age of nine and she worked her way to national recognition. Brooke was classified All-American her sophomore year in 100-yard backstroke and in her junior year she was again rewarded an All-American title in the 50-yard freestyle. Due to Brooke's outstanding performances in swimming, she was invited to participate in the Olympic Sports Festival during the summer of 1986. She also claimed two state titles during her high school career while continuously dominating the conference and region, setting numerous school records. Brooke remains undecided as to which college she will attend next year; however, whatever she decides she will certainly carry on her tradition of excellence in swimming.

The purchase of a high school class ring is a tradition passed on to many generations. Often, the ring symbolizes a steady relationship between a boy and girl at Dobyns-Bennett. These class rings serve as a momentum of everyone's high school years. The students order their rings during their sophomore year and receive them their junior year.

Numerous styles, colors, and shapes are available, enabling students to have personalized rings. Although the rings are very expensive, they play an important part in teenagers' lives — something to forever remind them of these special four years of high school.

Skaggs,

The 1987-88 school year at Dobyns-Bennett was a successful year due to the creative leadership of Student Body President, Stoney Westmoreland.

An important aspect of leadership is communication, and Stoney displayed excellent communication with the students and administration. Stoney's well-developed communication skills were due to his active roll in drama as president of Thespians and participation in five major plays. Stoney got the students fired-up at pep rallies and helped bring back the old Dobyns-Bennett school spirit that had been lacking the past few years. Stoney found ways to get the students involved by changing class officer election procedures and having periodical class meetings.

When asked about his future plans, Stoney replied, "I don't know where I am going to college, but I plan to major in political science and move on to law school and eventually into politics." Last fall Stoney competed in the United States Senate Youth Competition and won the school and district levels. Stoney's leadership qualities exhibited during his high school years were merely a preview of his success to come.

# In Memory Of

Myca Collins

March 17, 1972 To
January 13, 1987

"A butterfly lights beside us
like a sunbeam.
And for a brief moment
its glory and beauty
belong to our world.
But then it flies on again,
and though we wish
it could have stayed,
we feel so lucky
to have seen it."

She was young, vital, and very radiant. We say goodbye to her without regret, knowing the 14 years she was given to us enriched and touched many lives. — Family

Hillary Eason was a new student at Dobyns-Bennett this year; however, she only attended the first semester of school. She and her family moved to Kingsport from Boston at the beginning of the school year. Hillary was chosen to participate in a foreign exchange program called Youth for Understanding. She chose to stay in Australia her second semester.

Participating in a foreign exchange has been something Hillary wanted to do since her freshman year. The main reason she chose Australia was that she would not have to deal with a different language. She stayed in South Australia in a town called Adelaide.

Those chosen to participate in Youth for Understanding were students who demonstrated leadership qualities. The required application and personal interview were also considered.

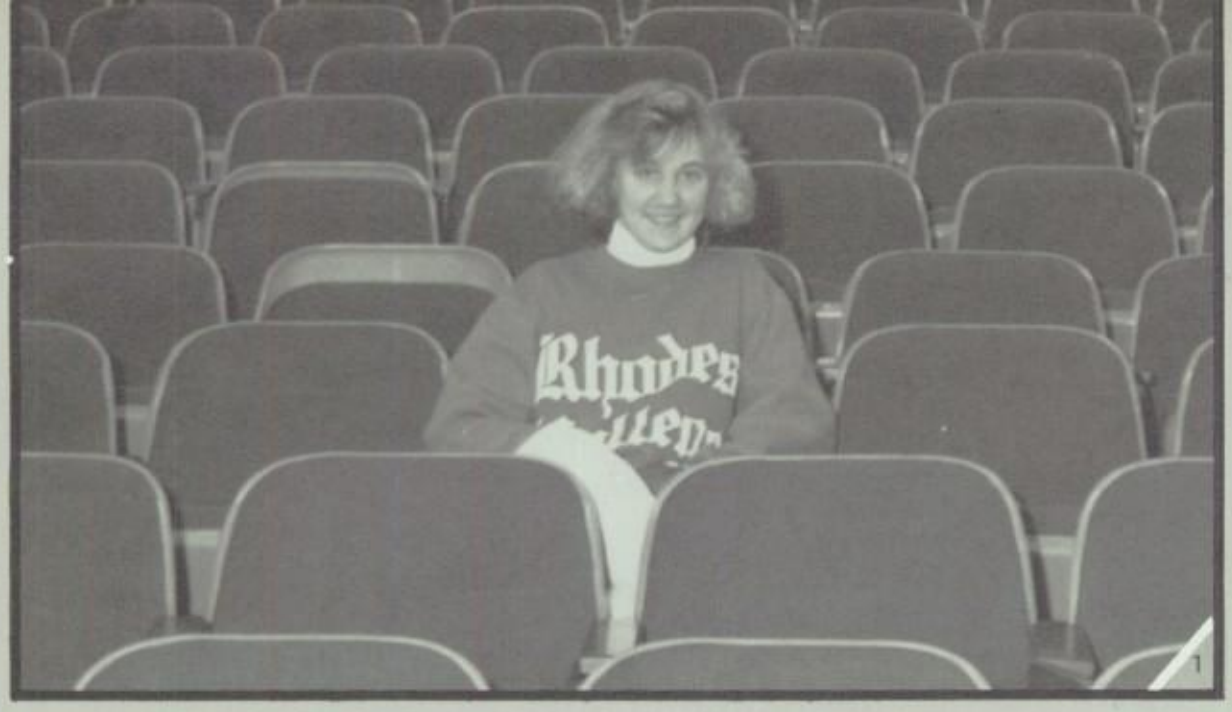
# Top Ten

*Jeff McGee, Class Valedictorian, is determined to reach the top of the world. He has been active in soccer for both school and city league. Although he had many favorite classes, he especially enjoyed Library Lab with Coach Crowe. His college is unknown and his major undecided, but he sees himself making nuclear bombs in his future.*

*Gus Papas is ranked second in the class of 1988. His future plans include attending UVA and forming his own fraternity — Gamma, Upselion, Sigmas (GUS). He is a member of NHS, Ski Club, Domestic Exchange, Key Club and the Soccer team. Mrs. Bovender's AP Chemistry Class was his favorite class. His fantasy before graduation is to lay out of Mrs. Wiseman's class and not get caught. His future plans also include revisiting his homeland, Greece, and search for his identity.*

*Third in his class, Mark Newman, plans to go to college and double major in creative avoidance and procrastination. He wants a minor in electrical or mechanical engineering.*



*Brent Manor, 4th in the 1988 graduating class, was very active during his high school years. He was president of Key Club, a member of Band, Jazz Band, Beta Club and NHS. His future plans include attending Wake Forest University and majoring in chemistry. His interest in chemistry was inspired by the AP Chemistry Class offered at D.B. and taught by the lovely Mrs. Bovender. His fantasy before graduation: Pull off a one-stroke win in an eighteen hole sudden death play-off over the future pro, Scott Sullivan, at his home course, Ridgefields Country Club.*

*Andrew Allen, ranked number 5 in his class, hopes to attend either Tennessee Tech or Belmont. Contrary to believing that Andy wants to take over his father's office as the assistant prinicipal, Andy wants to major in either the music or engineering field, using the experience he has gained from being in Orchestra and Jazz Band. For a graduation present he would like to play bass for Motley Crue.*

*Anne Finney, 6th in her class, wants to attend Rhodes College or Wake Forest University. What are her plans for the future? "After rescuing my older brother, who has been missing for two years in the Amazon, I will major in biology or English in college and then go to medical school to become a neurologist.*

*Jane Dombroski, the animal lover of the top ten, plans to attend Wake Forest or Wofford. Jane's extra-curricular activities include pets, hiking, Annual Staff, pet therapy, flute, NHS and sailing. Because of her size, Jane hopes to open a store for petite people that has current fashions.*

*Joe Taylor will probably attend Emory University in Atlanta after graduating 8th in his class. In addition to being a member of Mrs. Bovender's AP chemistry class, Joe was also a member of the Band, Hiking Club, NHS, Beta, and Alfred G. Packer Society. His fantasy before graduating this spring is to have an excused lay-out day.*

*Christie Coates, 9th in her class, plans to attend VA Tech or UT to become an accountant. One of her favorite past-times was to help Mr. Nidiffer think up new ways to "get" Mr. Chandler. Her fantasy before graduation is to win Publisher's Clearing House Sweepstakes so that she can fulfill all her other fantasies.*

*Elizabeth Miller, rounding out the top ten, enjoys American history. She plans to attend the University of Tennessee and major in American history. Elizabeth is active in Band and received All-East, All-State Honors. Her fantasy before graduation: "To meet David Bowie and to go on a romantic cruise in the Bahamas that includes lots of sunbathing and scuba diving."*

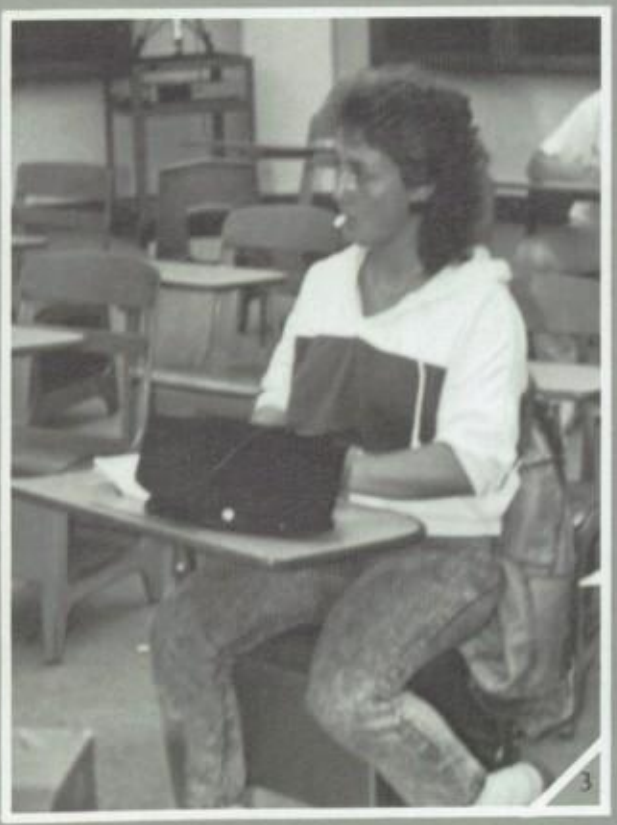
It's here, it's now, it's hip, it's wow, it's a happening kind of thing — Dobyns-Bennett Student Council. The 1987-88 Student Council had a very successful year. It began with changes in the Constitution which gave students the opportunity to vote for class officers. Representatives also started attending school board meetings.

Some of the highlights of the Football Homecoming aided by the Student Council were the Scavenger Hunt, Kiss-a-Pig Contest, and the Downtown Bonfire.

Newly held class meetings gave students the opportunity to express their ideas for upcoming events. Students Council members served as guides for visitors on "Back to School Night" and "College Career Night." The marquee, menu board and computer sign kept the members well informed of the lunch menu and weekly activities. This year the Student Council also addressed the concerns of the student body in regard to minimum skills.

The Student Council felt the student body did an outstanding job of showing school spirit this year and hoped the spirit would continue to grow through future years at Dobyns-Bennett.



# French

The Dobyns-Bennett French Club was open to any student who was taking or had studied French. Some of the many activities included a trip to France over Spring Break and participation in the Foreign Language Banquet.

*1) The meetings of the French Club are full of excitement as they prepare for their trip to France. 2) Blair Blankenship and Heather Christian discuss topics for the next meeting. 3) Karen Luster takes notes so she will not forget the important facts. 4)* ***FRENCH CLUB — FRONT ROW:*** *Ray Bennett, Brian Davis, Randee Bliss, Blair Blankenship, Gina Conner, Mrs. Blankenship (sponser).* ***SECOND ROW:*** *Tim Bolton, Kristi Daugherty, Laura McDavid, Jill McClure, John Wells.* ***BACK ROW:*** *Rachel Peavyhouse, Sarah Carruthers, Laura Porter, Pam Gooley, Russell Moore.*

Plafcan (Historian), Kathleen McConnell (Vice President), Jeff McGee (President), Karyn Adams (Historian).* ***SECOND ROW:*** *Jessica Roosevelt, Michelle Owens, Linda Clark, Beth Brock, John Wells, Rob Estes, Brannon Moore, Hunter Halliburton, Bill Cave, David Edwards, Melissa Garrett.* ***THIRD ROW:*** *Dena Williams, Michael Booze, Robb Newman, Ben Phillips, Michael Manley, Scott Holcomb, Lynne Foster, Julie Harris, Bobby Light, Will Medlin, Taylor Bowers.* ***FOURTH ROW:*** *Alex Crowell, Brian Cornell, Vicki Tignor, Amanda Brooks, Stephen Stout, Jody Melear, Andrea Fain, Suzy McCort, Carla Copenhaver, Amy Srygley, Nada Al-Timimi, Michael Renfro.* ***FIFTH ROW:*** *Misty Ratliff, Rachel Jordan, Lesia Ratliff, Marcus Zumwalt, Shala Nicely, Sarah Ellis, Whitney Mize, Karen Kinkead, Katie Estes, Holly Demuth, Kathi Kerns, Katy Arnold, Gina Harris.* ***BACK ROW:*** *Tom Shelburne, Ryan Williams, Clay Fleischer, Kelly Chandler, Donnie Puckett, Lynn Moriarty, Todd Harmon, Keith Anderson, Tina Browder, Summer Keel, Heather Broadwater, Cheryl Alfrey. 2) Ann Finney, Eddie Kuo and Jeff McGee take a break from the festivities of the Latin Convention. 3) The Junior Classical League show their school spirit by having a chariot in the Homecoming Parade.*

# JCL

A fun-filled year of adventure and excitement was in store for the lucky student who participated in the Junior Classical League. The year began with a grand membership of about 66 Latin students.

Adventure began when the audacious students searched through woods and cow pastures for the JCL party at President Jeff McGee's house. It was a hard day's work, but they came, they saw, and they had fun. Annual fundraisers included selling candy and wrapping paper. This year JCL even had a chariot in the Homecoming Parade.

The next event on the agenda was the Saturnalia which was a Roman holiday celebrating the plentiful harvest of the year. It was held in December, and participants were required to wear togas.

Finally, at the State Latin Convention in Murfreesboro, students competed for first place in tests and Olympics. The convention was simply the dome on top of the Pantheon (or is it Parthenon, Mrs. Morin?).

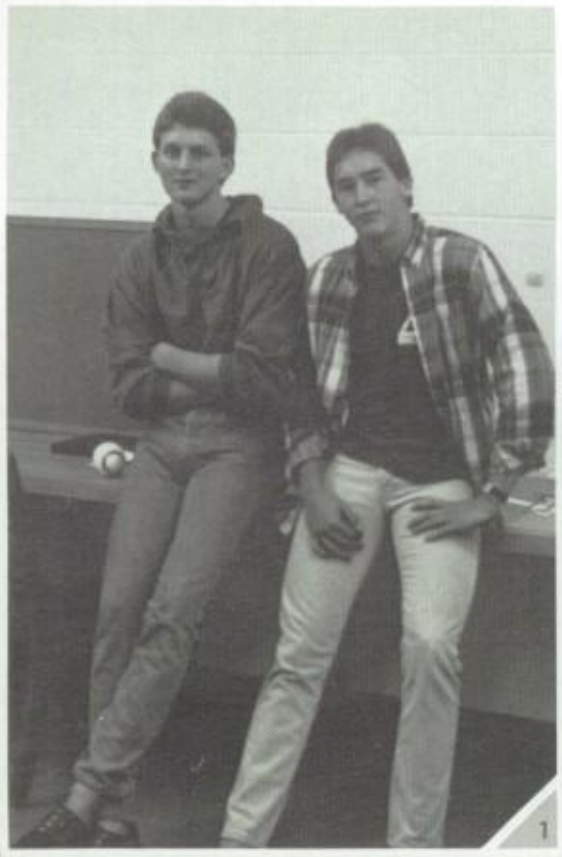
HOSA (Health Occupations Students of America) is an organization which consists of students enrolled in Health Occupations classes. The club held a Christmas party for the pediatric ward at HVMC. The club consisted of 25 members with Jody Melear as president and Mrs. Olterman as the sponser.

# HOSA



# ANNUAL STAFF

*1)Ken Bonifay and Alex Green relax after meeting a deadline. 2)Scott Sullivan and Annette Green decide on which pictures to use. 3)Kathy Hubmann is all smiles when she turns in her copy. 4)Whitney Ritter still gets her annual work done — even on crutches. 5)* ***The 1987-88 ANNUAL STAFF*** *members are —* ***FRONT ROW:*** *Julie Marasia, Hannah Ross(Section Editor), Jane Dombroski(Copy Editor),Claire Shuler, Patricia Nickels, Scott Sullivan(Editor-in-Chief).* ***SECOND ROW:*** *Jenny Marasia, Pam Gooley, Kathy Hubmann, Bobby Springer, Toby Shelton, Cynthia Jessee, Penny McMurray.* ***BACK ROW:*** *Lori Woods, Annette Green, Kim Griffin (Advertising Editor),Alex Green(Section Editor), Tina Rolston(Section Editor),Kenny Bonifay (Section Editor),Whitney Ritter(Co-Editor). Mrs. Taylor and Mrs. Whitt (Sponsors).*

The 1987-88 Maroon and Grey Annual Staff's main goal was to publish the best possible yearbook. The devoted annual staff members worked during third period cropping pictures, writing copy, drawing layouts and helping with any other annual assignments. Despite such frustrating factors as losing pictures and rushing to meet deadlines, the book was finally completed just in time to begin work on the 1989 Maroon and Grey.

The Indian Tribune was full of excitement and creativity as the group produced the school newspaper. The 13 members spent many hours gathering news on up-to-date events and writing the articles. The reporters rushed to complete their written and typed copies. Others arranged layouts and took the next edition to graphic arts to be printed. The creativeness and work of the staff made this year's Indian Tribune a big success.

*1) These members of the Indian Tribune work hard to get articles in on time. 2)Sharon StosbergandLora Campbelltype in the final changes. 3)John Bowlesis all smiles after finishing his work. 4)**INDIAN TRIBUNE — FRONT ROW:**Mary Jane Cox, Cindy Cox, Paige Bond, Angie Odom, David Garrett, Jay Bentley, John Bowles. **SECOND ROW:**Sharon Stosberg, Lora Campbell, Sean Crymbal, Brandon Cloud, Stephen Matlock, Mrs. Morris (Sponsor).*

# TRIBUNE

2

# BETA

The Beta Club consisted of sophomores, juniors, and seniors with a 3.5 G.P.A. who were hard working and dependable. This year during the Thanksgiving holidays, the Beta Club joined forces with the Special Needs classes to help gather canned goods for needy families. This project provided doughnuts and orange juice for the first period donating the most cans.

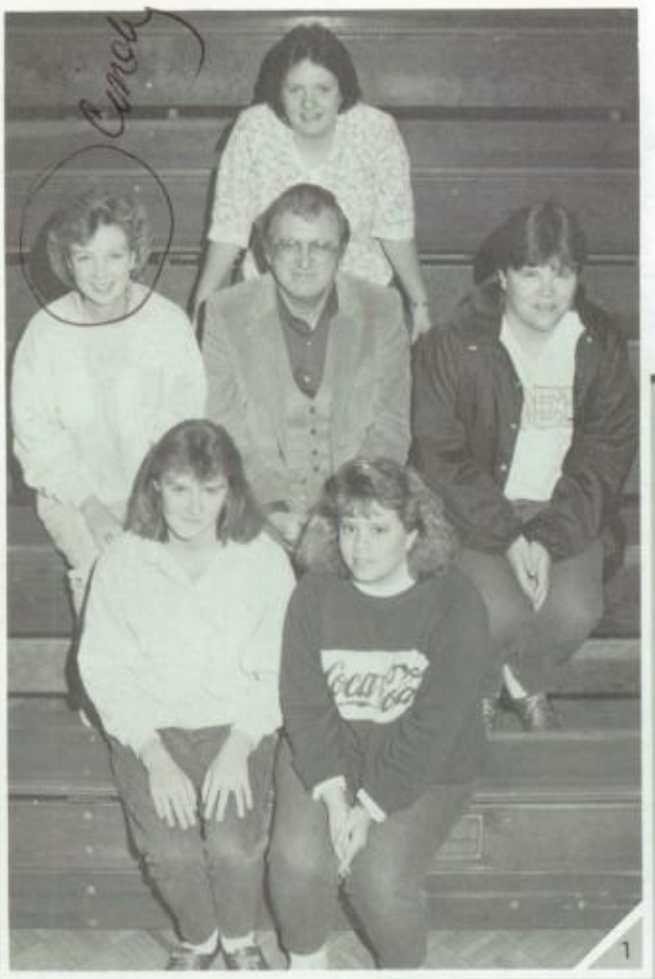
*FRONT ROW:Kristi Ensor, Kristy Norris, Teresa Thompson. FRONT ROW:Lisa Thompson,Bill Humphreys (Sponsor).*

The fellowship of Christian Athletes was a school sponsored club whose main goal was to provide Christian fellowship to Dobyns-Bennett. Any member of the student body was eligible to join. Meetings this year consisted of speakers, group discussions, and recreational activities.

Jr. Civitan was a service club sponsored by Mr. Humphreys. The club's main objective was to aid the school and community. The club was open to any student who was willing to devote time for the betterment of the community.

# FCA/JR. CIVITAN



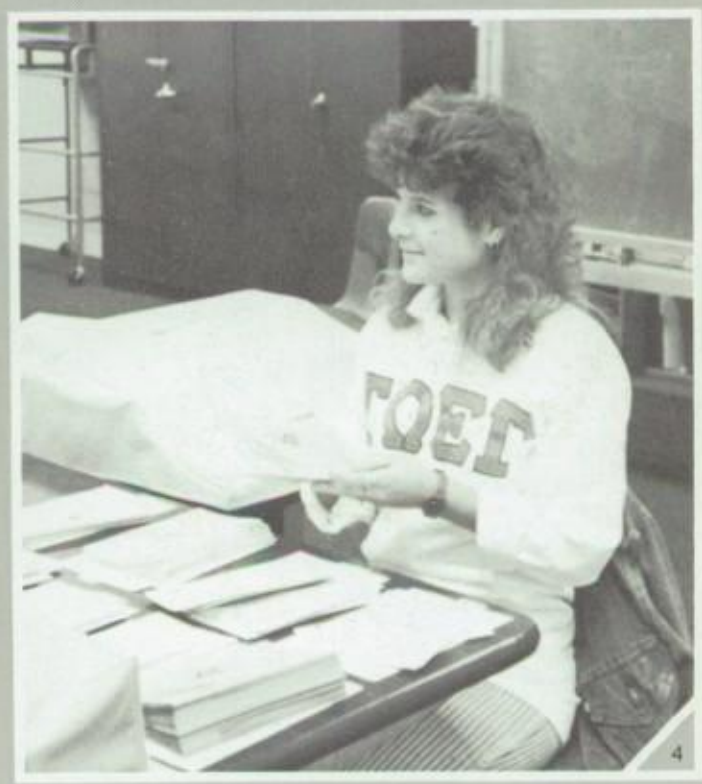
# FHA/SADD

Students Against Drunk Driving was an organization designed to keep our roads as safe as possible. The club was open to any student willing to devote time for the safety of the community. The club was sponsored by Mr. Hutson.

*1)**FRONT ROW:**Cindy Ensor(Vice President), Carolyn Hobbs(President). **SECOND ROW:** Cindy Cox(Secretary/Treasurer), Mr. Hutson (Sponsor),Mary Jane Cox. **BACK ROW:**Amy Tucker. 2)Carolyn Hobbs, Amy Tuckerand, Cindy Coxhave fun at a SADD meeting. 3)**FRONT ROW:**Stacy Watterson, Monica Releford, Deonna Hardy, Vera Phillips, Willa Foster, Michelle Charles, Anna Kay Skelton (Advisor). **SECOND ROW:**Janet Mann, Becky Kilgore, Shellie White, Carolyn Cody, Paige Bond. **BACK ROW:**Michelle Mason, Eric Lyons, Donna Hamby, Jamie Harrel, Misty Crawford, Kim Cline. 4) Mr. Hutson, sponsor of SADD reads the newspaper.*

FUTURE HOMEMAKERS of AMERICA was a national student organization which functioned as an integral part of the Home Economics, Consumer and Homemaking curriculum. Program goals emphasized leadership development, family communication, peer education and community service. "Leaders on the Move" was this year's theme.

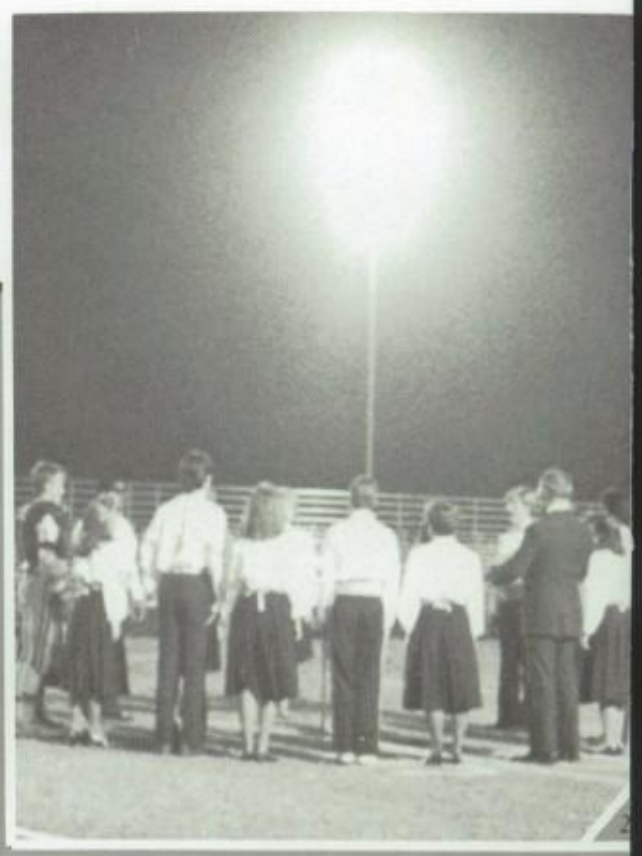
FHA provided opportunities for active participation at local, state and national levels. Members attended fall and spring sub-regional meetings, district workshop, and State Leadership Meeting. They competed in Proficiency Events in the spring, having won district and state level competition in recent years.



*1)**TOEC — FRONT ROW:** Mrs. Thayer (Sponsor),Lisa Thompson (President),Carla Rhoton-(Vice President),Tonya Arndt (Secretary),Angel Page(Treasurer),Sherry Peters (Reporter),Teresa Thompson(Historian/Photographer),Mary Jane Cox(Parlimentarian). **SECOND ROW:**Dena Noe, Tiffany Beatty, Jayne Willis, Matonga Gass, Karen Hunley, Beverly Burke, Donna Christian, Kristy Norris, Kristi Ensor. **THIRD ROW:** Tricia Garland, Erica Williams, Melinda Robinson, Tish Dunn, Shirley Snapp, Mia Hensley, Angie Rogers, Carla Copenhaver, Tinia Farmer. **FOURTH ROW:**Amy Tucker, Tracy Fleenor, Stacy Shell, Kate Odiorne, Shawnna Hodgson, Tammy Waits, Betty Henry, Carolyn Cody, Susan Conner. **FIFTH ROW:**Beverly Martin, Sherry Wilson, Brandi Dirr, Dottie Armitage, Shelia Harris, Marla Dorton, Stephanie Lord, Kendra Holman, Leissa Robinson, Dale Lyons. **BACK ROW:**Kristi Dougherty, Jill Anderson, Brandi Glenn, Becky Bowman, Tammie Holland, Donna Taylor, Sharon Stosberg, Melinda Barrett, Valerie Stevens, Kendra Davis. 2) Beverly Burke and Regina Adams say TOEC is number one. 3) A TOEC member gets ready for KAE. 4)Mary Jane Cox wears her jersey to support the club.*

TOEC, The Office Education Club, had a full schedule planned for this year. They had one guest speaker per month from the business community to learn more about the business world. The club took trips during the year. They visited ETSU for a fall leadership conference, and again for the local TOEC competition in March. They also took trips to Nashville for the state competition and to Kentucky for the national competition.

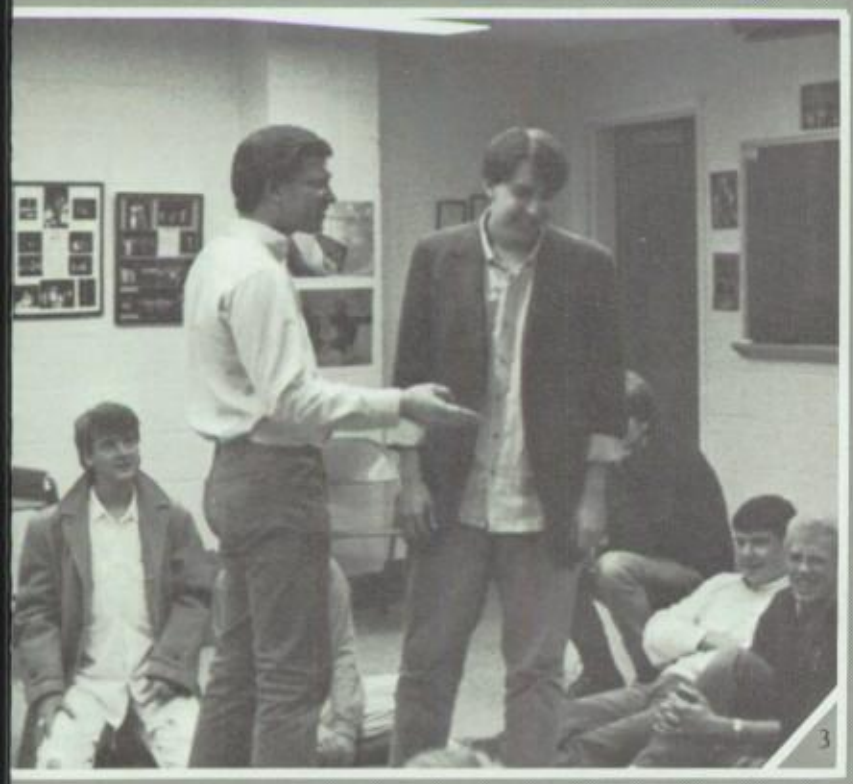
# TOEC



*1) 1987-88 Chorus Members 2) The Dobyns-Bennett Chorus sings the National Anthem before the homecoming game. 3) Mr. Nelson and members of the chorus rehearse a piece. 4) Mr. Nelson and the D.B. singers at a concert in Glenbruce Park.*

# CHORUS

The Dobyns-Bennett choral program consisted of eager students who used their musical talents to entertain others. All members of the chorus were auditioned by Mr. Nelson, the director. Concert Choir and the D.B. singers performed at fall and spring concerts.



Thespians was a club opened to all students who had an interest in speech and drama. The Thespians were very active in the production of school musicals. Many members traveled to compete in area competition. Thespians was under the direction of Mrs. Benson.

*1) Daven Lee and friends enjoy relaxing by the pool. 2)* ***FRONT ROW:*** *Mrs. Benson (Sponsor), Stoney Westmoreland (President), David Clark (Vice President), James Fortney, Piper Kirk, Jason Weems, Tiffany Hughes (Secretary).* ***SECOND ROW:*** *Kate Carrico, Heather Ailshie, Eric Crabtree, Amye King, Sharon Vaughn, Elizabeth Jones, Maia Leeper.* ***THIRD ROW:*** *Eric Webb, Billy Cooper, Nada Al-Timimi, Robb Newman, Renee Payne, Amy Mowell, Karen Alfrey, Mike Visger.* ***FOURTH ROW:*** *Chrissie Godat, Tracy Cloud, Matt McHorris, Marcus Zumwalt, Cleve May, Julie Harris, Valerie Murray. 3) Thespian members enjoyed getting together for a swim party held last summer. 4) Stoney Westmoreland and James Fortney rehearse a scene.*

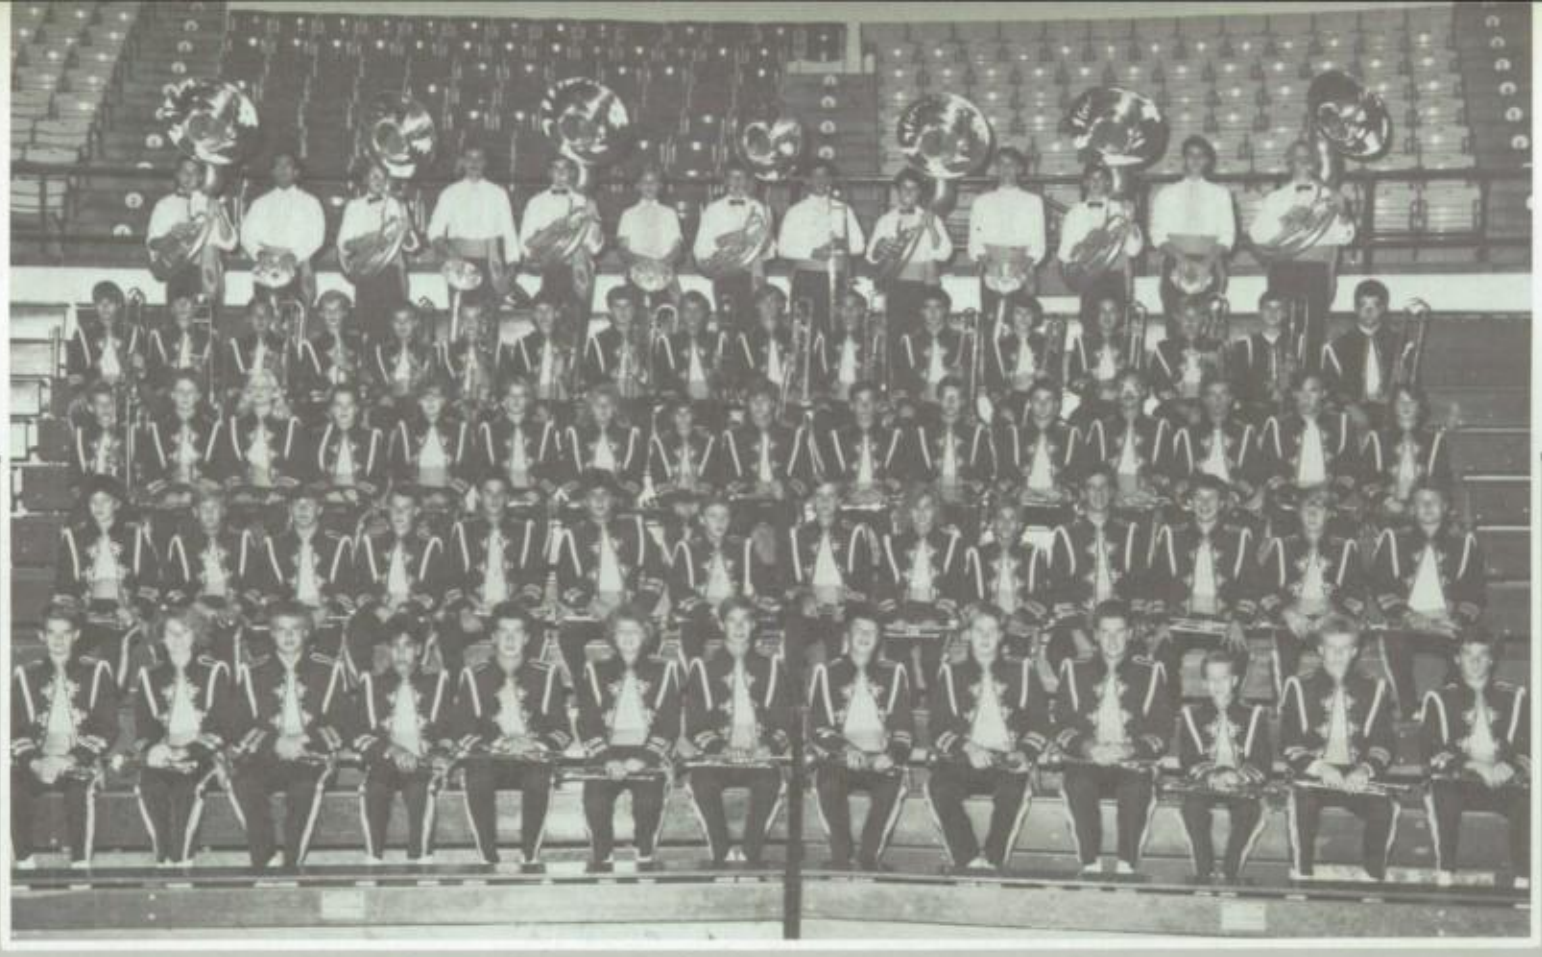
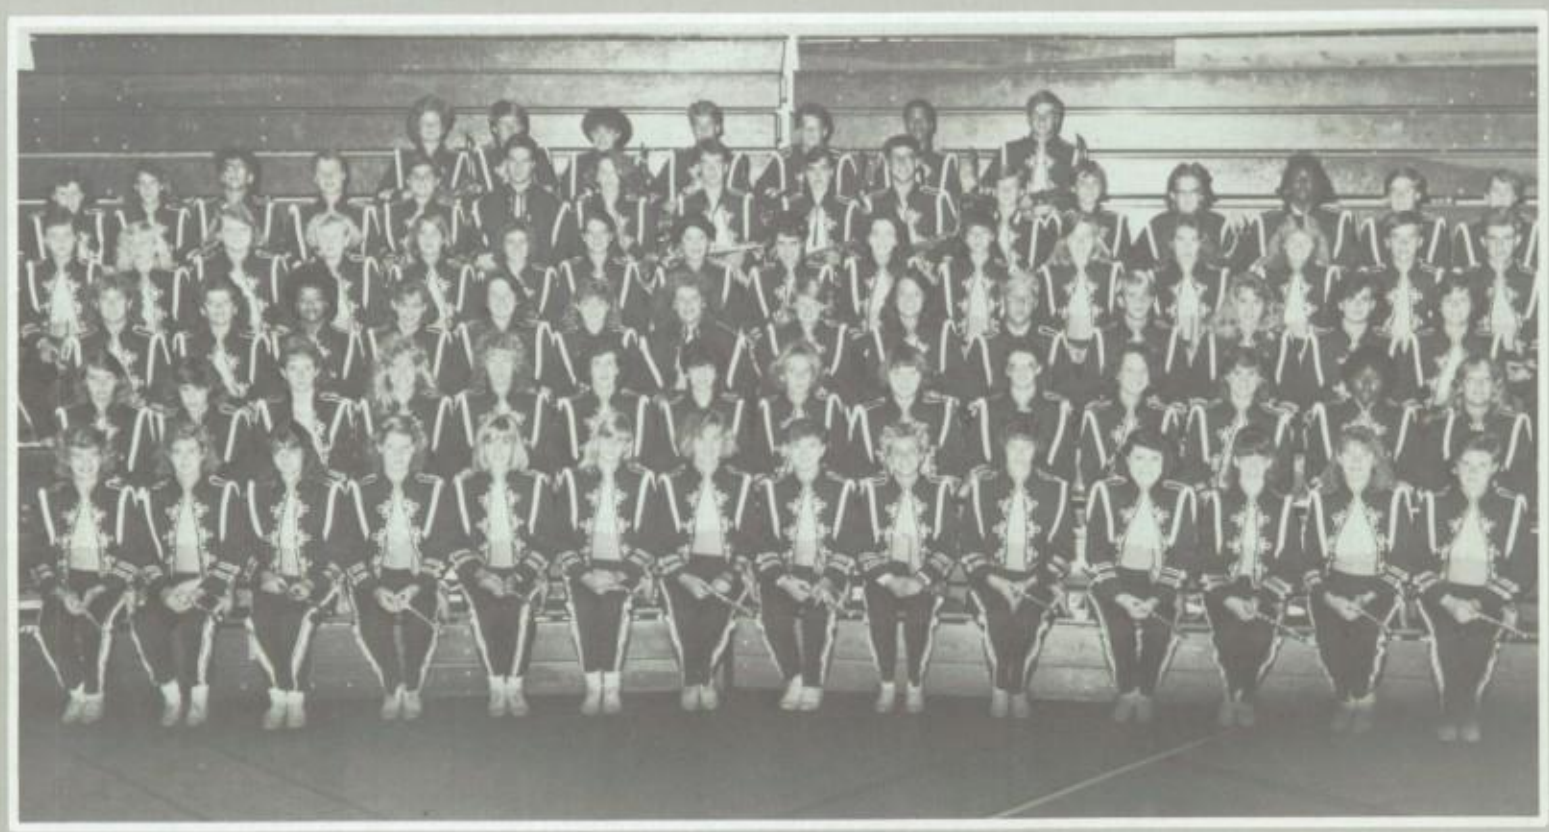
The Dobyns-Bennett Orchestra kept busy this year. They began with their annual Oktoberfest Concert. Next, the combined Band and Orchestra added spirit to the holidays with their concert at the Tennessee Eastman Employee Center. The orchestra was honored with an invitation to perform in Indianapolis in April. This invitation gave them the opportunity to make a side trip to Chicago. These concerts were mixed with Ensemble and Chamber Music group performances. Musicians also attended numerous clinics including Junior and Senior Clinic All-State East, and University of Tennessee Honors Orchestra. The trips were funded by smiling students selling candy bars and manning hoses at car washes. The 1987 Orchestra enjoyed a very eventful year.

Billy,
Here I am "missing" a note but I did not really miss the note I was thinking. actually we were not playing at the time. The musicals were fun even if they took to much time.
Have fun next year.
Mark Reeves





# Band

The Dobyns-Bennett High School Band maintained one of the largest and most successful band programs in the south-eastern region. The band continued a history of outstanding accomplishments over the past several years such as Sweepstake's Winner at the 1987 North American Music Festival and was also crowned Grand Champions in the LaFayette Marching Classic. Much of the band's success was due to the direction of Mr. Tyler Fleming and Mr. Perry Elliott.

# INTERACT

# Ebony

The Ebony Club of Dobyns-Bennett is not a social organization, but a community-related organization. It acknowledges members for outstanding community service, contributes annually to the Christmas Rescue Fund, donates to the NAACP Legal Defense Fund and visits colleges annually.

Because February is Black History month, which coincides with the birthdays of Frederick Dougl (February 14) and Abraham Lincoln (February 12), the Annual Fashion and Talent Show sponsored by the Ebony Club is sponsored at this time. The Ebony Club also helps others to understand the past as well as the future.

*1) 1987-88 **EBONY CLUB — FIRST ROW:** Celeste Black (Treasurer), Tiffany Beatty (Secretary), Tiffany Hankins (Vice President), Precious Pierce. **SECOND ROW:** LaVera Phillips (Executive Board), JaJuan Roberts (Executive Board), Tessa Bradley, Willa Foster. **THIRD ROW:** Mia Leeper, Tiffany Tarter, Deonna Hardy, Shonda Bond. **FOURTH ROW:** Mrs. Dawnella Fersner, Tinia McCrary, Ternette Simpson, Kristie Steele, Michelle Charles. 2) Celeste Black, Willa Foster, Meleka Sensabaugh, and Ternette Simpson are all smiles at their Ebony Club Meeting. 3) LaVera Phillips (Executive Board Director) reviews her minutes.*

# OFF./LIB. WORKERS

Many students gave up their free periods to help in the main office, guidance office, and library.

Workers in the main and guidance offices assisted the secretaries with the mountains of paperwork. They also ran errands and helped sign students in and out.

Library workers offered their assistance to the librarians at the circulation desk. Helping with the computers was also among their duties.

*OPPOSITE PAGE: 1) Library workers for the 1987-88 school year are: Summer Keel, Susan Fugate, Chris Thorpe, Susan LaForce, Mike Bishop, and Richie Range. 2) Office workers for the 1987-88 school year are:* ***FRONT ROW:*** *Amanda Hickman, Julie McConnell, Liz Parnell, Suzanna Witt, Cindy Morelock.* ***BACK ROW:*** *Cheryl Gordon, Chris McClellan, Jody Begley, Jeff Barton, and Roger Hall. 3) Jane Dombroski prepares a bulletin board in the guidance office.* ***THIS PAGE:*** *1) Melissa Dougherty, Brian Fagerburg and Danella Crowther anxiously await to help someone in the guidance office. 2) Liz Parnell and Kelly Miller help the main office secretaries with their paperwork. 3) Mike Bishop enjoys time off from his busy schedule in the library. 4) 1987-88 Guidance Office Workers: Adrianne Stewart, Cammie Pilgrim, Jane Dombroski, Melissa Dougherty, and Danella Crowther.*

# Fin/Camera

The Fin Club contributed a great deal of time and effort to help support the swim team. The club was mainly composed of swim team members, which often brought them to the meets to offer their support and enthusiasm.

# ADVERTISING

Would there be an annual without advertisements? At Dobyns-Bennett the answer is NO! Members of the annual staff spend several days in the summer selling ad space to local businesses. Each year ad sales account for more than five thousand dollars, which is put into the production of the Maroon and Grey. Not only is it a good representation for the business owner, but it is also essential to cover the costs involved in compiling a yearbook. On behalf of the entire student body, the staff would like to thank everyone who purchased an ad and helped make this year's book possible.

MADE IN THE
USA

"It matters!"

Now that it matters so much, always look for a USA label when you shop for clothes and other textile products like sheets, towels, carpet and table linens. Since American-made merchandise offers the best combination of fashion, style and quality, "Made in USA" textile products are your best shopping value.

Dear Dear Billy,

I won't ask how life has treated you this one year out of your life that seems to have been the most difficult of all. I will tell you though you have not been alone in your struggle! We have all been rather miserable waiting and waiting to tick off the numbers of every day before graduation. But we are to actually subside once more in this managed goodole world we call home sweet home. Well now that I have treated you with a little irony let's get down to the bare facts. You are going to have a great time finding out exactly who you, what you want to become, and how to make it till you get there. I BELIEVE YOU CAN BE A STAR! Whenever you think you can't go on just tell yourself I BELIEVE!

Always be positive and push for whatever you want out of life. I think you are a very creative, interesting, and fun to be with person. People DO enjoy being around you more than you think. Please keep in touch when you can throughout life after high school. You know it is kind of strange to actually write it down on paper, but all of us are finally going our seperate ways.

"The Tradition Lives On"

Okay I've written enough this time, but remember this is the last annual we'll be signing at DB.

Love Ya lots + lots!

Amy Richards

P.S. Don't break a leg at the Prom! Ha! Ha!

Billy,
I've really enjoyed knowing you in Botany this year! You're a real sweet person!! I can't believe someone killed, our little friend!! (You know the little cute, adorable chamelion) sniff! sniff! I really liked him. Oh well! I hope you have a wonderful life after you graduate. Have fun over the summer!
See ya,
Jennifer Salyer

# aerodynamically unsound

*There are a lot of things that our hamburgers just aren't good for, we realize that. For instance, we know that our Quarter Pounder® sandwich will never break the land speed record at Bonneville. We can assure you that our cheeseburger just won't make comfortable, therapeutic footwear; and we're quite certain that the Big Mac® sandwich, if integrated with your component stereo system will not enhance the total sound quality. So what are we trying to say? That our hamburgers are good for one thing, and that's you.*

The 1987-1988 Maroon and Grey staff hopes you have enjoyed "Plunging Into" this outstanding year's book. We have put forward our best effort in providing you with what we feel is the best yearbook to date. Each staff member has worked many long hours to cover topics ranging from early morning studies to after school activities. Our goal was to produce a book that will bring back memories every time the pages are opened. Thanks to Mrs. Whitt and Mrs. Taylor, this goal and others set at the beginning of the year have become a reality. We apologize for any errors we have failed to correct. It's been a great year and on behalf of this year's staff — BEST of luck in the future!

Scott Sullivan

Billy,

I should be studying, but writing pointless statements in a book full of bad pictures is more fun than reading about the unimportance of Reagan's staff & cabinet, so...

It's been just a joyful year, hasn't it? Boring classes, pain-in-the-a. administration, concave-chested "dogs" associated with Marcus Zumwalt... and then there's the bad stuff! No, seriously, we actually have had a good year. I mean, really, child, you got 4th at Gatlinburg & 6th at state... but you're still down on yourself. You're a wonderful, highly talented person (not to mention a lot of fun!) Forensics would not have been the same without you! Even with Brooke's bedroom antics (not to mention Piper's bathroom antics) at Gatlinburg and the Great Taco Bell Incident, well... if you hadn't been there, it wouldn't have been the same.

And now you're graduating. Graduation is going to kill me this year! Sure, I'll still have Brooke & Katie & Karen, but... well, I'll be missing a lot of people. The one thing that I really worry about is that I may grow apart from my college friends. (This is a hint, here... keep in touch! Write letters, visit forensics competitions — judge my rounds & give me good scores — scream obscenities into the answering machine, send flowers, anything to let me know that Billy Cooper is alive and well on Planet Earth or a nearby asteroid...)

I hope you don't mind that I'm filling a whole page with my Wise and Witty Sayings in Electric Purple Ink ... 'cos there's nothing you can do about it! (Sinister laughter fades into the background...)

Where will we be ten years from now? Ah, yes, I know ... we'll be accepting our Academy Awards for Best Actor & Actress. What fun! Then you'll go home to your apartment in NYC (say hi to the wife & kids for me. HAH!) and I'll return to my big house outside Boston, greet my 200 lb. pig Harrison, and wipe the AIDS virus off the face of the earth, thereby winning the Nobel Prize for Medicine. (Double-HAH!)

I'm getting silly again. What's new? But anyhow, I just hope you have a wonderful life, and everything goes your way. You deserve it. But if things do get rough... (And Karen begins to choose her words carefully, knowing that Marcus might get hold of this annual & misconstrue everything she writes... oh, what the heck, you only live once!) ... just remember that you have a friend who cares very deeply about you — I mean, really, you're one of my best friends and I don't want anything nasty, detremental, harmful, or perverted to happen to you. You get the idea. And remember to always be a good boy — remember the Eternity Option and the alternative (could it be... oh, I don't know... maybe... SATAN?). Yes, I know I'm getting preachy. It's a habit... but it's important! Really, if I'm gonna live forever I want someone to talk to! HAH!

Well, whaddaya know? I filled a page! I hope I said something meaningful.

Love always & forever,

Karen Alfrey

P.S. For more insanity, see page 249.

Billy,

Good Morning Theater Luna!!! No seriously just kidding. I hope you get into acting and become successful because you've got alot of talent. Test Tobe!

Billy!

Hey! Well, this is it! We're finally going to graduate and be RID of this school. It's been really super getting to know you better. YOU'RE A GREAT PERSON!!! I've really enjoyed all the wonderful classes we've had together. Remember "California ~~Dreaded~~ Suite"? He's fun! I hope that we can remain good friends after graduation. If not, I'll Miss You!

LOTSA' Love,

Cindy

2 forever

Dear Billy;

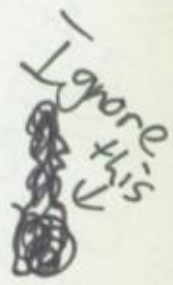
You are a really great guy, and I am sad that I have only had a chance to know you for one year, but I know that you will do fantastically in life — you deserve it. Good luck Billy, and Goodbye (I hate that word!),

Have a great summer;

Katy Arnold

Dear Billy,

Remember:
Kate Carrico's great acting,
Valeries acting that surpasses even Kates'
Mr. Moo Browns con you
Mrs. Crowe, the epitimy of excitement
The apprehension at gatlinburg, state, district, and every other one you went too.
Mrs. Pridemore
"And maybe some Tuna" "Boom Boom Boooooom"
Karen Alfrey
Mrs. Danko's vibrant exhilerating body that makes everyone drool!
How stupid this mate is



You've been a great interesting friend. I had great Jr. at gatlinburg and State.

Sincerely,
Marcus Zumwalt

POSTENS

Billy, that do really
I hope really you've
you are. You're
ize what a superbly
great guy you are. You're
got a great personality
a great sweetest
the sweetest & always seem
wish you didn't
one of the most
know. I just can't spell
& self-conscious & sorry I can't
insecure and you'll
the time. Well, you'll be in N.Y. in
on, I know you'll be in N.Y. in
all work for what you want.
be moving
you'll be
yearbecause
Love ya,
Nada Al-Timimi

Billy,
Well this year has been such a blast. Remember all the fun times in 3rd. Good luck in all that you do & I hope you get what you want out of life. Have a great summer.

Kendra

Billy-
Hi! I know you probably don't want me taking up room in your annual when you have actual important people doing to write in it, so I'll keep it brief.
You should not be insecure because you are talented, beautiful, and smart (who ever said blondes are dumb must have been a jealous brunette!) Anyway, I'm using too much room, aren't I? Just please don't forget me, 'cause I love ya dearly! Good luck - you'll be great!

(creative mistake!)

Cheryl
(or, if you prefer, Karen's sister.)

Billy,

I'm glad we were able to have more classes together this year & that I got a chance to know you better. Please don't let your home life stop you from aspiring to the wonderful things you are capable of. Have faith in yourself & get to Wagner & study theatre!

Moo moo,

Dawn

# COLOPHON

The 1987-1988 MAROON and GREY Yearbook was printed by Jostens Printing and Publishing Division, 1312 Dickson Highway, Clarksville, TN. Twenty-one students dedicated much time and effort towards producing 1300 yearbooks.

This year's cover consists of a leather-tone with a maroon chord, a grey tone, and applied maroon and silver foil. The endsheets contain stainless steel with maroon applied. 260 Mead 80-pound pages were used in each stiff copy. Benguiat Book lettering was used for copy with Body copy types in 10pt. and Captions in 8pt. There were six multiples of color pages.

Special thanks to: Mr. Moricle, Pat Nickels, Beth Johnson, and Jenny Geer for their Photography; John Doubler (Plant Artist) for the cover and endsheet designs; Mrs. Shirley Taylor (Computer Advisor); Mrs. Nadine Koth (Business Manager); Mrs. Brenda Whitt (Editorial Advisor); Mr. Ed Bailey (Jostens Representative); and Kenny Bonifay, Alex Green, Kim Griffin, Whitney Ritter, Tina Rolston, Hannah Ross, and Scott Sullivan (Editors).

UNTIL NEXT YEAR

. . .

IT'S BEEN WHAT, 6 YEARS? WHAT HELL, REM. ME, BUT NOT FOR BEING ARTIST BUT BE ME. STAY AS LOVEABLE AS POSSIBLE AS EV PLEASE CALM DOWN. LOOK ME UP IN GERMANY!

LOVE & FRIENDSHIP

JOSTENS
